What if Earth possessed a critical element not found on any other planet in the known universe? And what if older, more advanced civilizations on other planets circling other stars had spent millennia searching for it, only to discover it on Earth? What if they were willing to fight over it, even if they turned Earth into a battleground? That's what computer engineer and committed agnostic Steve Kowalski learns when he seeks solace from his personal problems on a remote mountaintop in Colorado. He discovers a badly injured alien who claims he is there to defend Earth against other, unscrupulous aliens who would not hesitate to kill humans or damage the planet to get what they want. No one else on Earth suspects any of this, and in the heat of the moment Steve decides to help his new alien friend defeat those who would harm our planet. Thus begins an adventure that takes Steve hundreds of light years and introduces him to three different alien societies. His immediate priority is to return home to his son and alert Earth to both the jeopardy it faces and the potential wealth and power represented by what only it possesses. But he also finds himself caught up in a search for universal truths that humans have thought and fought over throughout their history. In an orderly universe, why would Earth be the only location where something essential to the existence of life exists in abundance? And what would that imply about Steve's agnosticism? If Earth's great bounty wasn't the result of divine intervention, what else would explain it? Has Steve, in fact, discovered real proof that God exists and humans are His special creation, put here to be the caretakers of life in the galaxy?

## **Superboy**

AN ENTIRE KINGDOM BUILT AROUND A SUPERNATURAL NEED FOR JUSTICE, ENFORCED BY THE WILD HUNT AND THE HOUNDS OF HELL. What would you do if you blundered into a strange world, where all around you was the familiar landscape of the Blue Ridge Mountains of Virginia, but the inhabitants were the long-lived fae, and you the only human? George Talbot Traherne stumbles across the murdered huntsman of the Wild Hunt, and is drafted into finding out who did it. Oh, and assigned the task of taking the huntsman's place with the Hounds of Hell, whether he wants the job or not. The antlered god Cernunnos is the sponsor of this kingdom, and he requires its king to conduct the annual hunt for justice in pursuit of an evil criminal, or else lose his right to the kingship, and possibly end up hunted himself. Success is far from guaranteed, and no human has held the post. George discovers his own blood links to the fae king, and he's determined to try. But Cernunnos himself has a personal role to play, and George will have to sort out just why he's the one who's been chosen for the task. And whether he has any chance of surviving the job. Find out what it's like to live in a world where you can help the Right to prevail, even if it might cost you everything. To Carry the Horn is the first book of The Hounds of Annwn.

Oliver Queen has traveled the world to confront his fate and fully become what he was meant to be-the Green Arrow. But while Ollie was on his journey, things closer to home were falling apart. The crime lord Richard Dragon was able to consolidate the Seattle underworld under his own control. And those who rise up against him, including Green Arrow's allies Naomi, Henry and Diggle, find themselves Dragon's prisoners. Now, Green Arrow has arrived back home to find his city in chaos and his friends under siege. There's only one way this can end-in a direct confrontation between Ollie and Richard Dragon. But that's exactly what Dragon is after and the only way he sees it ending is with the death of Green Arrow. Acclaimed creative team Jeff Lemire (JUSTICE LEAGUE UNITED, THE NEW 52: FUTURE'S END) and Andrea Sorrentino (I, VAMPIRE) wrap their celebrated run with the Emerald Archer's greatest challenge yet! GREEN ARROW: BROKEN collects stories from GREEN ARROW #32-34, GREEN ARROW: FUTURES END #1 and SECRET ORIGINS #4.

## **Justice League of America Vol. 2: Survivors of Evil (The New 52)**

Adventures in Urban Mysticism (AUM) Vol. 1: Rebirth spans a year in the Life of JMAW, a human+being, as he put the pieces together after losing what mattered most to him. Years before, he had been issued a higher calling by a messenger of the spirit after a near-death experience. Despite this, fear crippled him from embodying love, and as a result, his choices created suffering in his life and those he cared about, time and time again. By searching for a more intuitive, natural, and mystical way of being, JMAW found a deeper connection in spirit. He did this by praying for dreams, following signs, interpreting their symbols, and honoring each with a step in faith. Doing this work allowed him to see the sacred reflection of Aloha ke Akua (God is Love), by finally finding that mirror within himself. JMAW was

his fiftieth name day. They find themselves thrown back into a world they thought they had left behind, full of hidden agendas, backstabbers and shady dealings - the royal court. Along with characters of every walk of life, they strive to keep from being swallowed whole by the monsters of the capital. To the far south, Princess Arthena Condavian is heir to the Halfmoon Empire, an ancient civilization rooted in old world customs and corrupt leaders. While her father withers away before her eyes, she works in the shadows to secure her birthright from an overzealous step-mother, bent on placing her own son on the throne. If she's to keep her place, she must draw on all her skills of manipulation and subtlety to remain one step ahead of her countless enemies. Meanwhile, in the shadows, an ominous cult from a time, long forgotten, has resurfaced, sparking chaos and disorder in every corner of the known world. Howell Pendengalle fights tirelessly against their evil tirade, attempting to thwart their nefarious plans to bring about a new age of darkness upon the world. These four characters are just a few of the many twisted by fate. Together, their lives intertwine in a delicate web, where the fate of one, changes the fate of the rest.

Frankenstein; or, The Modern Prometheus is a novel written by Mary Shelley about a creature produced by an unorthodox scientific experiment. Shelley started writing the story when she was nineteen, and the novel was published when she was twenty-one. The first edition was published anonymously in London in 1818. Shelley's name appears on the second edition, published in France in 1823. The original 1818 'Uncensored' Edition of Frankenstein as first published anonymously in 1818. This original version is much more true to the spirit of the author's original intentions than the heavily revised 1831 edition, edited by Shelley, in part, because of pressure to make the story more conservative. Many scholars prefer the 1818 text to the more common 1831 edition. Mary Wollstonecraft Shelley (1797-1851) was an English novelist, short story writer, dramatist, essayist, biographer, and travel writer, best known for her Gothic novel Frankenstein: or, The Modern Prometheus.
