The Old-time Herald

(Book). A comprehensive collection of one of today's hottest music formats. This book provides a 46-year history of Adult Contemporary (AC) music complete with over 8,500 songs, and 2,000 artists that appeared in Billboard's "Adult Contemporary" and "Adult Top 40" charts. This is the first time ever that a complete Adult Top 40 Chart history book has been published and it covers artists as diverse as Counting Crows, Sheryl Crow, Goo Goo Dolls, Lenny Kravitz, James Blunt, Kelly Clarkson, Jack Johnson and Daniel Powter. In the standard format that Record Research has made standard, all the essential song and artist info is included. Also, for the first time, songwriters are shown for every title. Many other bonus sections are added including lists of top artists organized by different themes and all-time rankings. Previous edition: Top Adult Contemporary, ISBN 089201497

From the Stone Age onwards, humans have added a personal touch to our endings with ceremonies, burials and services. This book compares funeral practices from around the world and gives witty and practical advice on choosing our own final exits.

All Music Guide to Country

Heartaches by the Number

These "New Westers," Johnson reveals, line-dance and two-step, listen to Garth Brooks and George Strait, drink beer from long-neck bottles, wear clothes ordered from Sheplers, watch rodeo on ESPN, play Wild West arcade games, eat fajitas and

tacos in stuccoed Mexican cafes, collect Western art and Native American crafts, and vacation in and move to the West. "New Westers" rewrite the history and biography of the West. They reimagine the West in Cowboy sagas and poetry, Native American novels, Mexican-American drama, nature writing, revisionist films, eclectic visual artwork, and neo-traditional music. They flock to movies like *Thelma and Louise*, *Unforgiven*, and *Dances with Wolves*, watch mini-series like *Lonesome Dove*, and read bestsellers like *The Crossing* and *All The Pretty Horses*. "New Westers" are men and women who may or may not have ever hitched up a horse but who crave connection with the West. At the end of a century of urbanization, technological change, and cultural confusion, they seek a more natural home, a fuller and wider sense of place, and a deeper and more colorful personal identity. They also want to revive the dream of the mythic West - but on different terms. They overrun the Old West and yet strive to preserve it, raising troubling new concerns about the differences between the mythic and the real, between traditional and contemporary cultural influences.

Black Music & Jazz Review

International Who's Who in Popular Music 2007

For this editor, the starting point for 'Readin' Country Music' was an 8:00 A.M. panel session on country music at the 1992 meeting of the Society for the Study of Narrative Literature, held at Vanderbilt University in Nashville. One of the last, wrap-up sessions on the program, the country music panel was so scheduled in tribute to the Nashville conventional site, a kind of Grand Ole Opry finale.

(Book). Covering three generations of Hank Williams, Family Tradition is both unique and vast in scope. Beginning in the present day with Hank III who gave the author unprecedented access and time-traveling across the years, this examines just what kind of rebel mojo inspired this crazed family of country music, from Hank Sr. often regarded as one of the most influential of American musicians to Hank Jr., to this year's model, Hank III, who has somehow found a way to reconcile his legacy's deep-rooted twang and high-lonesome sound with particularly searing strains of punk and heavy metal, launching an all-out war with traditional Nashville in the process.
