The greatest small engines in the world are manufactured by Briggs & Stratton. From the informal partnership Stephen F. Briggs and Harold M. Stratton formed in 1908, Briggs & Stratton has evolved into an industry leader whose name is synonymous with the lawn mower engines it pioneered. The Legend of Briggs & Stratton, 208 pages, is filled with 125 color and 145 black & white images chronicling Briggs & Stratton's fascinating history.

Brittle Bones, Stout Hearts and Minds is written for patients with Osteogenesis Imperfecta (OI), their families and those who treat them including physicians, nurses, social workers, genetics counselors, and other persons with interests in

differing kinds of physical disabilities. The book chronicles life experiences, coping patterns, and strategies for daily living of adults with OI, through personal accounts of medical experiences, education, economics, physical intimacy, dating, marriage, and general lifestyle issues. There are no other comparable books that deal with psychosocial issues of adults with OI.
