Whether expressed in poetry or in prose, her ideas have been much debated, particularly within second wave feminism. This unique introduction focuses on Rich's prose work but also makes reference to the poetry where her political ideas and urgencies often find their first expression. Demonstrating the complexity and subtlety of her contribution to feminism, the book outlines her wide-ranging thoughts on, for example, motherhood, heterosexuality, lesbian and Jewish identity, and issues of racial and sexual otherness. President Barack Obama's Address to the Congress and the Nation - February 24 2009

The JF/J2F "Duck" was one of those military workhorses moving around in the background before and during WWII which did a tremendous job but never got the publicity of its' more glamorous teammates. Some said the Duck could be more aptly named the "Ugly Duckling." Be that as it may; when no other bomber could be found, it carried bombs; when no other transport could be found, it transported;

when no other photo plane could be found, it photographed and when no other rescuer could be found, it rescued. When it came to "Utility Craft," the JF/J2F was the definitive.

gardener's inherent belief in the natural order of things. Soft-petaled flowers that go to seed. The resolute passage of the seasons. Swallows that fly thousands of miles to follow the eternal summer. Children who don't die before their parents. When Kate receives a phone call with news that Rosie Anderson is missing, she's stunned and disturbed. Rosie is eighteen, the same age as Kate's daughter, and a beautiful, quiet, and kind young woman. Though the locals are optimistic--girls like Rosie don't get into real trouble--Kate's sense of foreboding is confirmed when Rosie is found fatally beaten and stabbed. Who would kill the perfect daughter, from the perfect family? Yet the more Kate entwines herself with the Andersons--graceful mother Jo, renowned journalist father Neal, watchful younger sister Delphine--the more she is convinced that not everything is as it seems. Anonymous notes arrive, urging Kate to unravel the tangled threads of Rosie's life and death, though she has no idea where they will lead. Weaving flashbacks from Rosie's perspective into a tautly plotted narrative, *The Bones of You* is a gripping, haunting novel of sacrifices and lies, desperation and love. There observation furnishes a daily change in the curriculum. Books are not the original sources of power, but observation, which may bring to us all wide experience, deep thinking, fine feeling, and the power to act for oneself, is the very dynamo of power." - Russell H. Conwell (from "Every Man His Own University") Russell Herman Conwell (1843 - 1925) was an American Baptist minister, orator, philanthropist, lawyer, and writer. He is best remembered as the founder and first president of Temple University in Philadelphia, Pennsylvania, as the Pastor of The Baptist Temple, and for his inspirational lecture, Acres of Diamonds.
