The Collapse of the Soviet Military

"The complete technical manual and troubleshooting guide for motorhomes, travel trailers, fifth wheels, folding campers, truck campers, and vans"--Notes.

Differential Item Functioning

Walker's Manual of Western Corporations

Covering both new and older RV models, a comprehensive manual for RV owners provides detailed guidelines on the care, repair, and maintenance of the RV, with easy-to-follow instructions, detailed diagrams, and helpful illustrations that take readers through preventive maintenance, troubleshooting, and repair techniques for every system in an RV. Original.

The Art of Dying

In his latest book, Calder walks the reader through the repair, maintenance, and setting up of the boat's primary systems, including the electrical system, electronics equipment, generator sets, solar panels, wind and water generators, the engine,

transmission, pumps, steering, waste disposal systems, and more. Destined to become a highly trusted companion aboard all types of boats for years to come.

Woodall's RV Owner's Handbook

A new book to help the dying, their loved ones and their health care workers better understand the dying process and to come to terms with death itself. The Art of Dying is a contemporary version of the medieval Ars Moriendi--a manual on how to achieve a good death. Peter Fenwick is an eminent neuropsychiatrist, academic and expert on disorders of the brain. His most compelling and provocative research has been into the end of life phenomena, including near-death experiences and deathbed visions of the dying person, as well as the experiences of hospice and palliative care workers and relatives of dying people. Dr. Fenwick believes that consciousness may be independent of the brain and so able to survive the death of the brain, a theory which has divided the scientific community. The "problem with death" is deeply rooted in our culture and the social organization of death rituals. Fenwick believes that with serious engagement and through further investigation of these phenomena, he can help change attitudes so that we in the West can face up to death, and embrace it as a significant and sacred part of life. We have become used to believing that we have to shield each other from the idea of death. Fear of death means we view it as something to be fought every step of the way. Aimed at a broad popular readership, The Art of Dying looks at how other cultures have dealt with death and the dying process (The Tibetan "death system", Swedenborg, etc.) and compares this with phenomena reported through recent scientific research. It describes too the experiences of health care workers who are involved with end of life issues who feel that they need a better understanding of the dying process, and more training in how to help their patients die well by overcoming the common barriers to a good death, such as unfinished business and unresolved emotions of guilt or hate. From descriptions of the phenomena encountered by the dying and those around them, to mapping out ways in which we can die a "good death", this book is an excellent basis for helping people come to terms with death.

Silver Palaces

Virtually everyone needs to move something--a car, a lawnmower, straw bales, or boxes--and a trailer is generally the preferred method. This book gives homeowners and mechanics, farmers and modern-day nomads all the information they need to get moving via trailer. From building a chassis to outfitting it to meet your specific needs, The Complete Trailer Handbook provides clearly illustrated step-by-step instructions for putting a trailer of any sort to work: constructing it, using it, finding parts and maintaining it, and, finally, hauling it. The handbook includes useful information on everything from weights to wheels to lighting, making this the ultimate resource on any kind of conveyance, from utility trailers to one-car haulers.

The Complete Trailer Handbook

A celebration of vintage midcentury trailers and the people that love them. This follow-up to the authors' Vintage Camper Trailers focuses on trailer rallies, events where hundreds of vintage trailers aficionados come together to show off their trailers and share their love of the hobby. It features hundreds of new photos of trailerites and their trailers, along with the fun and festivities that occur at the rallies. Also included are a history of camper trailers, along with information on the major trailer hobby groups, such as Tin Can Tourists, the Wally Byam Airstream Club, and Sisters on the Fly, and tips on how to plan and organize your own rallies and events, based on the authors' own first-hand experience.

The RV Handbook

When first published, Marshall McLuhan's Understanding Media made history with its radical view of the effects of electronic communications upon man and life in the twentieth century.

Three in Death

She almost caught him once. Now, he's back. For three years, Investigator Cassie Dewell has been on a hunt for a serial killer known as the Lizard King whose hunting grounds are the highways and truck stops where runaways and prostitutes are most likely to vanish. Cassie almost caught him once. Working for the Bakken County, North Dakota sheriff's department, Cassie has set what she believes is the perfect trap and she has lured him and his truck to a depot. But the plan goes horribly wrong, and the blame falls on Cassie. Disgraced, she loses her job and investigation into her role is put into motion. At the same time, Kyle Westergaard, a troubled kid whom Cassie has taken under her wing, has disappeared after telling people that he's going off on a long-planned adventure. Kyle's grandmother begs Cassie to find him and, with nothing else to do, Cassie agrees—all the while hunting the truck driver. Now Cassie is a lone wolf. And in the same way that two streams converge into a river, Kyle's disappearance may have a more sinister meaning than anyone realizes. With no allies, no support, and only her own wits to rely on, Cassie must take down a killer who is as ruthless as he is cunning. But can she do it alone, without losing her own humanity or her own life? Paradise Valley continues the Highway Quartet series from bestselling author C. J. Box.

Vintage Camper Trailers

Vintage camper trailers are a unique symbol of midcentury America that resonates with many people. This book introduces many of those people, along with the trailers they've lovingly maintained or restored. It includes hundreds of photographs

of everything from fancy and comfortable trailers designed for glamping (glamorous camping), to trailers handed down through families across generations, and even entrepreneurs who have transformed their trailers into vending booths. Paul Lacitinola enjoys everything about vintage camper trailers, including rescuing, restoring, and rallying. In 2011, he began publishing the first U.S.-based magazine for collectors, restorers, and admirers of American-made camper trailers, Vintage Camper Trailers, which now has thousands of subscribers in more than a dozen different countries. He lives in Elverta, California.

The Wheel and I

Trailer Life's RV Repair & Maintenance Manual

The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

Composite Horsemanship Manual

A complete reference book rating brands & models of motor homes, travel trailer coaches, travel trailer fifth wheels, fold-down trailers & slide-in campers. Models sorted by brand, type, length & use classification (vacation, RV trekking, snowbird, full-time) & are rated by highway safety, durability & value. The safety rating represents the average handling characteristics of the RV when traveling on the highway & its ability to respond to driver commands. Weight, size, payload & wheelbase are primary factors for motor homes. The durability rating is based upon the number of defects found in any particular brand. The value rating is based on the depreciation factor. Star ratings included. Easy-to-read information in chart-like fashion. Includes extensive glossary. 8-1/2 x 11 perfect bound. 480 pages, soft cover. RV Consumer Group is a nonprofit organization, not affiliated with the RV industry. Prepaid orders 40% discount plus \$6 s/h. Order from RV Consumer Group, PO Box 520, Quilcene, WA 98376; 800-405-3325 or 360-765-3846, Fax: 360-765-3233; e-mail: orders@rv.org; website: www.rv.org.

Moody's Industrial Manual

The Rver's Bible is the ultimate guide to living and traveling in a recreational vehicle. From purchasing, maintaining, and driving the rig to navigating the emotional pitfalls of life on the road, this handbook covers all the bases. Now revised and updated, the RVer's Bible keeps you up-to-date with all the new technologies and systems of the 21st century RV.

Cars & Parts

Covering New York, American & regional stock exchanges & international companies.

The Gravedigger's Son

In this text, a United States Army officer and scholar traces the rise and fall of the Soviet military, arguing that it had a far greater impact on Soviet politics and economic development than was perceived in the West. The author asserts that Gorbachev saw that shrinking the military and the military-industrial sector of the economy was essential for fully implementing perestroika and that his efforts to do this led to the dissolution of the Soviet Union. Odom enhances his account with interviews with key factors in the Soviet Union before, during and after the collapse. He describes the condition of the Soviet military during the mid-1980s and explains how it became what it was - its organizational structures, manpower policies, and military-industrial arrangements. He then moves to the events that led to its destruction, taking us to the most secret circles of Soviet policy making, as well as describing the public debates, factional struggles in the new parliament, and street combat as army units tried to repress the political forces unleashed by glasnost.

Light of the Northern Dancers

Survey of Suspension Systems on Vehicles Towing Travel Trailers II. Volume 15. Final Report

Covers all aspects of RV living from selecting the right RV and towing vehicles, to basic maintenance, driving tips, and cooking on the road and includes helpful information on the different types of RVs, new products, and technology, as well as travel tips. Original. 15,000 first printing.

Vintage Camper Trailer Rallies

A dead man's secrets. A girl's forgotten past. The key to both mysteries is buried within three pages torn from a Civil War diary, raising questions that will pit Sandi Beck against a small-town Southern dynasty, a billionaire developer, and her own conflicting desires. As she untangles 150 years of lies, Sandi is faced with a choice - will she pursue the truth at any cost, even if the price is her own life? In a story that could be ripped from today's headlines, this sequel to *Kind Lies* exposes the dark influence of greed and bitterness on the human heart.

Tools for Homesteaders, Gardeners, and Small-scale Farmers

Within the realm of recreation vehicles, there are two types of maintenance: preventive and crisis. It is the goal of the Woodall's RV Owner's Handbook to help you accomplish preventive maintenance in order to avoid needing crisis maintenance on the road. The RV Owner's Handbook covers all the bases: Easy to understand explanations of preventive maintenance tasks; troubleshooting and repair steps regarding all the major systems found on your RV, from plumbing to electrical, from appliances to seasonal maintenance; detailed instructions for working on any brand or type of RV; hundreds of photos and detailed illustrations to make your job simple -- and much more!

Volkswagen EuroVan Repair Manual 1992-1999

Provides technical guidance on how to reduce the risk of flood damages to manufactured homes. Addresses techniques for elevating the manufactured home above anticipated flood levels and for adequately anchoring against flood and wind forces. Also includes "mobile homes." 38 tables, figures and photos.

The Length and Breadth of Maine

John Crean has excelled at so many things in his life - from mischief to race car driving to mobile home building to television chef to Fortune 500 millionaire. John explains the rules he developed to take his company to the top. Recommended by Milton Berle, Buzz Aldrin, Buddy Ebsen, Stan Freberg and Barbara Venezia - all long time friends of the author.

Living the RV Life

Collects three novellas starring Lieutenant Eve Dallas, in which she must attend an off-planet police conference, put an escaped serial killer back in prison, and solve an eighty-five-year-old murder.

Statistics Plain and Simple

Both new and experienced RV owners will find this system-by-system guide indispensable-- Expanded to include up-to-date improvements in technology, accessories, appliances, and systems, and chapters on buying new or used RVs

Interpreters Manual

This straightforward, concise, conversational introduction to statistics presents a plain-and-simple overview of statistics that is sparing in its use of jargon. Readers develop a strong awareness of the interaction between statistical methods and research methods along with a solid working knowledge of basic statistical cautions in research design, an understanding of the concept of significance, and the critical thinking skills necessary to apply these ideas. Available with InfoTrac Student Collections <http://gocengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The RVer's Bible (Revised and Updated)

Whether you're downsizing or thrill-seeking—or anything in between—find out if the RV lifestyle is right for you, and learn how to transition from a life of traditional home-ownership to one on the road. Do you love traveling? Meeting new people and seeing new places? Are you craving a life that feels meaningful and new? The RV lifestyle could be the answer. Both aspirational and practical, *Living the RV Life* is your ultimate guide to living life on the road—for people of all ages looking to downsize, travel, or work on the go. Learn if life in a motor home is right for you, with insightful details on the experiences of full-time RV-ers, tips for how to choose an RV (how big? new or used?), whether to sell your home (and if not, what to do with it), model costs, sample routes and destinations, basic vehicle maintenance, legal and government considerations—and much more! Written in a light and an easy-to-understand style, *Living the RV Life* is your bible to living a mobile life.

The Complete Idiot's Guide to RVing

The first book to focus on the vintage trailer as an object of design retraces the history of this American classic, discussing the role of World War II in trailer design and the impact of RV associations on the emergence of the "streamlined trailer." Original. 15,000 first printing.

RV Electrical Systems: A Basic Guide to Troubleshooting, Repairing and Improvement

Boatowner's Mechanical and Electrical Manual

Fiery aristocrat, Eden Rose, uprooted from her native Scotland, has tended a foundering marriage and failing ranch at the corner of Crazy Woman Creek and the Powder River for a decade. Best friend, backwoods spitfire Maddie True, has her own woes a few miles away: widowed with a passel of young children, and caretaker to her addled father. Abandoned by her

husband during the height of Wyoming Territory's worst drought in history, Eden depends on her inept brother, Aiden, to see her through the coming winter. But when he disappears into the wild Bighorn mountains, she shuns Maddie's fearful cautions, teaming with enigmatic Lakota holy man, Intah, to find her brother before the wicked snow holds them all hostage. "Light of the Northern Dancers is a powerful novel of a woman's journey, thought-provoking and unsettling in its authenticity and unflinching honesty." — Susan Wiggs, NYT Bestselling Romance Author "Half of what happens to us may have reason, the rest is chaos. Robin F. Gainey's second novel, Light of the Northern Dancers, has this brand of existentialism. It's real and it doesn't let go!" — Tom Skerritt, Award Winning Actor, Writer, Director

Armory

Manufactured Home Installation in Flood Hazard Areas

They put golden tinsel on his branches And golden bells And green icicles And silver stars And red and green and blue and purple chains of shining Christmas balls. All alone in an empty field grew a little fir tree. It dreamed of being part of a forest- or part of anything at all. Then one winter day, a man takes the little fir tree away and it finds itself at the center of a little boy's very special celebration. This treasured story by the legendary Margaret Wise Brown has been newly illustrated by award-winning artist Jim LaMarche. Warm, glowing paintings complement the gentle text to capture the true heart of Christmas.

The Little Fir Tree

A Banker's Insights on International Trade

This new edition presents an up-to-date description of differential item functioning. It describes varying procedures for addressing DIF in practical testing contexts. The authors present useful examples and studies of DIF that readers may employ as a guide in their own work. They also cover major statistical packages that can be employed in DIF analysis (e.g., SPSS, SAS, M+, Minitab, and Systat). This text is ideal for the measurement professional or advanced student who deals with educational or psychological assessment. Learn more about "The Little Green Book" - QASS Series! [Click Here](#)

Paradise Valley

The two volumes of this Volkswagen Official Factory Repair Manual present the service and repair information for Volkswagen EuroVan, EuroVan MultiVan (including Weekender), and EuroVan CV Camper (commonly known as the Westfalia camper) models sold in the USA and Canada. Engines covered: * 2.8 Liter VR6 gasoline (engine code AES) * 2.5 Liter 5-cylinder gasoline (engine code AAF, ACU) * 2.4 Liter diesel (engine code AAB) Transmissions covered: * 02B and 02G 5-speed manual transmissions * 098 and 01P 4-speed automatic transmissions

RV Owner's Handbook

"A Digger must not refuse a request from the Dead." —Rule Five of the Gravedigger's Code Ian Fossor is last in a long line of Gravediggers. It's his family's job to bury the dead and then, when Called by the dearly departed, to help settle the worries that linger beyond the grave so spirits can find peace in the Beyond. But Ian doesn't want to help the dead—he wants to be a Healer and help the living. Such a wish is, of course, selfish and impossible. Fossors are Gravediggers. So he reluctantly continues his training under the careful watch of his undead mentor, hoping every day that he's never Called and carefully avoiding the path that leads into the forbidden woods bordering the cemetery. Just as Ian's friend, Fiona, convinces him to talk to his father, they're lured into the woods by a risen corpse that doesn't want to play by the rules. There, the two are captured by a coven of Weavers, dark magic witches who want only two things—to escape the murky woods where they've been banished, and to raise the dead and shift the balance of power back to themselves. Only Ian can stop them. With a little help from his friends. And his long-dead ancestors. Equal parts spooky and melancholy, funny and heartfelt, *The Gravedigger's Son* is a gorgeous debut that will long sit beside Neil Gaiman's *The Graveyard Book* and Jonathan Auxier's *The Night Gardener*.

Kiplinger's Personal Finance

This book answers questions regarding international trade, letters of credit, methods of payment and other international banking issues.

Product Safety & Liability Reporter

This problem-solving reference answers questions such as, "Why do interior lights dim or burn out rapidly" and "Why won't the batteries recharge after a night without electricity?"
