Amateur Theater Handbook

The Methuen Drama Handbook of Theatre History and Historiography is an authoritative guide to contemporary debates and practices in this field. The book covers the key themes and methods that are current in theatre history research, with a particular focus on expanding the object of study to include engagement with theatre and performance practices and the development of theatre histories around the world. Central to the book are eighteen specially commissioned essays by established and emerging scholars from a wide range of international contexts, whose discussion of individual case studies is predicated on their understanding and experience of their 'local' landscape of theatre history. These essays reveal where important work continues to be done in the field and, most valuably, draws on academic contexts beyond the Western academy to expand our knowledge of the exciting directions that such an approach opens up. Prefaced by an introduction tracing the development of the discipline of theatre history and changing historiographical approaches, the Handbook explores current issues pertaining to theatre and performance history research, as well as providing up to date and robust introductions to the methods and historiographic questions being explored by researchers in the field. Featuring a series of essential research tools,

The Musical Director's Handbook

The Complete Idiot's Guide to Amateur Theatricals

New York's Broadway theatre scene has long been viewed as the "top of the heap" in the world theatre community. Taking lessons from the very best, this innovative guide delves into the business side of the renowned industry to explain just how its system functions. For anyone interested in pursuing a career on Broadway, or who wants to grow a theatre in any other part of the world, *The Business of Broadway* offers an in-depth analysis of the infrastructure at the core of successful theatre. Manager/producer Mitch Weiss and actor/writer Perri Gaffney take readers behind the scenes to reveal what the audience—and even the players and many producers—don't know about how Broadway works, describing more than 200 jobs that become available for every show. A variety of performers, producers, managers, and others involved with the Broadway network share valuable personal

experience in interviews discussing what made a show a hit or a miss, and how some of the rules, regulations, and practices that are in place today were pioneered. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Community Theatre Handbook

Long overdue, The Methuen Amateur Theatre Handbook is the essential handbook for anyone involved in amateur dramatics. Keith Arrowsmith guides the reader through the potential pitfalls of putting on a production, from preliminary planning and choosing a play, through stage management, to first night. There are sections on staging a show, group organisation and special performances, covering legal rights and obligations, health and safety, budgeting, copyright law, choosing a venue, stage management and front-of-house, plus a comprehensive reference section. Using personal anecdotes, checklists and clear guidelines, this is a comprehensive and accessible handbook for all aspects of amateur production.

The Guide to Selecting Plays

Carver offers an anecdotal instruction book for aspiring actors, directors, producers, and managers. His clearly enunciated principles apply to all theater productions, at all levels.

Book Bulletin

Part of your job as the costume designer is to be creative and use what materials are available to you to execute the design elements in a production. This book will show you how to use inexpensive materials to create durable products in a short amount of time that are practical and technical. It is written in an easy-to-follow manner and each step is shown with a wide array of illustrations and photographs. From creating armour out of laundry baskets, to detailed tricks to create a prosthetic nose for a witch, this book will show the techniques needed for you to produce end results that are beautiful, economical, and fast to make.

The Costume Technician's Handbook

Let's Put on a Show!

Musicals! is an illustrated sourcebook for total theatre training, emphasizing the director's role in the three main building blocks for mounting a performance: preparation, production, and performance. Boland and Argentini provide a comprehensive step-by-step theatre primer which will prove invaluable to musical directors, teachers, administrators, students, and actors. After the initial decisions are made, specific guidelines in preparing the stage picture, holding auditions and casting, and running the gamut of rehearsals are provided. Lighting, costumes, creating sets and scenery, and safety precautions are also discussed. The musical number and choreography are analyzed and defined, and advice on how to use color and solve multiple scene problems is given. With opening night approaching, a checklist of what must be done is enumerated and explained. The authors provide tips on publicity, running the box office, as well as the do's and don'ts of mounting the show and its final strike. Includes a glossary of theatrical terms, a selected bibliography, and recommended sources for scenic drops, costumes, and lighting equipment.
