Virginia Civics and Economics

Supplement your language arts block with 180 days of daily spelling and word work practice! This second grade spelling workbook provides teachers with weekly spelling and word study units that are easy to incorporate into the classroom or home. Perfect for after school, intervention, or homework, teachers and parents can help students gain daily practice through these quick activities that correlate to state and national standards. Arranged into weekly units, the worksheets feature fun activities for second grade students such as analogies, word sorts, homophones, sentence completions, sentence types, inflectional endings, prefixes, suffixes, synonyms, antonyms, and more! The repetitive structure helps students focus on the words rather than the activities and allows for more independent practice. Provide fun, engaging, and purposeful practice for your students with this must-have student workbook that includes digital materials.

Georgia Experience 3rd Grade Student Workbook

The U.S. History Quick Starts workbook features warm-up activities that are grouped into the following units: The Land and First People; Explorers and Colonizers; Revolutionaries and Pioneers; Slavery, Freedom, and Technology; and The United States as a World Power. Some activities encourage creative thinking with open-ended projects like faux pioneer diary entries and short speeches supporting or opposing controversial issues. Other activities require memory and critical-thinking skills, such as cause and effect, compare and contrast, or sequencing. Each page features two to four quick starts that can be cut apart and used separately. The entire page may also be used as a whole-class or individual assignment. The Quick Starts Series provides students in grades 4 through 8+ with quick review activities in science, math, language arts, and social studies. The activities provide students with a quick start for the day's lesson and help students build and maintain a powerful domain-specific vocabulary. Each book is correlated to current state, national, and provincial standards. Mark Twain Media Publishing Company specializes in providing

engaging supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character.

Wisconsin

Supplement your social studies curriculum with 180 days of daily geography practice! This essential classroom resource provides teachers with weekly geography units that build students' geography knowledge, and are easy to incorporate into the classroom. In a world that is becoming more connected and globalized, 21st century students must have the skills necessary to understand their world and how geography affects them and others. Students will develop their map and spatial skills, learn how to answer text- and photo-dependent questions, and study the 5 themes of geography. Each week covers a particular topic and introduces students to a new place or type of map. The first two weeks consist of a mini-unit that focuses entirely on map skills. For additional units, students will study various places, and how culture and geography are related. With a focus on US states, students will explore various types of maps including physical maps, political maps, topographic maps, thematic maps, climate maps, and various topics including scale, legends, cardinal directions, latitude and longitude, and more. Aligned to state standards and National Geography Standards, this resource includes

Princeton Review knows what it takes to succeed in the classroom and on tests. This book includes strategies that are proven to raise student performance. TPR provides:

- Content review, detailed lessons, and practice exercises modeled after the actual exam
- Test-taking skills and social studies essentials such as using charts and graphs and reading maps
- 2 complete practice OPTs

180 Days of Social Studies for Kindergarten

Perfect for children ages 9 and 10, this workbook develops the further understanding of geography of fourth graders and contains curriculum-aligned exercises on topics including a more detailed look at each continent, physical features, and types of maps, with a focus on different maps of the United States. Level by level, the write-in DK Workbooks: Geography series offers at-home practice that kids actually enjoy--making them ideal supplements to schoolwork. Designed to support curriculum standards, this series is developed with leading educational experts to build confidence and understanding. Each leveled workbook, for children ages 3-9, is packed with activities and challenges, offering the beneficial repetition and cumulative learning that lead to mastery. Fact boxes on each page give a simple overview of the topics being covered, review the basics, and often offer an example of the task at hand. The exercises themselves reinforce key geography topics including map reading, compass directions, continents, countries and states, borders,
