The Startup Playbook

Sally Hogshead believes the greatest value you can add is to become more of yourself. Hogshead rose to the top of the advertising profession in her early 20s, writing ads that fascinated millions of consumers. Over the course of her ad career, Sally won hundreds of awards for creativity, copywriting, and branding, and was one of the most awarded advertising copywriters right from start of career, including almost every major international advertising award. She frequently appears in national media including NBC's Today Show and the New York Times. Hogshead was recently inducted into the Speaker Hall of Fame, the industry's highest award for professional excellence. Her advertising work hangs in the Smithsonian Museum of American History. The science of fascination is based on Hogshead's decade of research with 250,000 participants, including dozens of Fortune 500 teams, hundreds of small businesses, and over a thousand C-level executives.

The 48 Laws of Power

Content, in all its forms, is the single most critical element of any marketing campaign. Finding a successful equilibrium between content marketing and content strategy is difficult, but essential. Content

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

- The Atomic Particle of Marketing goes beyond superficial descriptions of how to produce engaging social media content to offer the results of many years of deep quantitative research, and hours of interviews with senior marketers at some of the world's leading brands. Written by a recognised industry thought-leader, Content - The Atomic Particle of Marketing explores how content functions in the broader framework of all marketing, as well as organizational concerns and IT decision making. It demonstrates the value content brings not only to "owned" media initiatives, such as a company website or blog, but also the essential role content plays in all other marketing initiatives, from social media to advertising to offline channels. It will enable readers to make the organizational, staffing, tools and process decisions necessary to get content up and running across divisions and organizational silos. Deeply researched and insightful, Content - The Atomic Particle of Marketing is, quite simply, the definitive research-based guide to content marketing.

Starting an Online Business All-in-One For Dummies

"One is tempted to say 'the only book you'll need on starting a business.' Brilliant! Genius! Choose your superlative-it'll fit."-Tom Peters People starting out in business tend to seek step-by-step formulas or rules, but in reality there are no magic bullets. Rather, says veteran company-builder Norm Brodsky, there's a mentality that helps street-smart entrepreneurs solve problems and pursue opportunities as they arise.

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

Brodsky shares his hard-earned wisdom every month in Inc. magazine, in the hugely popular "Street Smarts" column he cowrites with Bo Burlingham. Now they've adapted their best advice into a comprehensive guide for anyone running a small business.

The Content Advantage (Clout 2.0)

Outlines the managerial decisions and leadership goals that guide a startup business to success, and provides tips and advice from the founders of such companies as Spanx, Zipcar, Flickr, Honest Tea, and LinkedIn.

Get Content. Get Customers

Carlos Hidalgo provides a clear roadmap and framework on how B2B organizations can implement change management and transform their Demand Generation. Case studies and excerpts from B2B marketing practitioners and ANNUITAS clients who have transformed their organizations and how they accomplished this change are incorporated throughout the book.

Top of Mind: Use Content to Unleash Your Influence and Engage Those Who Matter To You

The essential roadmap for the new realities of selling when buyers are in charge Sales and service are being radically redefined by the biggest

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

communications revolution in human history. Today buyers are in charge! There is no more 'selling'—there is only buying. When potential customers have near perfect information on the web, it means salespeople must transform from authority to consultant, product narratives must tell a story, and businesses must be agile enough to respond before opportunity is lost. The New Rules of Sales and Service demystifies the new digital commercial landscape and shows you how to stay ahead of the pack. Companies large and small are revolutionizing the way business gets done, and this book takes you inside the new methods and strategies that are critical to success in the modern market. Real-world examples illustrate the new marketplace in action, and demonstrate the brilliant utility of taking a new look at your customer and your business. This new edition has been updated to reflect the current reality of this rapidly-evolving sphere, with fresh strategies, new tools, and new stories. Whether you're an independent contractor, a multi-national corporation, a start-up, or a nonprofit, this book is your essential guide to navigating the new digital marketplace. David Meerman Scott provides up-to-the-minute analysis of the current state of the digital commercial landscape, plus expert guidance toward the concepts, strategies, and tools that every business needs now. Among the topics covered in detail: Why the old rules of sales and service no longer work in an always-on world The new sales cycle and how informative Web content drives the buying process Providing agile, real-time sales and service 24/7 without letting it rule your life The importance of defining and understanding the buyer personas How agile customer service retains existing

clients and expands new business Why content-rich websites motivate interest, establish authority, and drive sales How social media is transforming the role of salesperson into valued consultant Because buyers are better informed, and come armed with more choices and opportunities than ever before, everything about sales has changed. Salespeople must adapt because the digital economy has turned the old model on its head, and those who don't keep up will be left behind. The New Rules of Sales and Service is required reading for anyone wanting to stay ahead of the game and grow business now.

Managing Content Marketing: The Real-World Guide for Creating Passionate Subscribers to Your Brand

Reach more customers than ever with TARGETED CONTENT Epic Content Marketing helps you develop strategies that seize the competitive edge by creating messages and “stories” tailored for instant, widespread distribution on social media, Google, and the mainstream press. It provides a step-by-step plan for developing powerful content that resonates with customers and describes best practices for social media sharing and search engine discoverability. Joe Pulizzi is a content marketing strategist, speaker and founder of the Content Marketing Institute, which runs the largest physical content marketing event in North America, Content Marketing World.

Measuring Entrepreneurial Businesses

Measuring Entrepreneurial Businesses: Current Knowledge and Challenges brings together an unprecedented group of economists, data providers, and data analysts to discuss research on the state of entrepreneurship and to address the challenges in understanding this dynamic part of the economy. Each chapter addresses the challenges of measuring entrepreneurship and how entrepreneurial firms contribute to economies and standards of living. The book also investigates heterogeneity in entrepreneurs, challenges experienced by entrepreneurs over time, and how much less we know than we think about entrepreneurship given data limitations. This volume will be a groundbreaking first serious look into entrepreneurship in the NBER's Income and Wealth series.

How the World Sees You

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Social Content Marketing for Entrepreneurs

Named one of the best books of 2013 by the 'Financial Times', 'Huffington Post' and 'Forbes', this debate-shifting book debunks the myth of the State as a static bureaucratic organization only needed to 'fix' market failures, leaving dynamic entrepreneurship and innovation to the private sector. Case studies ranging from the innovations that make the iPhone so 'smart' to the current developments in clean technology reveal the reality, whereby the private sector only invests after the entrepreneurial State has made the bold, high-risk investments.

The Lean Startup

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

Killing your current marketing structure may be the only way to save it! Two of the world's top marketing experts reveal the next level of breakthrough success—transforming your marketing strategy into a standalone profit center. What if everything we currently know about marketing is what is holding us back? Over the last two decades, we've watched the entire world change the way it buys and stays loyal to brands. But, marketing departments are still operating in the same, campaign-centric, product-led operation that they have been following for 75 years. The most innovative companies around the world have achieved remarkable marketing results by fundamentally changing their approach. By creating value for customers through the use of owned media and the savvy use of content, these businesses have dramatically increased customer loyalty and revenue. Some of them have even taken it to the next step and developed a marketing function that actually pays for itself. Killing Marketing explores how these companies are ending the marketing as we know it—in favor of this new, exciting model. Killing Marketing provides the insight, approaches, and examples you need to understand these disruptive forces in ways that turn your marketing from cost center to revenue creator. This book builds the case for, literally, transforming the purpose of marketing within your organization. Joe Pulizzi and Robert Rose of the Content Marketing Institute show how leading companies are able sell the very content that propels their marketing strategy. You'll learn how to:

- * Transform all or part of your marketing operation into a media company
- * Integrate this new operation into traditional marketing efforts
- * Develop best practices for attracting and

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

retaining audiences * Build a strategy for competing against traditional media companies * Create a paid/earned media strategy fueled by an owned media strategy Red Bull, Johnson & Johnson, Disney and Arrow Electronics have succeeded in what ten years ago would have been deemed impossible. They continue to market their products as they always have, and, through their content-driven and audience-building initiatives, they drive value outside the day-to-day products they sell—and monetize it directly. Killing Marketing rewrites the rules of marketing—enabling you to make the kind of transition that turns average companies into industry legends.

Content Inc

In *The Content Advantage (Clout 2.0): The Science of Succeeding at Digital Business Through Effective Content*, expert Colleen Jones argues that in the age of digital disruption, your company faces an important choice. The choice is not whether to do content. Every business function—from marketing to sales and from support to recruiting—demands content. The choice is whether to make your approach to content strategic and, consequently, an advantage. This book, which is the second edition of the pioneering content book *Clout*, offers a modernized and comprehensive approach for planning, creating, delivering, and optimizing content that will make your business thrive. Executives and practitioners alike will find value in this book as they face increasing pressure to deliver the right content to the right customers at the

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

right time. Drawing on her in-the-trenches experience with organizations ranging from the Fortune 50 to small and medium businesses to government and nonprofits, Jones offers: Guidance on creating a content vision A primer on conducting content analysis Techniques for developing a competitive content strategy Elements and principles of effective, influential content A blueprint for developing content intelligence A maturity model for content operations Examples from diverse companies and contexts

Marketing for Entrepreneurs

Can a woman like me, with just the spark of an idea, actually start a business and make money? Can I have a meaningful career that fits into my life, instead of fitting my life into the cracks of my work schedule? If you're asking these questions, you've come to the right place —and the answer is a resounding YES! Sage Lavine is the CEO of Women Rocking Business, a consulting and coaching organization that has helped nearly 100,000 aspiring women entrepreneurs around the globe to build businesses that change the world. Her revolutionary approach is based on honoring innate feminine values: we become thriving entrepreneurs by empowering others rather than having power over them, working in a spirit of collaboration rather than competition, and prioritizing contribution rather than gain. In this book, Sage gives you the road map that has guided thousands of her clients —professional women in fields from health care to manufacturing to consulting, from therapists and artists to yoga teachers and real estate agents

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

—to build their own successful and sustainable businesses on their own terms. You'll learn how to:

- Identify your gift to the world
- Heal your relationship with money
- Build a support network of entrepreneurial sisters
- Plan winning strategies for marketing, sales, and service
- Achieve success by working just 12 days a month (yes, it's true!)
- And much more

Filled with real-life case studies, integration exercises, and practical advice on every aspect of entrepreneurship, *Women Rocking Business* is an answered prayer for any woman who wants to get a business off the ground or take it to the next level. If you're ready to make the difference you were born to make, Sage is ready to show you the way. You've got this!

Content Inc.: How Entrepreneurs Use Content to Build Massive Audiences and Create Radically Successful Businesses

"Get Content. Get Customers." shows step-by-step how to create and execute a content marketing strategy that works regardless of the size of a company or the type of business.

How to Be a Capitalist Without Any Capital

Outlines a revisionist approach to management while arguing against common perceptions about the inevitability of startup failures, explaining the importance of providing genuinely needed products and services as well as organizing a business that can

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses
adapt to continuous customer feedback.

Entrepreneurial Marketing

Perhaps no function in the business organization has been as fundamentally revolutionized as marketing. The social and mobile Web has completely changed the speed, efficiency, and ease with which consumers can engage with each other and has had a tremendous impact on brands. This new engagement of the consumer with keen awareness of their relationships and emerging social networks now correlates to every single aspect of our business. So, yes, marketing has changed. The question is what are we going to do about it? Content and Subscription: The New Marketing Opportunity As growth of the social and mobile Web changes the methods of communication, the old lines of hierarchical relationships between business and consumer blur substantially. As consumers publish and share their opinions (both good and bad) with increasing ease, they can become more persuasive than even the company's voice itself. Every one of these groups becomes a powerful ally or enemy depending on what we do. All of them will be constantly in flux developing levels of trust and requiring varying levels of transparency to filter content and determine buying decisions. They will expand and collapse with great velocity, and it will all happen with or without our participation. Content marketing has been around for hundreds of years. But the application of a specific strategic process around content marketing is still new. The amount of budget that is allotted for new

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

content creation is going to become a significant part of your "new media" budget. And subject matter experts in the organization are going to have new responsibilities. It's a transformative new process and it won't happen overnight. But it can, and should, happen. Get Content Get Customers showed us the light but there's been no book to show us the way. There is an ancient Chinese proverb that says a "crisis" is simply an "opportunity riding the dangerous wind." As marketers we now have the opportunity to develop new processes with our marketing strategy, power them with content, and ultimately keep that wind at our back. Successful programs will focus on creating a thoughtful strategy and process to foster this content marketing. This book is a detailed "how-to" to build that successful content marketing process.

The Entrepreneurial State

The story of death in a small town, the lies that covered them up, and a conspiracy that brought one man to his knees Will Pollitt just successfully delivered the business pitch of his life -- a win he desperately needs. At the same moment 50 miles away, Will's father is found dead. Coming home gives Will a chance to reconnect with his father's life and work. Yet digging into the past, Will makes a shocking discovery: His hometown neighbors are turning up dead at alarming rates. His father seems not only involved but could he be? one of the lead operatives?

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

Is that why his father is now dead, too? The hunt for the truth jeopardizes Will and everything he loves. And it makes him question not just his father's death, but what it means to truly live.

Startup, Scaleup, Screwup

The NEW Rulebook for Entrepreneurial Success
What's the surest way to startup failure? Follow old, outdated rules. In Content Inc., one of today's most sought-after content-marketing strategists reveals a new model for entrepreneurial success. Simply put, it's about developing valuable content, building an audience around that content, and then creating a product for that audience. Notice a shift? Author Joe Pulizzi flips the traditional entrepreneurial approach of first creating a product and then trying to find customers. It's a brilliant reverse-engineering of a model that rarely succeeds. The radical six-step business-building process revealed in this book is smart, simple, practical, and cost-effective. And best of all, it works. It's a strategy Pulizzi used to build his own successful company, Content Marketing Institute, which has landed on Inc. magazine's list of fastest growing private companies for three years straight. It's also a strategy countless other entrepreneurs use to build their own multi-million dollar companies. Build an audience and you'll be able to sell pretty much anything you want. Today's markets are more dynamic and customers are more fickle than ever before. Why would you put all your eggs in one basket before securing a loyal customer base? Content Inc. shows you how to get customers first and develop

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

products later. It's the best way to build a solid, long-lasting business positioned for today's content-driven world. This is the simple but profoundly successful entrepreneurial approach of one of today's most creative business minds. A pioneer of content marketing, Pulizzi has cracked to code when it comes to the power of content in a world where marketers still hold fast to traditional models that no longer work. In Content Inc., he breaks down the business-startup process into six steps, making it simple for you to visualize, launch, and monetize your own business. These steps are:

- The "Sweet Spot": Identify the intersection of your unique competency and your personal passion
- Content Tilting: Determine how you can "tilt" your sweet spot to find a place where little or no competition exists
- Building the Base: Establish your number-one channel for disseminating content (blog, podcast, YouTube, etc.)
- Harvesting Audience: Use social-media and SEO to convert one-time visitors into long-term subscribers
- Diversification: Grow your business by expanding into multiple delivery channels
- Monetization: Now that your expertise is established, you can begin charging money for your products or services

This model has worked wonders for Pulizzi and countless other examples detailed in the book. Connect these six pieces like a puzzle, and before you know it, you'll be running your own profitable, scalable business. Pulizzi walks you step by step through the process, based on his own success (and failures) and real-world multi-million dollar examples from multiple industries and countries. Whether you're seeking to start a brand-new business or drive innovation in an existing one, Content Inc. provides everything you need to reverse-

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

engineer the traditional entrepreneurial model for better, more sustainable success. Joe Pulizzi is an entrepreneur, professional speaker, and podcaster. He is the founder of several startups, including the Content Marketing Institute (CMI), recognized as the fastest growing business media company by Inc. magazine in 2014. CMI produces Content Marketing World, the world's largest content marketing event, and publishes the leading content marketing magazine, Chief Content Officer. Pulizzi's book Epic Content Marketing was named one of Fortune magazine's Five Must Read Business Books of the Year.

The Story Engine

Instant Wall Street Journal Bestseller! You don't need to be Ivy League educated, have money, be creative, or even have an idea to get rich. You just need to be willing to break the rules. At nineteen, I founded a software company with \$119 in my bank account. Five years later, it was valued at \$10.5 million. I don't consider myself exceptionally brilliant. I just realized something few people know: You don't need lots of money or an original idea to get really rich. Now, I make more than \$100,000 in passive income every month, while also running my own private equity firm and hosting The Top Entrepreneurs podcast, which has more than 10 million downloads. This book will show you how I went from college dropout to member of the New Rich. And I'm holding nothing back. You'll see my tax returns, my profit and loss statements, my email negotiations when buying and selling

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

companies. It's time to forget your grandfather's advice. I'll teach you how to be a modern opportunist--investor, entrepreneur, or side hustler--by breaking these four golden rules of the old guard: 1.Focus on one skill: Wrong. Don't cultivate one great skill to get ahead. In today's business world, success goes to the multitaskers. 2.Be unique: Wrong. The way to get rich is not by launching a new idea but by aggressively copying others and then adding your own twist. 3.Focus on one goal: Wrong. Focus instead on creating a system to produce the outcome you want, not just once, but over and over again. 4.Appeal to the masses: Wrong. The masses are broke (\$4k average net worth in America?). Let others cut a trail through the jungle so you can peacefully walk in and capitalize on their hard work. By rejecting these defunct rules and following my unconventional path, you can copy other people's ideas shamelessly, bootstrap a start-up with almost no funding, invest in small local businesses for huge payoffs, and reap all the benefits.

Artificial Intelligence in Practice

- More than 500 appearances on national bestseller lists
- #1 Wall Street Journal, New York Times, and USA Today
- Won 12 book awards
- Translated into 35 languages
- Voted Top 100 Business Book of All Time on Goodreads

People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are

The ONE Thing

More and more women are starting to feel like there are so many opportunities out there to turn their ideas into a reality, build a successful business, and do what they love. The problem is that they don't really know how to go about it, and so they set off on their entrepreneurial journey and quickly feel out of their depth, overwhelmed, confused, and like they're crazy for even thinking that they could do it. The purpose of this book is to inspire and empower these women to take back control of their mind, their ideas,

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

and businesses, and to provide strategies for them to make it happen. Female entrepreneur Carrie Green will teach you how to- - Learn powerful, but achievable techniques to help you move out of your own way and turn your ideas into a successful business. - Feel inspired, empowered, and fired up, ready to take action on making it happen. - Work on your business and implement important strategies to help you make it a success. This book is full of personal stories, tips, and exercises to inspire you and get you in to action. Honest, realistic and practical, She Means Business speaks to today's creative, ambitious and talented generation of female entrepreneurs, as well as those that wish to join their ranks by following their dreams.

Content Inc.: How Entrepreneurs Use Content to Build Massive Audiences and Create Radically Successful Businesses

Empower Your Business, Your Town, and Your Fellow Citizen to Prosper as Never Before Town Inc. unpacks the deceptively simple link between building a booming business and growing a prosperous town. The secret, it turns out, is to market your town just as passionately as you market your own business. In cities across America, business leaders are telling uniquely compelling stories to lure other businesses and a willing workforce to relocate to their towns. Their towns flourish and their businesses prosper.

The Will to Die

Connect to customers with compelling content! The rules of marketing have changed. Instead of loud claims of product superiority, what customers really want is valuable content that will improve their lives. Get Content Get Customers explains how to develop compelling content and seamlessly deliver it to customers— without interrupting their lives. It's the new way of marketing, and it's the only way to build a loyal, engaged customer base. "Pulizzi and Barrett have taken integrated marketing communications to the next level. . . . Every marketer, large or small, can use this text to build better ongoing customer relationships." —Don Schultz, Professor Emeritus-in-Service, Integrated Marketing Communication, Northwestern University "Deftly navigating the worlds of PR, advertising and marketing, Joe and Newt prove that the real secret to great marketing is not a brilliant tagline, but creating compelling and useful content." —Rohit Bhargava, Senior Vice President of Digital Marketing, Ogilvy 360 Digital Influence, and author of Personality Not Included "Get Content Get Customers provides a play-by-play for any marketer who is serious about breaking away from the pack." —Greg Verdino, Chief Strategy Officer, Crayon, LLC

Content - The Atomic Particle of Marketing

One of the primary reasons most often cited for the failure of a new venture is the entrepreneur's inability to identify and exploit the 'right idea'. This is directly connected to the concepts and principles of marketing, specifically: knowing what to produce and

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

knowing what not to produce. Additionally, even if the entrepreneur has the right idea, many experts cite weak marketing efforts (marketing execution) as another reason for venture failure. Marketing for Entrepreneurs moves beyond the classic 4Ps and demonstrates the application of marketing in an entrepreneurial context. Traditional marketing texts are incapable of addressing marketing concepts directly applicable to the entrepreneur's unique situation. Furthermore, general entrepreneurship books are also not applicable because they tend to focus on management teams or the development of business plans while failing to address critical marketing dimensions.

Get Content Get Customers: Turn Prospects into Buyers with Content Marketing

The NEW Rulebook for Entrepreneurial Success
What's the surest way to startup failure? Follow old, outdated rules. In Content Inc., one of today's most sought-after content-marketing strategists reveals a new model for entrepreneurial success. Simply put, it's about developing valuable content, building an audience around that content, and then creating a product for that audience. Notice a shift? Author Joe Pulizzi flips the traditional entrepreneurial approach of first creating a product and then trying to find customers. It's a brilliant reverse-engineering of a model that rarely succeeds. The radical six-step business-building process revealed in this book is smart, simple, practical, and cost-effective. And best

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

of all, it works. It's a strategy Pulizzi used to build his own successful company, Content Marketing Institute, which has landed on Inc. magazine's list of fastest growing private companies for three years straight. It's also a strategy countless other entrepreneurs use to build their own multi-million dollar companies. Build an audience and you'll be able to sell pretty much anything you want. Today's markets are more dynamic and customers are more fickle than ever before. Why would you put all your eggs in one basket before securing a loyal customer base? Content Inc. shows you how to get customers first and develop products later. It's the best way to build a solid, long-lasting business positioned for today's content-driven world. This is the simple but profoundly successful entrepreneurial approach of one of today's most creative business minds. A pioneer of content marketing, Pulizzi has cracked to code when it comes to the power of content in a world where marketers still hold fast to traditional models that no longer work. In Content Inc., he breaks down the business-startup process into six steps, making it simple for you to visualize, launch, and monetize your own business. These steps are:

- The "Sweet Spot": Identify the intersection of your unique competency and your personal passion
- Content Tilting: Determine how you can "tilt" your sweet spot to find a place where little or no competition exists
- Building the Base: Establish your number-one channel for disseminating content (blog, podcast, YouTube, etc.)
- Harvesting Audience: Use social-media and SEO to convert one-time visitors into long-term subscribers
- Diversification: Grow your business by expanding into multiple delivery channels
- Monetization: Now that

your expertise is established, you can begin charging money for your products or services This model has worked wonders for Pulizzi and countless other examples detailed in the book. Connect these six pieces like a puzzle, and before you know it, you'll be running your own profitable, scalable business. Pulizzi walks you step by step through the process, based on his own success (and failures) and real-world multi-million dollar examples from multiple industries and countries. Whether you're seeking to start a brand-new business or drive innovation in an existing one, Content Inc. provides everything you need to reverse-engineer the traditional entrepreneurial model for better, more sustainable success. Joe Pulizzi is an entrepreneur, professional speaker, and podcaster. He is the founder of several startups, including the Content Marketing Institute (CMI), recognized as the fastest growing business media company by Inc. magazine in 2014. CMI produces Content Marketing World, the world's largest content marketing event, and publishes the leading content marketing magazine, Chief Content Officer. Pulizzi's book Epic Content Marketing was named one of Fortune magazine's Five Must Read Business Books of the Year.

Blog, Inc.

“A masterful and thought-provoking book that has reshaped my understanding of content in the digital landscape.”—Ariel Emanuel, co-CEO, WME | IMG
Harvard Business School Professor of Strategy Bharat Anand presents an incisive new approach to digital

transformation that favors fostering connectivity over focusing exclusively on content. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG

Companies everywhere face two major challenges today: getting noticed and getting paid. To confront these obstacles, Bharat Anand examines a range of businesses around the world, from The New York Times to The Economist, from Chinese Internet giant Tencent to Scandinavian digital trailblazer Schibsted, and from talent management to the future of education. Drawing on these stories and on the latest research in economics, strategy, and marketing, this refreshingly engaging book reveals important lessons, smashes celebrated myths, and reorients strategy. Success for flourishing companies comes not from making the best content but from recognizing how content enables customers' connectivity; it comes not from protecting the value of content at all costs but from unearthing related opportunities close by; and it comes not from mimicking competitors' best practices but from seeing choices as part of a connected whole. Digital change means that everyone today can reach and interact with others directly: We are all in the content business. But that comes with risks that Bharat Anand teaches us how to recognize and navigate. Filled with conversations with key players and in-depth dispatches from the front lines of digital change, *The Content Trap* is an essential new playbook for navigating the turbulent waters in which we find ourselves. Praise for *The Content Trap* "Today, to some extent, every company is a media company, but Anand emphasizes that it's not just about the content you create; it's the connections you make that matter—the platforms and network

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

effects.”—Doug McMillon, CEO, Wal-Mart Stores “The Content Trap is a book filled with stories of businesses, from music companies to magazine publishers, that missed connections and could never escape the narrow views that had brought them past success. But it is also filled with stories of those who made strategic choices to strengthen the links between content and returns in their new master plans. . . . The book is a call to clear thinking and reassessing why things are the way they are.”—The Wall Street Journal

The New Rules of Sales and Service

The difference between helping and selling is just two letters. If you're wondering how to make your products seem more exciting online, you're asking the wrong question. You're not competing for attention only against other similar products. You're competing against your customers' friends and family and viral videos and cute puppies. To win attention these days you must ask a different question: "How can we help?" Jay Baer's Youtility offers a new approach that cuts through the clutter: marketing that is truly, inherently useful. If you sell something, you make a customer today, but if you genuinely help someone, you create a customer for life. From the Hardcover edition.

She Means Business

This book will provide a practical overview of how digital content, social media, and search engine

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

optimization work together in driving website traffic and sales leads. The goal is to educate readers on the new mindset and social technologies required to drive this traffic in a timely and non-intrusive way. Readers will benefit from a comprehensive but succinct overview of how social networking, search friendly blogging, trustworthy content, contextually-targeted online campaigns, and mobile marketing techniques are transforming companies that embrace inbound marketing. Unlike books that cover social media one platform or technology at a time, Social Content Marketing for Entrepreneurs is organized for readers to master elements of strategy in the order of their implementation. In so doing, it will help order the steps of professionals in the midst of launching new digital marketing initiatives as well as students tasked with completing social media marketing plans.

The Startup Way

Entrepreneur and bestselling author of The Lean Startup, Eric Ries reveals how entrepreneurial principles can be used by businesses of all kinds, ranging from established companies to early-stage startups, to grow revenues, drive innovation, and transform themselves into truly modern organizations, poised to take advantage of the enormous opportunities of the twenty-first century. In The Lean Startup, Eric Ries laid out the practices of successful startups – building a minimal viable product, customer-focused and scientific testing based on a build-measure-learn method of continuous

innovation, and deciding whether to persevere or pivot. In *The Startup Way*, he turns his attention to an entirely new group of organizations: established enterprises like iconic multinationals GE and Toyota, tech titans like Amazon and Facebook, and the next generation of Silicon Valley upstarts like Airbnb and Twilio. Drawing on his experiences over the past five years working with these organizations, as well as nonprofits, NGOs, and governments, Ries lays out a system of entrepreneurial management that leads organizations of all sizes and from every industry to sustainable growth and long-term impact. Filled with in-the-field stories, insights, and tools, *The Startup Way* is an essential road map for any organization navigating the uncertain waters of the century ahead.

Town INC.

A game-changing framework for staying top of mind with your audience—from the No. 1 company dominating content marketing What do many successful businesses and leaders have in common? They're the first names that come to mind when people think about their particular industries. How do you achieve this level of trust that influences people to think of you in the right way at the right time? By developing habits and strategies that focus on engaging your audience, creating meaningful relationships, and delivering value consistently, day in and day out. It's the winning approach John Hall used to build Influence & Co. into one of "America's Most Promising Companies," according to Forbes. In this step-by-step guide, he shows you how to use content

Read Book Content Inc How Entrepreneurs Use Content To Build Massive Audiences And Create Radically Successful Businesses

to keep your brand front and center in the minds of decision makers who matter. He reveals:

- how consumer needs and expectations have changed and what this shift means for you
- how to build a helpful, authentic, and consistent brand that serves others just as well as it serves you
- proven methods for using digital content to enrich your target audience's lives in ways that build real, lasting trust

Whether you're a marketing leader engaging an audience of potential customers, a business leader looking to humanize your company brand, or an industry up-and-comer seeking to build influence, maintaining a prominent spot in your audience's minds will increase the likelihood that the moment they need to make a choice, you'll be the first one they call. There's no better way to drive opportunities that result in increased revenue and growth. Business is never "just" business. It's always about relationships. It's always about a human connection. When you're viewed as a valuable, trustworthy partner, the opportunities are endless. Position yourself for success by establishing and developing content-driven relationships that keep you and your brand Top of Mind.
