What Do All Christians Believe? For many people, words like doctrine and theology cause their eyes to glaze over, or they find them difficult to understand and struggle to see how they are relevant to daily life. But theology is far from boring—it is the study of God and should lead to awe and wonder as we better understand who God is and what he has done for us. In *Core Christianity*, author, pastor, and theologian Mike Horton tackles the essential and basic beliefs that all Christians share. What is “core” to the Christian faith? In addition to unpacking these beliefs in a way that is easy to understand, Horton shows why they matter to our lives today. This introduction to the basic doctrines of Christianity is a helpful guide by a respected theologian and a popular author, and it includes discussion questions for individual or group use. *Core Christianity* is perfect for those who are new to the faith, as well as those who have an interest in deepening in their understanding of what it means to be a follower of Jesus Christ.

My Life- My Thoughts but Gods Glory

In Volume Four of "It Is The Same Light" series (SGGS pages 601-800), author Daljit Singh Jawa continues to share the beauty of the SGGS with those who have limited familiarity with the language (Gurumukhi), history, or context. The following are some of the comments received on volume 1 of this series. "This translation of Guru Granth Sahib is one of the best English translations in my view, as it is in simple understandable English, each shabad's summary message is given, there is connection between the shabads to reveal continuity of thought process in Guru ji's message. Thanks to S Daljit Singh ji for the great work which will benefit future generations understand Guru Ji's message easily." -Amarjit Singh, M.D., University at Buffalo, Buffalo, New York "A monumental undertaking, reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts. Both its rendition of the original Gurmukhi script, with accompanying English transliteration, and its erudite commentary on each of the Granth's many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general." -Barry Crawford, Ph.D., Washburn University, Topeka, Kansas

Three human civilizations in the galaxy have combined to form the Star Union. The three branches of the human family discover that they share a common interest in the star Deneb. The members of the Star Union possess folktales that are eerily similar despite the distance between the three star systems. Shortly after the union of the three societies, unidentified signals were detected from the Deneb region. An exploratory vessel was sent to investigate the origins of these transmissions. The expedition reported its safe arrival, then vanished. Now, almost a century later, new evidence has surfaced that reopens the concern about the events surrounding the missing expedition. A robotic scout sent to the Deneb star system has suddenly gone silent, so the Star Patrol dispatches a survey vessel to uncover the fate of the scout and the missing explorers. Will this investigation of the mystery in a new area of the galaxy reveal a bright future for the Star Union, or a warning of an impending shared fate?

Where the Gods Are

What if there was a grave oversight in the Bible for centuries, even thousands of years: An oversight so important to its understanding that we have had the wrong interpretation of it since? If you saw in your own Bible a hidden clue as to the exact generation the apocalypse was to happen, would you believe it? And if you found another thing never seen in the Bible by the world till now, which gives fact of "many gods" in the universe only "one" to us, and more importantly, a new God to us-named Father Lord God Almighty Jesus-would you believe your eyes? If you saw in your Bible that your God said he creates evil, and for a test to man would you believe it?

New Light on the Bible and the Holy Land

Salman Rushdie's most ambitious and accomplished novel, sure to be hailed as his masterpiece. At the beginning of this stunning novel, Vina Apsara, a famous and much-loved singer, is caught up in a devastating earthquake and never seen again by human eyes. This is her story, and that of Ormus Cama, the lover who finds, loses, seeks, and again finds her, over and over, throughout his own extraordinary life in music. Their epic romance is narrated by Ormus's childhood friend and Vina's sometime lover, her "back-door man," the photographer Rai, whose astonishing voice, filled with stories, images, myths, anger, wisdom, humor, and love, is perhaps the book's true hero. Telling the story of Ormus and Vina, he finds that he is also revealing his own truths: his human failings, his immortal longings. He is a man caught up in the loves and quarrels of the age's goddesses and gods, but dares to have ambitions of his own. And lives to tell the tale. Around these three, the uncertain world itself is beginning to tremble and break. Cracks and tears have begun to appear in the fabric of the real. There are glimpses of abysses below the surfaces of things. *The Ground Beneath Her Feet* is Salman Rushdie's most gripping novel and his boldest imaginative act, a vision of our shaken, mutating times, an engagement with the whole of what is and what might be, an account of the intimate, flawed encounter between the East and the West, a brilliant remaking of the myth of Orpheus, a novel of high (and low) comedy, high (and low) passions, high (and low) culture. It is a tale of love, death, and rock 'n' roll.

ANT MIAO MIAO & ONE OF GODS FOOT

The issue of how to represent God is a concern both ancient and contemporary. In this wide-ranging and authoritative study, renowned biblical scholar Mark Smith investigates the symbols, meanings, and narratives in the Hebrew Bible, Ugaritic texts, and ancient iconography, which attempt to describe deities in relation to humans. Smith uses a novel approach to show how the Bible depicts God in human and animal forms—and sometimes both together. Mediating between the ancients' theories and the work of modern thinkers, Smith's boldly original work uncovers the foundational understandings of deities and space.

The Works of Roger Hutchinson

Fiction often introduces us to possibilities that redirect how we live. The enjoyment of writing a novel of alternate possibilities for how doomsday predictions might play out stepped into an enormous real life challenge as fictional possibilities were put to the test in reality. The information carried in these scenarios of how survivors overcome themselves to access their original abilities is entertaining; yet for those ready to un-morph into the divinity of all of us, it is a manual for transformation. Ponder whether we are creatures of circumstance or creators of circumstance as you go on a journey of possibilities that might awaken something you didn't know was asleep in you.

A soldier whose name we still remember today... The legend about the greatest superhero to ever walk the Earth continues in Prince of Tyre. Mikhail has a new mission: train the warriors to fight back against the mysterious kidnappings so his adopted village will be safe for Ninsianna and their expected child. But the journey from soldier to general is never easy, especially when the Chief's son undermines his authority. Challenges compound when they learn 'lizard demons' have put a bounty on Mikhail's head. Ninsianna thought her prayers had been answered when a man fell from the heavens and vowed to protect her village. But She-Who-Is is a demanding mistress—not only does she send nightmares of impending evil—but she causes her to view her husband with a pragmatic, and often self-serving eye. Can their marriage survive possession by a goddess? Or will She-Who-Is' power corrupt Ninsianna? Meanwhile in the heavens, rumors of a cure to the Angelic's impending extinction winds its way through the Emperor's desperate armies. Raphael is charged with finding this 'Holy Grail,' unaware that Lucifer barter the solution in a quiet coup d'etat. The Eternal Emperor and Shay'tan are so busy outwitting each other that neither notices Lucifer is a little 'off,' or that an ancient Evil is outmaneuvering them all. A tragic death forces the

Alliance to choose which leader they will follow in an epic, heavens-fracturing showdown. The Eternal Emperor ... or Lucifer? Note: this book is NOT Christian fiction. THE DAWNING OF GODS PEACE

I was going through some bizarre experiences and experiencing sustained witchcraft attacks for about forty-two years. I was not prepared for these bizarre encounters and so didn't understand what was happening. I only felt the pain, hurt, and social ostracism associated with the attacks. God took over my battles; He taught me how to pray in warfare, sustained me in the trial, took over my battles, and uplifted me in sustained victories. The world must hear my story and know that God is alive, the same yesterday, today, and forever, so that someone else somewhere, going through similar unexplained problems would find succor and solutions to their problems. Through these experiences, I explored the linkages of such attacks to the better understanding, management, and treatment of mental health and behavioral problems of today, and the respective roles for churches, parents and individuals.
