Journal of Applied Research on Children | Children At Risk

The Journal of Basic and Applied Zoology (JOBAZ) is a peer-reviewed, open access journal. JOBAZ is affiliated with the Egyptian Society for Biosciences Advancement and published by Springer Nature. The journal has five sections:

Applied Ocean Research - Journal - Elsevier

Journal of Applied Animal Research, Volume 49, Issue 1 (2021) Issue In Progress. Research Article . Article. Genetic parameters for dystocia, milk yield and age at first calving in Brazilian Holstein cows.

Journal of Applied Communication Research: Vol 48, No 6

Hafnium oxide (HfO₂) nanoparticles (NPs), ~60-90 nm in diameter and ellipsoidal in shape, were prepared by a hydrothermal synthesis. The as-prepared, bare HfO₂ NPs exhibited colloidal stability in cell culture media for at least 10 days. HfO₂ NPs at concentrations up to 0.8 mg/mL were nontoxic to human epithelial cells (HeLa) and monocyte-derived macrophages (THP-1) after 24 h exposure.

Journal of Applied Physiology

The Journal of Applied Research and Technology (JART) is a bimonthly open-access journal that publishes papers in English on innovative applications, development of new technologies and efficient solutions in engineering, computing and scientific research. We publish manuscripts describing original research, with significant results based on

Journal of Applied Research on Medicinal and Aromatic

The aim of Applied Ocean Research is to encourage the submission of papers that advance the state of knowledge in a range of topics relevant to ocean engineering. These topics include: * Wave mechanics * Fluid-structure interaction * Structural dynamics * Hydrodynamics * Floating and moored system dynamics

Applied Nursing Research - Journal - Elsevier

Announcing “Family Well-Being” section in Applied Research in Quality of Life (ARQOL) As family well-being is closely related to quality of life, we are launching a section on “Family well-Being” in Applied Research in Quality of Life. Effective January 2021 the journal welcomes submissions on family well-being which are consistent with the aims and scope of ARQOL (see below).

Journal of Biomedical Materials Research Part B: Applied

Journal of Applied Poultry Research. Open access. View aims and scope Submit your article Guide for authors. 1.2 CiteScore. 1.015 Impact Factor. Editor-in-Chief: Dr. John Carey. View editorial board. View aims and scope. Explore journal content Latest issue Articles in press All issues.

Journal of Applied Poultry Research | ScienceDirect.com by

Journal of Applied Communication Research, Volume 48, Issue 6 (2020) Articles . Article. Exploring workplace bullying from diverse perspectives: A Journal of Applied Communication Research forum. Stacy Tye-Williams, Jerry Carbo, Premilla D’Cruz, Leah P. Hollis, Loreleigh Keashly, Catherine Mattice & Sarah J. Tracy.

Journal of Applied Animal Research: Vol 49, No 1

International Journal of Engineering Research & Technology is a peer-reviewed, open access and multidisciplinary engineering, technology and science journal that publishes original research & review articles of all major branches of

Engineering, Science and Technology. We have adopted a fully open access publishing model which allows open global access to its published content so anyone can

Journal of Applied Research in Intellectual Disabilities

The Journal of Applied Research on Children is an open-access, peer-reviewed online journal uniquely focused on the needs of children through a holistic prism. Focused on interdisciplinary research that is linked to practical, evidenced-based policy solutions for children's issues, JARC serves to inform legislative and policy decisions, as well as existing and innovative practice models.

Bing: Journal Of Applied Research In

Applied Nursing Research presents original, peer-reviewed research findings clearly and directly for clinical applications in all nursing specialties. Regular features include "Ask the Experts," research briefs, clinical methods, book reviews, news and announcements, and an editorial section.

Applied Linguistics Research Journal

International Journal for Research in Applied Science and Engineering Technology (IJRASET) is an international peer-reviewed, open-access & multidisciplinary online journal published for the enhancement of research in various disciplines of Applied Science & Engineering Technologies. We publish original and high-quality research papers.

The Journal of Strength & Conditioning Research

Journal of Strength and Conditioning Research. 35(1):25-32, January 2021. Abstract. Favorites; PDF. Get Content & Permissions Free. Activation of the Gluteus Maximus During Performance of the Back Squat, Split Squat, and Barbell Hip Thrust and the Relationship With Maximal Sprinting

Journal Of Applied Research In

Journal of Applied Physics reports significant new experimental and theoretical results in applied physics research. Topics include materials physics, magnetism, applied biophysics, devices and sensors, nanoscale systems, surfaces and interfaces.

International Journal & Research Paper Publisher | IJRASET

Biointerface Research in Applied Chemistry is an international and interdisciplinary research journal that focuses on all aspects of nanoscience, bioscience and applied chemistry. Submissions are solicited in all topical areas, ranging from basic aspects of the

Journal of Applied Research and Technology

Journal of Applied Research in Intellectual Disabilities. Edited By: Jonathan Weiss and Peter Langdon Founded by Professor David Felce. Impact factor: 1.909. 2019 Journal Citation Reports (Clarivate Analytics): 27/60 (Psychology, Educational) 11/71 (Rehabilitation (Social Science))

Applied Research in Quality of Life | Home

17. Digitization of Translation From English into Russian: Analysis and Comparison of Machine Service Quality Natalya A. Sigacheva, Alfiya R. Baranova, Khanif Makaev doi: 10.14744/alrj.2021.87699 Pages 130 - 136

IJERT - International Journal of Engineering Research

Aims and Scope: The International Journal of Applied Engineering Research (IJAER) is an international research journal, which publishes top-level work from all areas of Engineering Research and their application including Mechanical, Civil, Electrical, Computer Science and IT, Chemical, Electronics, Mathematics, Environmental, Education

Journal of Applied Physics

JARMAP is a peer reviewed and multidisciplinary communication platform, covering all aspects of the raw material supply chain of medicinal and aromatic plants. JARMAP aims to improve production of tailor made commodities by addressing the various requirements of manufacturers of herbal medicines, herbal teas, seasoning herbs, food and feed supplements and cosmetics.

Biointerface Research in Applied Chemistry - Platinum Open

The Journal of Applied Physiology publishes original papers that deal with diverse areas of research in applied physiology,

especially those papers emphasizing adaptive and integrative mechanisms. Adaptive physiology includes 1) inherent adaptations such as those related to development, aging, and pathophysiological conditions and 2) adaptations to the external environment such as those
