LAST BOOK IN THIS SERIES. MORE THAN 900 FIVE STAR REVIEWS FOR SOCIAL MEDIA I just want my Grace back. I want the girl I discovered sending me dirty tweets on Saint Thomas. I want the girl who reluctantly gave in to my charms and let me

boss her around. I want the girl who sent me to my knees and made me imagine what her fairy tale would look like with me in it. I want everything she ever wanted, and I want us to make it happen together. But the media needs more from us. More dirt. More pain. More payment for past transgressions. You can't change the past. And even though Grace is ready to put her demons to bed, mine are just starting to get restless. Because when you've silenced as many enemies as I have, you know that secret won't stay buried forever.

A young girl's astonishing, poignant first look into the turbulent heart of things "I had in my care that summer four dogs, three cats, the Moran kids, Daisy, my eight-year-old cousin, and Flora, the toddler child of a local artist. There was also, for a while, a litter of wild rabbits, three of them, that had been left under our back steps. " Alice McDermott's haunting and enchanting new work of fiction--her first since the bestselling *Charming Billy*, winner of the 1998 National Book Award--is narrated by a woman who was born beautiful. Her parents decided that her best chance in life was to marry a wealthy man, so she was raised on the east end of Long Island, among the country houses of the rich. On the cusp of fifteen, she is the town's most sought-after babysitter--cheerful, beloved, a wonder with children and animals, but also a solitary soul with an already complex understanding of human nature--when her favorite cousin, Daisy, comes to spend the summer. The narrator's witty, piquant, deeply etched evocation of all that was really transpiring under the surface during that seemingly idyllic season gives her wry tale--infused with suppressed passion, disappointment, and enduring hope--its remarkable vividness and impact. Once again, Alice McDermott explores the mysterious depths of what seems like everyday life with unforgettable insight and resonant emotional power.
