Change-up

The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep." Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and

cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

Tears of a Tiger

An enchanting assortment of nighttime poetry for children combines traditional lullabies from around the world with other favorites by Shakespeare, Langston Hughes, Walter de la Mare, T. S. Eliot, Lewis Carrol, Edward Lear, and Ogden Nash. 20,000 first printing.

Twinkle, Twinkle, Little Star

Neighbors gather on a hot summer day for a joyful block party: Kids play double Dutch; men debate at the barber shop and play chess; mothers and aunts cook up oxtail stew, collard greens, and other delicious treats; and friends dance and sway as jazz floats through the streets. A rhythmic tale that celebrates the diversity of a close-knit community, *Around Our Way on Neighbors' Day* will excite readers and prompt them to discover the magic of their own special surroundings.

Party Ideas : Give Someone THE BEST

DAY of Their Life : Reward Yourself By Rewarding Others

A story of childhood and watching children grow up and how the years fly by too fast.

Bridesmaid on a Budget

Make the Most of Your Time with Your Children On the day of their baby dedication, Eryn and her husband were given a jar of 936 pennies. The jar contained a penny for every week they would raise their child until graduation, and they were instructed to remove one penny each Sunday as a reminder, placing it into another jar as an investment. At some point every parent realizes time is moving swiftly, and they ask themselves, How am I investing in my child? Through personal stories and biblical examples, 936 Pennies will help you discover how to capture time and use it to its fullest potential, replacing guilt and regrets with freedom. Meanwhile, your kids will see how simple choices, like putting the cell phone down and going on a family hike, will make all the difference. Together you will stretch time and make it richer. Craft a family legacy in tune with God's heartbeat as you capture a new vision for your children and learn the best ways to spend your pennies.

Go the Fk to Sleep**

A cadet encounters hazing and racism at an elite military academy in this novel from the #1 New York Times–bestselling author of *The Prince of Tides*. As Will McLean begins his studies at the Carolina Military Institute, the American South is in turmoil over desegregation. An outsider to the harsh authoritarianism of the military, Will survives the school’s notorious freshman hazing, and avoids attention from its fabled and menacing secret society, the Ten. But when he is asked to mentor the school’s first black student, Will is drawn into the intense racial politics—and the threat of violence—simmering beneath the surface. Based on Conroy’s own military school experience and featuring his lush prose and richly drawn characters, *The Lords of Discipline* is a powerful story of a young man’s stand for justice and the friendship, love, and courage he finds along the way.

Flamingos, Poodle Skirts & Red Hots: Creative Theme Party Ideas

Bronwen Wallace was recognized in the last decade of her short life as a major Canadian poet and a significant figure in the growth of the feminist movement. The author of five collections of poetry and a book of short fiction, most of which have been out of print for decades, Wallace worked in a range of poetic styles in a voice as intimate as a conversation between friends. Offering the full breadth of this celebrated poet's output in a single, long-awaited volume, *Collected Poems of Bronwen Wallace* brings the text of all five published collections back into print alongside unpublished poems from earlier in her career, allowing readers to see the stylistic evolution of her poetry from its first incarnation to her last written work. In an engaging and often moving tone, the poems draw the reader in even as they document the poet honing her craft during the turbulent 1970s and reveal her fascination with the politics of the personal, the everyday concerns of ordinary people, and inequality and violence. Carolyn Smart's introduction and notes supplement the collection, along with a bibliography that catalogues the scholarly and literary responses to Wallace's work for the first time. An exhilarating reading experience, *Collected Poems of Bronwen Wallace* celebrates the

clarity, humour, righteous anger, and inclusivity of Wallace's poetry, which remains timely and original thirty years after her death.

Bridesmaids today face an average expense of more than \$3,000 when they accept the invitation to be in a bridal party. Add in the cost of travel and lodging—which is increasingly becoming necessary, with the growing popularity of destination weddings—and that \$3,000 climbs to an even higher price tag. It's hard to say no when a friend asks you to be a part of their wedding, but in this economy, most bridesmaids just don't have the money to participate—not without ending up with a handful of maxed-out credit cards and a whole lot of resentment, anyway. In *Bridesmaid on a Budget*, Sharon Naylor—the author of multiple best-selling budgeting books for brides—offers women advice on how to beat the system. Naylor gives tips on where to find the best, most affordable dresses and accessories; planning fantastic (but low-cost) showers and bachelorette parties; giving a great wedding gift without emptying your pocketbook; minimizing the extra expenses of a destination wedding; and more. For the almost 10 million women per year who become one, *Bridesmaid on a Budget* is an indispensable guide to being a brilliant bridesmaid—without breaking the bank.
