Essential Readings in Canadian Constitutional Politics

The American and English Encyclopædia of Law: Down to Estate

This carefully crafted ebook: "The Essential Writings of Philip Schaff" is formatted for your eReader with a functional and detailed table of contents. "History of the Christian Church" is an eight volume account of Christian history written by Philip Schaff. In this great work Schaff covers the history of Christianity from the time of the apostles to the Reformation period. "The Creeds of Christendom, with a History and Critical Notes" is a three volume set in which Schaff is classifying and

explaining many different statements of belief and articles of faith throughout the Christian history. He deals with the history of the creeds, starting with the Ecumenical creeds, and moving to Greek and Roman creeds, then Old Catholic Union creeds, and finally to the Evangelical creeds and Modern Protestant creeds.

Essential Readings in Canadian Constitutional Politics introduces students, scholars, and practitioners to classic authors and writings on the principles of the Canadian Constitution as well as to select contemporary material. To complement rather than duplicate the state of the field, it deals with the Canadian Charter of Rights and Freedoms and with Canadian mega-constitutional politics in passing only, focusing instead on institutions, federalism, intergovernmental relations, bilingualism and binationalism, the judiciary, minority rights, and constitutional renewal. Many of the selections reverberate well beyond Canada's borders, making this volume an unrivalled resource for anyone interested in constitutional governance and democratic politics in diverse societies.

One of the most admired public figures in Illinois's history, journalist and politician Paul Simon dedicated his life to public service for more than four decades. During his lengthy and productive career, he often used his prolific writings as tools to establish a straightforward dialogue with his constituents. In *The Essential Paul Simon: Timeless Lessons for Today's Politics*, editor John S. Jackson carefully selects the best of Simon's decades of writings, which include newspaper columns, editorials, book chapters, and newsletters—works that, while written to address the challenges of Simon's own era, still resonate with practical wisdom today. Jackson provides an introduction to each chapter, setting Senator Simon's work into the context of its time and emphasizing the connection to today's continuing political questions and conflicts. He also contributes an annotated bibliography covering all of Paul Simon's twenty-two books which will prove to be a handy guide to Simon's publications. While Simon covered a broad spectrum of topics in his written works, his mission throughout the years remained the same: to urge his constituents to study and understand issues that affected their daily lives and to make the complexities of politics accessible to the average citizen. An indispensable volume for voters and politicians alike, *The Essential Paul Simon* compiles some of the most thought-provoking writings from one of the keenest political minds in our nation's history. Years after their publication, Simon's eloquent and energetic conversations continue to provide witty, informative guidance through the maze of American politics and inspire the development of spirited public discussion and debate. Certificate of Excellence from the Illinois State Historical Society, 2013

American English Today

The American and English Encyclopædia of Law: Take to Tickets and fares

The seminal writings of America's leading philosopher, linguist, and political thinker—"the foremost gadfly of our national conscience" (The New York Times). For the past fifty years Noam Chomsky's writings on politics and language have established him as a preeminent public intellectual as well as one of the most original political and social critics of our time.

Among the seminal figures in linguistic theory over the past century, Chomsky has also secured a place among the most influential dissident voice in the United States. Chomsky's many bestselling works—including *Manufacturing Consent*, *Hegemony or Survival*, *Understanding Power*, and *Failed States*—have served as essential touchstones for activists, scholars, and concerned citizens on subjects ranging from the media and intellectual freedom to human rights and war crimes. In particular, Chomsky's scathing critique of the US wars in Vietnam, Central America, and the Middle East have furnished a widely accepted intellectual premise for antiwar movements for nearly four decades. The *Essential Chomsky* assembles the core of his most important writings, including excerpts from his most influential texts over the past half century. Here is an unprecedented, comprehensive overview of the thought that animates “one of the West's most influential intellectuals in the cause of peace” (*The Independent*). “Chomsky ranks with Marx, Shakespeare, and the Bible as one of the ten most quoted sources in the humanities—and is the only writer among them still alive.” —*The Guardian* “Noam Chomsky is one of the most significant challengers of unjust power and delusions; he goes against every assumption about American altruism and humanitarianism.” —Edward Said “A rebel without a pause.” —Bono

Paul Robeson, All-American

Past biographies, histories, and government documents have ignored Alice Paul's contribution to the women's suffrage movement, but this groundbreaking study scrupulously fills the gap in the historical record. Masterfully framed by an analysis of Paul's nonviolent and visual rhetorical strategies, *Alice Paul and the American Suffrage Campaign* narrates the remarkable story of the first person to picket the White House, the first to attempt a national political boycott, the first to burn the president in effigy, and the first to lead a successful campaign of nonviolence. Katherine H. Adams and Michael L. Keene also chronicle other dramatic techniques that Paul deftly used to gain publicity for the suffrage movement. Stunningly woven into the narrative are accounts of many instances in which women were in physical danger. Rather than avoid discussion of Paul's imprisonment, hunger strikes, and forced feeding, the authors divulge the strategies she employed in her campaign. Paul's controversial approach, the authors assert, was essential in changing American attitudes toward suffrage.

Compelling American Conversations: Questions and Quotations for Intermediate American English Language Learners from Chimayo Press helps American immigrants and international students develop their fluency skills and academic vocabulary through conversation exercises. Each chapter includes two sets of conversation questions, vocabulary review, short writing exercises, paraphrasing exercises with proverbs, a discussion activity around pithy quotations, and an online "Search and Share" activity. Focusing on both daily experiences and American culture through proverbs, quotations, and speaking exercises, the materials help intermediate English language learners explore their lives, learn common American sayings and expressions, and develop vital discussion skills. The 15 topical chapters include: Opening Moves; Going Beyond Hello; Making and Breaking Habits; Studying English; Being Yourself; Choosing and Keeping Friends; Playing and Watching Sports; Talking About American Television; Celebrating American Holidays; Being Stylish; Handling Stress; Practicing Job Interviews; Valuing Money and Finding Bargains; Exploring American Cities and Seeing Our World With Photographs. The "Resources and Notes" appendix includes the academic word list, supplemental worksheets, bibliographical references, author biographies and indices to proverbs and quotations. Designed primarily for community college ESL and adult education students, this flexible ESL textbook can be used by high school English language learners (ELL) and intensive English programs. Compelling American Conversations, is the third title in the Compelling Conversations series, most known for the original fluency-focused advanced ESL textbook, Compelling Conversations: Questions and Quotations on Timeless Topics (2006).
