Business Start-up is a two-level (CEF level A1/A2) Business English course for adults who need English for their work. This new Business English course takes beginners and false beginners from basic English up to the point where they can start preparing for the BEC Preliminary examination. Business Start-up brings reality to the most basic levels of language learning through the use of authentic material, real companies and credible communication scenarios, ensuring that adult learners remain interested and motivated. Communication skills are carefully prioritized, allowing learners to start working in English at the earliest opportunity. To complement the professional English syllabus, the final lesson in each unit deals with a 'Time Out' topic, focusing on essential language for travel and socializing, allowing learners to build important general vocabulary. The Business Start-up Workbooks provide self-study practice of the language from the Student's Books. In addition, the Workbooks come with a free CD-ROM/Audio CD containing extra grammar, listening and vocabulary practice. This version is available in German-

speaking markets only.

In the world we are living in, English has become the common language that people from different countries and cultures can use to communicate with one another. There are many reasons why people would want to learn English, but for a lot of them; It is work-related. Most large companies around the world require their employees to speak English. In some cases, these companies are requiring their workers to only use English at the workplace. English has also been referred to as "the language of business". If you have ambitions to become an international businessman or to work at some bigger companies, it's almost essential that you're able to speak English fluently. From The Intermediate Level to The Advanced Level From my years of teaching, I am confident to say that it is easy for an English learner to go from a beginner English level to an intermediate English level. However, it takes more time to go from an Intermediate level to an advanced English level. A lot of students have studied English for years but still aren't able to speak English on an advanced level. They have tried many methods, attending classes, learning how to pronounce every single word and even getting a private English tutor to improve their spoken English, yet they still have a hard time pronouncing English words correctly or feeling too nervous to speak. The Best Proven Way to Learn and Speak English In this book, Christopher Hill, "THE INTERNATIONAL ESL PROFESSOR " (with 20+ years of experience) will show you powerful unique ways to rapidly improve your spoken English. With topics you already have interest in, you will find out how easy and effortless to learn and speak fluent English. This effective method is simple, yet powerful. You will able to learn and improve your spoken English 3 to 5 times faster compared to the traditional way of learning. Inside This Black Book, You will Discover: - The 3 Golden Rules of Speaking Fluent English - The Power of Immersion - The Process of Shadowing - How Intensive Listening works - The Best Accent Reduction Techniques - Bonus Guide: The Secret Method to Become Super Fluent in 21 Days How do you know this book is for me?
