Bobby Sands

Eliot wasn't supposed to make it to full term. At thirty weeks into the pregnancy, Matt and Ginny Mooney were told their child had a genetic disease that made his birth unlikely. If their baby lived, it would be for only hours or perhaps a few days. But Eliot was born and lived 99 days. And every one of those days was a gift that would change his family forever. At Eliot's funeral, 99 balloons were released, one for each day of his life on earth. That simple act of remembrance stirred the community and received national attention. Eliot's story has been featured on Oprah and the TODAY show, and a video about his life has been seen by millions on YouTube. And now, Eliot's father, Matt, recounts his family's remarkable journey in *A Story Unfinished*, a chronicle of pain, redemption, and God's goodness even in the darkest days. Book jacket.

An Unfinished Project

O. Henry [RL 8 IL 7-10] A desperate man wanders into a dingy world in search of his strayed lover. Theme: search for love. Also includes *One Thousand Dollars*, *The Voice of the City*, and *The Trimmed Lamp*. 72 pages. Tale Blazers.

The Unfinished World: And Other Stories

"A mining intrigue radiates from Butte, Montana when an inventor and son get engulfed by the Anaconda Copper Mining Company before and during the Great Depression and World War II. Exploitation of mine workers, safety and environmental

issues ensue. The family meets the challenges. The Company ceases." Butte: An Unfinished Story New Book Offers an Intriguing Glimpse into the Mining World Notre Dame, INA mining intrigue radiates from Butte, Montana when an inventor and his son are engulfed by the Anaconda Copper Mining Company upon the introduction of a revolutionary drill bit. Follow this true homespun inspirational account, Butte: An Unfinished Story by Montel Hawkesworth Menting, as the men and their families meet multiple challenges and overcome obstacles in the mining world and make work conditions safer for miners. For many years, the author lived in the mining environment explored in this book. Fifty-three original, interspersed photos illustrate the fascinating inner workings of the mining world and its inhabitants through a fifty-year period of US history. The sources of this book are mainly unpublished documents, letters, and diaries along with newspapers preserved by the authors family over the years. Through this story, readers can learn more about Montana, The Treasure State. Tourists will be interested in viewing the sights mentioned such as the Berkeley Pit and Mining Museum. About the Author Born of illustrious ancestors in Butte, Montana, Montel Hawkesworth Menting, MA, discovered over the years the joys associated with learning, teaching and traveling. Her genealogical research culminated with excursions to forty-five of the United States and over fifty international countries. As a teacher, Montels experience ranged from elementary through graduate school and adult education mostly in the San Francisco Bay Area. Her publications include Generations Have Trod, Have Trod and articles in educational journals and newsletters. Montel currently resides in Indiana.

The Furnished Room

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

The Complete Works of O. Henry: Short Stories, Poems and Letters

Going After Cacciato

One of the first reports to treat the issue of gender in media employment on a global scale and with comparative gender-differentiated statistics across regions. It examines issues relating to women's employment patterns in the media and their position in the decision-making hierarchy.

An Unfinished Story

Seven wonderful stories from one of America's greatest authors.

A Story Unfinished

The Complete Works of O. Henry

Love Unfinished

While some try to get out of prison, Soapy, the only character in O. Henry's short story, tries to get into it. Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to draw the attention of the police. However without any success. Until he hears a magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? "The Cop and the Anthem" is a comical short story with a touch of irony which emphatically presents the lower class and the obstacles man has to face. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

short story-writing

The Things They Carried

Library of Southern Literature: Selected works, with biographical sketches

But Father Peter took no stock in the astrologer. He denounced him openly as a charlatan—a fraud with no valuable knowledge of any kind, or powers beyond those of an ordinary and rather inferior human being, which naturally made the astrologer hate Father Peter and wish to ruin him. It was the astrologer, as we all believed, who originated the story about Father Peter's shocking remark and carried it to the bishop. It was said that Father Peter had made the remark to his niece, Marget, though Marget denied it and implored the bishop to believe her and spare her old uncle from poverty and disgrace. But the bishop wouldn't listen. He suspended Father Peter indefinitely, though he wouldn't go so far as to excommunicate him on the evidence of only one witness; and now Father Peter had been out a couple of years, and our other priest, Father Adolf, had his flock. Those had been hard years for the old priest and Marget. They had been favorites, but of course that changed when they came under the shadow of the bishop's frown. Many of their friends fell away entirely, and the rest became cool and distant.

Selected Stories from O. Henry

The Book News Monthly

Ellipsis in English Literature

William Sydney Porter (1862-1910), known by his pen name O. Henry, was an American writer. O. Henry's short stories are known for their wit, wordplay, warm characterization, and surprise endings. Among his most famous stories, Cabbages and Kings was his first collection of stories, followed by The Four Million.

The Final Unfinished Voyage of Jack Aubrey

Hiding from the world after her husband's death, Tilly Silverberg, who owns a thriving gardening business, returns to England where she embarks on an unlikely relationship with American software developer James Nealy, who, to conquer his darkest fears, needs to plant a garden. Original.

O. Henry Memorial Award Prize Stories

A history of ellipsis marks and their functions in major works of English literature over the past 500 years.

The Unfinished Garden

Unfinished Message

O. Henry

A highly anticipated collection of wildly imaginative short stories from “one of contemporary fiction’s true mad scientists” (Necessary Fiction). In the weird and wonderful tradition of Kelly Link and Karen Russell, Amber Sparks’s dazzling new collection bursts forth with stories that render the apocalyptic and otherworldly hauntingly familiar. In “The Cemetery for Lost Faces,” two orphans translate their grief into taxidermy, artfully arresting the passage of time. The anchoring novella, “The Unfinished World,” unfurls a surprising love story between a free and adventurous young woman and a dashing filmmaker burdened by a mysterious family. Sparks’s stories—populated with sculptors, librarians, astronauts, and warriors—form a veritable cabinet of curiosities. Mythical, bizarre, and deeply moving, *The Unfinished World and Other Stories* heralds the arrival of a major writer and illuminates the search for a brief encounter with the extraordinary.

The Methodist Review Quarterly

A CLASSIC FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF THE THINGS THEY CARRIED "To call *Going After Cacciato* a novel about war is like calling *Moby-Dick* a novel about whales." So wrote The New York Times of Tim O'Brien's now classic novel of Vietnam. Winner of the 1979 National Book Award, *Going After Cacciato* captures the peculiar mixture of horror and hallucination that marked this strangest of wars. In a blend of reality and fantasy, this novel tells the story of a young soldier who one day lays down his rifle and sets off on a quixotic journey from the jungles of Indochina to the streets of Paris. In its memorable evocation of men both fleeing from and meeting the demands of battle, *Going After Cacciato* stands as much more than just a great war novel. Ultimately it's about the forces of fear and heroism that do battle in the hearts of us all. Now with Extra Libris material, including a reader's guide and bonus content

The Unfinished Story

An Unfinished Season

Class struggle and family tensions explode in this novel of life in a Chicago suburb in the 1950s, as a teenager watches his father's psyche crumble in the wake of union problems and marital difficulties. 17,500 first printing.

Like Clockwork - an Unfinished Story

The Mysterious Stranger

The sixteen tales in Unfinished Stories of Girls are framed by the quiet yet violent towns, fields, and riverbeds of Maryland's Eastern Shore. The reader is invited inside the lives of people who are trying to figure out the gleaming, marshy world. A girl in the tiny town of Cordova believes she is receiving holy instructions to save men through sex. An Oxford housekeeper serves time in prison for forging employers' signatures. A jewelry clerk and an undercover cop from Cambridge live in a doomed TV marriage. The tidewater community stewes in its guilt over a hit-and-run accident that leaves a child dead. In this extraordinarily powerful debut collection, each character's deep love of the region shines. But the landscape continually shifts around them: giving so much, and taking so much away.

Stories by O. Henry

Born in Oakland, California, in 1910, the young Toshio Mori dreamed of being an artist, a Buddhist missionary, and a baseball player. Instead, he grew flowers in the family nursery business, and -- influenced by contemporaries such as Sherwood Anderson and Ernest Hemingway -- produced a body of extraordinary fiction. Unfinished Message includes fifteen stories, a novella, correspondence, and an interview with Toshio Mori.

Unfinished Stories of Girls

O Henry's finest stories is a showcase for the sheer variety of one of America's best-loved short story writers. They are marked by coincidence and surprise endings as well as compassion and high humour.

O. Henry

Alex O'Connor April 19, 1963 - December 30, 2016 I wish to be remembered as a loving person, especially by my husband,

family, and friends. I want to be thought of as a lover of animals. Picture me riding horses or training dogs. I want to be recalled as a good friend, the kind of friend who would drop everything to help you. I will still be there in spirit. I hope to be regarded as a good artist. I intend my art to bring smiles to peoples' faces long after I am gone. I wish to have people enjoy the colors and the expressions of the animals I painted. I expect to be recognized for my analytical mind. I will certainly be remembered as the font of useless information. I aspire to be honored as an advocate for MS and health care. I desire to be remembered as a person who had no regrets. When friends and family think of me, they think of a person who has lived my life to the fullest. I hope those I love recall I did not wait to do the things I wanted to do. I expect to be remembered for my sense of humor. I want people to think of me laughing. Think of me whenever you hear a bad pun. I wish to be recognized as a sensitive person who cried at movies. I was a person who was close to many animals. Most of all, think about me and Polly my service dog. I also want to be thought of as a lover of humanity. I expect to be remembered as a singer of old ballads and a lover of music. Whenever you hear a Scottish or Irish ballad think on me. My favorite is Anachie Gordon sung by Mary Black. Recall my favorite Bluegrass piece Soldier's Joy. I want to be remembered for mindfulness. Please read some Thicht Nhat Hahn for me. I will not have gone, I will have just changed forms. I am a part of all of you, as you are a part of me as long as you remember me.

The Complete O. Henry Short Stories (Rolling Stones + Cabbages and Kings + Options + Roads of Destiny + The Four Million + The Trimmed Lamp + The Voice of the City + Whirligigs and more)

This carefully crafted ebook: "The Complete O. Henry Short Stories (Rolling Stones + Cabbages and Kings + Options + Roads of Destiny + The Four Million + The Trimmed Lamp + The Voice of the City + Whirligigs and more)" is formatted for your eReader with a functional and detailed table of contents. William Sydney Porter (1862-1910), known by his pen name O. Henry, was an American writer. O. Henry's short stories are known for their wit, wordplay, warm characterization, and surprise endings. Most of O. Henry's stories are set in his own time, the early 20th century. Many take place in New York City and deal for the most part with ordinary people: clerks, policemen, waitresses, etc. O. Henry's work is wide-ranging, and his characters can be found roaming the cattle-lands of Texas, exploring the art of the con-man, or investigating the tensions of class and wealth in turn-of-the-century New York. O. Henry had an inimitable hand for isolating some element of society and describing it with an incredible economy and grace of language. Some of his best and least-known work is contained in Cabbages and Kings, a series of stories each of which explores some individual aspect of life in a paralytically sleepy Central American town, while advancing some aspect of the larger plot and relating back one to another.

The Black Panthers

A poignant survey of the way America honors fallen soldiers, based on the author's Pulitzer Prize-winning story by the same name, follows the experiences of a Marine major whose duties include casualty notification, a responsibility involving unexpected and untrained acts of compassion.

My Friend O. Henry

This is the best-selling biography of the IRA resistance fighter and hunger-striker, Bobby Sands. In this updated, new edition, Denis O'Hearn draws from a wealth of interviews with friends, comrades, fellow prisoners and prison wardens, to provide a faithful and shocking insight into life in Northern Ireland's H-Block prisons, an exploration of the motivations and thoughts of the Republican strikers and the story of one of the world's most radical, inspirational figures. Following his journey from its very beginnings - an ordinary boy from a working-class background in Belfast to a highly politicised, articulate revolutionary whose death in HM Prison Maze sent reverberations around the world, Bobby Sands: Nothing But An Unfinished Song captures the atmosphere of the time and the vibrancy of the man: a militant anti-imperialist who held on to his humanity despite living through a bitter, ugly struggle.

The Cop and the Anthem

Love Unfinished Revised Edition (Nov 2012) Soul mates from the past leave their love unfinished when a tragic car accident ends their lives on their wedding day. Yet they are destined to meet again to fulfill that love in new incarnations, leading vastly different lives. Emma thought she chose the right path in life, but too late does she realize her mistake when her husband reveals the monster behind the smile. Their happily ever after - is a lie. Trapped in a broken marriage to a powerful, abusive man, Emma knows this is not the life she was meant to live. As her hope for real love withers, she meets James, her love from a lifetime ago. Emma cannot deny the connection pulling them together, but her courage to abandon her marriage wavers, and unknowingly puts her life at risk. Are Emma and James fated to fulfill their love, or will they once again, leave love unfinished?

Final Salute

Includes facsimile of the manuscript.

Butte: an Unfinished Story

As part of an online project on short stories, East of the Web presents the full text of "An Unfinished Story." This short story

was written by the American author William Sydney Porter (1862-1910), whose pseudonym was O. Henry.

An Unfinished Song

100 Selected Stories

The Three Strangers

"Brilliant, painful, enlightening, tearful, tragic, sad, and funny, this photo-essay book is at its core about healing, and about the social justice work that still needs to be done in the era of hip-hop, Black Lives Matter, and the historic presidency of Barack Obama." -- Kevin Powell, author of *The Education of Kevin Powell: A Boy's Journey into Manhood* "A brilliantly conceived volume. Bryan Shih and Yohuru Williams demonstrate why the Panthers' story-its lessons and failures-even fifty years after its founding remains key to understanding national and international struggles for freedom and justice today." -- Cheryl Finley, professor and director of visual studies, Cornell University Even fifty years after it was founded, the Black Panther Party remains one of the most misunderstood political organizations of the twentieth century. But beyond the labels of "extremist" and "violent" that have marked the party, and beyond charismatic leaders like Huey Newton, Bobby Seale, and Eldridge Cleaver, were the ordinary men and women who made up the Panther rank and file. In *The Black Panthers*, photojournalist Bryan Shih and historian Yohuru Williams offer a reappraisal of the party's history and legacy. Through stunning portraits and interviews with surviving Panthers, as well as illuminating essays by leading scholars, *The Black Panthers* reveals party members' grit and battle scars-and the undying love for the people that kept them going.
