PETERBILT 378 Trucks For Sale - 223 Listings | TruckPaper

If let's say I brought a new truck today and I decided to swap the engine out for a new C15 or C18 engine, what would need to be changed besides putting in the new engine? Would the engine mounts need to be changed? Can you install compression brakes (Jake Brakes) on today's C15's or C18's (as they're actually off-highway engines)?
