It is absent in later works, and in the Critique of Judgment, Kant explicitly dismisses it along with all other non-moral arguments for the afterlife (cf. AK 5:460 & 5:468 [1790]). The other and better known argument for this postulate is first found in the Critique of Pure Reason's Canon. Like his argument

for the postulate of God, Kant also

Kant's third Critique therefore provides the conceptual materials for Lyotard's analysis, especially the analytic of aesthetic judgment (see Kant 1790). As Lyotard argues, aesthetic judgment is the appropriate model for the problem of justice in postmodern experience because we are confronted with a plurality of games and rules without a

## **Postmodernism (Stanford Encyclopedia of Philosophy)**

'The purpose of this critique of pure speculative reason consists in the attempt to change the old procedure of metaphysics and to bring about a complete revolution' Kant's Critique of Pure Reason (1781) is the central text of modern philosophy. It presents a profound and challenging investigation into the nature of human reason, its knowledge and its illusions.
