Topological Methods in Galois Representation Theory

"A groundbreaking book . . . revealing the systemic, everyday problems in our courts that must be addressed if justice is truly to be served."—Doris Kearns Goodwin
Attorney and journalist Amy Bach spent eight years investigating the widespread courtroom failures that each day upend lives across America. What she found was an assembly-line approach to justice: a system that rewards mediocre advocacy, bypasses due process, and shortchanges both defendants and victims to keep the court calendar moving. Here is the public defender who pleads most of his clients guilty with scant knowledge about their circumstances; the judge who sets outrageous bail for negligible crimes; the prosecutor who habitually declines to pursue significant cases; the court that works together to achieve a wrongful conviction. Going beyond the usual explanations of bad apples and meager funding, *Ordinary Injustice* reveals a clubby legal culture of compromise, and shows the tragic consequences that result when communities mistake the rules that lawyers play by for the rule of law. It is time, Bach argues, to institute a new method of checks and balances that will make injustice visible—the first and necessary step to reform.

Pipe Template Layout

For fans of E. L. James, Sylvia Day and J. Kenner. Tara Sue Me became a worldwide phenomenon with her enticing and scandalous Submissive series which enthralled millions. Now she presents a scorching tale about a risky passion too hot to ignore. Julie Masterson craves a taste of danger, but she's never given in to her curiosity about putting her body in someone else's power - until a chance meeting with Daniel Covington, the irresistible Senior VP of Weston Bank, draws her into a seductive new world of sexual experience. Daniel is highly respected within his community, but he hasn't had an exclusive relationship for more than two years. Yet Julie's eager innocence is making him rethink his feelings about commitment. As their sizzling connection heats up, Daniel is ready to take Julie fully under his command. And Julie will have to decide if she trusts him enough to surrender completely - if she should escape before she gets burned Before there was the fan fiction that became Fifty Shades of Grey, there was The Submissive Indulge in the series that started it all: The Submissive, The Dominant, The Training, The Chalet, The Enticement, The Collar, The Exhibitionist and The Master.

Kawasaki Ninja 250R 1988-2012

Through the foggy streets of Victorian London to the deepest countryside, Sherlock Holmes uses his unique powers of deduction in eight thrilling investigations, including the mysteries of 'The Speckled Band' and 'The Reigate Puzzle'. With a captivating introduction by award-winning Jonathan Stroud.

No More Christian Nice Girl

An enchanting new novel from New York Times bestselling author Hannah Howell that will make you believe in the power of destiny--and desire--all over again. . . She Sees His Face Everywhere. . . Lady Alethea Vaughn Channing is haunted by a vision of a man in danger--the same man who she has seen in dreams time and time again. She doesn't even know his name, and yet she feels the connection between them, knows she is the only one standing between him and disaster. . . .Yet They Have Never Met But rakish Lord Hartley Greville is capable of protecting himself, as he has proven more than once in his perilous work as a spy for the crown. If he's to carry out his duty, he'll need to put aside the achingly beautiful woman with the strange gift. And yet, when Alethea's visions reveal a plot that could endanger children, Hartley will not be able to ignore the destiny that binds them together--or resist the passion burning between them. . . Praise for Hannah Howell and If He's Wicked "Fans will gladly follow Howell from the Scottish Highlands to London for her new trilogy." --Publishers Weekly "The superbly talented Howell never disappoints." --Romantic Times

Porsche High-Performance Driving Handbook

Calculus

Hearing rumors of the construction of a formidable Japanese battleship capable of adversely shifting power in World War II, Lieutenant Commander Gar Hammond is charged with leading a first American submarine into the Inland Sea in the hopes of finding and stopping the seemingly invincible ship. (action & adventure).

If He's Wicked

Master problem-solving using this manual's worked-out solutions for all the starred problems in the text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

National Security and Military Law in a Nutshell

People inside and outside of the biblical counseling movement recognize differences between the foundational work of Jay Adams and that of current thought leaders such as David Powlison. But, as any student or teacher of the discipline can attest, those differences have been ill-defined and largely anecdotal until now. Heath Lambert, the first scholar to analyze the movement's development from within, shows how biblical counseling emerged from, and remains rooted in, a commitment to the sufficiency of Scripture and the need to give practical help to struggling people. He identifies contemporary leaders—including Powlison, Ed Welch, Paul Tripp, and Wayne Mack—who emphasize the sinner as sufferer, the heart as key to motivation, and the need to interact humbly with critics. Demonstrating how these refinements in framework, methodology, and engagement style are characteristic of a second generation of biblical counselors, Lambert

contends this new wave of counselors is now increasingly balanced in their counseling methods. With a substantial foreword from David Powlison and strong support from prominent biblical counselors, this book will help all Christians interested in the fundamentally theological task of counseling to think carefully and biblically about how it is taught and practiced.

Mistress, Inc.

An unforgettable novel that illuminates the nuances and truths about love, family, and motherhood from the New York Times bestselling author of *Jemima J* and *The Beach House* JANE GREEN *Another Piece of My Heart* "A moving story peopled with nuanced, sympathetic characters." —Booklist Andi has spent much of her adult life looking for the perfect man, and at thirty-seven, she's finally found him. Ethan—divorced with two daughters, Emily and Sophia—is a devoted father and even better husband. Always hoping one day she would be a mother, Andi embraces the girls like they were her own. But in Emily's eyes, Andi is an obstacle to her father's love, and Emily will do whatever it takes to break her down. When the dynamics between the two escalate, they threaten everything Andi believes about love, family, and motherhood—leaving both women standing at a crossroad in their lives and in their hearts. "You will laugh and cry as you read it's that good."—Adriana Trigiani, bestselling author of *Lucia*, *Lucia* and the *Valentine Series*

Whirlwind Wedding

EX250 (1988-2012)

A Taste of Fire

There Are Some Summers You'll Always Remember Sometimes I wake up shivering in the early hours of the morning, drowning in dreams of being out there in the ocean that summer, of looking up at the moon and feeling as invisible and free as a fish. But I'm jumping ahead, and to tell the story right I have to go back to the beginning. To a place called Indigo Beach. To a boy with pale skin that glowed against the dark waves. To the start of something neither of us could have predicted, and which would mark us forever, making everything that came after and before seem like it belonged to another life. My name is Mia Gordon: I was sixteen years old, and I remember everything.

Line of Control

When passivity and false niceness don't bring the abundant life Jesus promised, some Christian women try even harder to hide behind a fragile façade of pleasant perfection. Paul Coughlin and Jennifer Degler give women the empowering message

that they have options far beyond simply acting nice or being mean--if they will emulate the real Jesus Christ and face their fears of conflict, rejection, and criticism. Brimming with enlightening information, thought-provoking questionnaires, real-life stories, and biblically based teaching from both the male author of the pioneering No More Christian Nice Guy and a female clinical psychologist, this book will motivate women to allow God to transform them into authentic, powerful women of loving faith.

Seduced By Fire: A Partners In Play Novel

Wild Island Sands

Although her son, Jim, apparently died in an accident. Ruth St Just is doubtful. She might not have understood why he joined a religious community on the tiny African island of Ellamore, or even why he had gone abroad in the first place, but the manner of his death doesn't ring true. The Foreign Office are unconcerned however. No matter how much this obsessive woman badgers them, investigations go no further. Frustrated, Ruth takes matters into her own hands. She sets off on a personal mission to Africa, determined to expose the sordid truth behind the sinister sect and the mysterious, charismatic woman who reigns over it, and to uncover among the bizarre band of misfits and eccentrics, the disturbing circumstances that led to the death of her son.

Stochastic Calculus in Manifolds

The line between military intelligence and military force has been crossed.

The Billionaire's Salvation

When Jessa Bell revealed she was having an affair with one of her best friends' husbands, no one would have predicted she'd soon be playing the part of the reformed mistress - least of all Jessa. But her experience - and ensuing remorse - has landed her on all the national talk shows and scored her a major book deal. Now she's pregnant with her ex-lover's baby, Jessa's determined to cash in on all the attention. Trouble is, she isn't feeling much genuine regret. And when more secrets about her past are exposed, it becomes tough for her to stay on the straight and narrow.

Small Engine Repair

Kendra has always felt overshadowed by her older brother, Grayson, whose OCD forces him to live a life of carefully coordinated routines. To Kendra, the only way she can stand out next to Grayson is to be perfect, and she has perfection down to an art -- until a cheating scandal threatens her flawless reputation. Behind the wheel of her car, with Grayson asleep beside her, Kendra decides to drive away from it all -- with enough distance, maybe she'll be able to figure everything out. But even in the midst of the road trip's flat tires, gas-station food stops, and detours to quirky roadside attractions, eventually Kendra must stop running and come to terms with herself, her brother, and her past.

Small Engines Service Manual

This illustrated cookbook offers information on the cheese renaissance in America and looks at the art of cheesemaking.

Survival of the Nicest

Sidra DeKoven Ezrahi's sweeping study of modern Jewish writing is in many ways a long meditation on the thematics of geography in Jewish culture, what she calls the "poetics of exile and return." Until the late nineteenth century, Jews were identified in their own religious and poetic imagination as wanderers and exiles, their sacred center--Jerusalem, Zion--fatefully out of reach. Opening the book with "Jewish Journeys," Ezrahi begins by examining the work of medieval Hebrew poet Yehuda Halevi to chart a journey whose end was envisioned as the sublime realignment of the people with their original center. When the Holy Land became the site of a political drama of return in the nineteenth century, Jewish writing reflected the shift, traced here in the travel fictions of S.Y. Abramovitsh, S.Y. Agnon, and Sholem Aleichem. In "Jewish Geographies" Ezrahi explores aspects of reterritorialization through memory in the post-Holocaust writing of Paul Celan, Dan Pagis, Aharon Appelfeld, I.B. Singer and Philip Roth. Europe, where Jews had dreamed of return, has become the new ruined shrine: The literary pilgrimages of these writers recall familiar patterns of grieving and representation and a tentative reinvention of the diasporic imagination--in America, of course, but, paradoxically, even in Zion.

The Boy in His Winter

This tale of an actress's dramatic demise, and a police detective trying to sniff out a killer, is "one of Ngaio Marsh's best yarns" (Kirkus Reviews). Mary Bellamy is the sweetheart of the London stage--everyone simply adores darling Mary. So her fans and friends are heartbroken when somehow Mary manages to spritz herself not with her favorite perfume but with a deadly insecticide meant to be sprayed on the azaleas. What Inspector Alleyn smells is something fishy, especially since everything he learns about lovely, fragile Mary suggests that in fact she was a rather vicious battleax. And with a bit more investigation, he quickly starts smelling something different: a rat . . . "It's time to start comparing Christie to Marsh instead

of the other way around.” —New York Magazine “[Her] writing style and vivid characters and settings made her a mystery novelist of world renown.” —The New York Times

The Extraordinary Cases of Sherlock Holmes

This reliable source provides authoritative coverage of the Constitution and national security, entering the military, and service members' rights. Text also discusses the military criminal justice system, discharge, and compensation for injury or death. An ideal overview for practitioners, law students in specialized courses, cadets at military academies or in college ROTC programs, and lawyers preparing to enter the Judge Advocate General's Corps.

Wild Winds

With her trademark combination of intrigue, adventure and sensual romance, New York Times bestselling author Janelle Taylor crafts novels that hold readers spellbound time and time again, now, she recreates the rugged grandeur of the old southwest in her lushest, most romantic love story yet. Feisty and beautiful Maggie Malone is determined to earn her livelihood as a private detective--a daunting profession unheard of for a woman on her own in the wild West. And when her stepfather asks her to help his son escape the hangman's noose for a bank robbery he didn't commit, she rises to the challenge. The Yuma Prison break will place Maggie's own life in jeopardy--and leave her with grave doubts about whether she's done right or terribly wrong. . . Sworn to help clear her stepbrother's name by tracking down the men who framed him, Maggie meets Hawk Reynolds. An ex-Texas Ranger and half-blood Cheyenne, Hawk is on a vengeance quest to find his parents' killers--the same desperadoes Maggie is seeking. Destiny draws Hawk and Maggie to each other and to the stirring of an unbidden, irresistible desire. Together, they will ride into Tombstone and into a crossfire of lies, double dealings, and searing betrayal as they search for answers that will sow the seeds of suspicion between them--and arouse a passion fated to explode beneath the bright desert sky.

Sentinels of Fire

Serving aboard the Allied destroyer USS Malloy, Executive Officer Connie Miles discovers that her much-admired captain is losing his mind under the pressure of unrelenting Japanese suicide bomber attacks. By the award-winning author of Pacific Glory. 25,000 first printing.

If He's Wild

Addressed to both pure and applied probabilists, including graduate students, this text is a pedagogically-oriented introduction to the Schwartz-Meyer second-order geometry and its use in stochastic calculus. P.A. Meyer has contributed an appendix: "A short presentation of stochastic calculus" presenting the basis of stochastic calculus and thus making the book better accessible to non-probabilists also. No prior knowledge of differential geometry is assumed of the reader: this is covered within the text to the extent. The general theory is presented only towards the end of the book, after the reader has been exposed to two particular instances - martingales and Brownian motions - in manifolds. The book also includes new material on non-confluence of martingales, s.d.e. from one manifold to another, approximation results for martingales, solutions to Stratonovich differential equations. Thus this book will prove very useful to specialists and non-specialists alike, as a self-contained introductory text or as a compact reference.

Perfect Escape

"Huck Finn and Jim float on their raft across a continuum of shifting seasons, feasting on a limitless supply of fish and stolen provisions, propelled by the currents of the mighty Mississippi from one adventure to the next. Launched into existence by Mark Twain in 1835, they have now been transported by Norman Lock through three vital, violent, and transformative centuries of American history. As time unfurls on the river's banks, they witness decisive battles of the Civil War, the betrayal of Reconstruction's promises to the freed slaves, the crushing of the Native American nations, and the electrification of a continent. While Jim enters real time when he disembarks the raft in the Jim Crow South, Huck finally comes of age when he's washed up on shore during Hurricane Katrina. An old man in 2077, Huck takes stock of his life and narrates his own story, revealing our nation's past, present, and future as Mark Twain could never have dreamed it"--

Ghosts of Bungo Suido

She Saves His Life. . . For Chloe Wherlocke, it all begins with a vision--a glimpse into the future that foretells a terrible plot against Lord Julian Kenwood and his newborn son. Chloe's psychic gift allows her to save the child from certain death, but the earl remains in grave peril. . . But When He Steals Her Heart. . . Julian Kenwood knows someone is trying to kill him and he suspects his scheming wife and her lover are behind the plot. But Julian is shocked when Chloe, a captivating, dark-haired stranger, warns him that sinister forces are indeed at hand--and exposes a devastating secret that changes his life forever. . . Will She Resist--Or Surrender? As Chloe reveals her plan to save Julian, neither can deny the attraction that grows each moment they're together. Chloe knows the highborn earl could never love her as she loves him. But when danger strikes closer than ever, Chloe must risk everything--or lose Julian forever. . . Praise for the Novels of Hannah Howell "Howell offers readers another captivating tale." --Booklist "Another wonderful story filled with adventure, emotion, and laughter." --Romantic Times

False Scent

Once again keeping a keen ear to the needs of the evolving calculus community, Stewart created this text at the suggestion and with the collaboration of professors in the mathematics department at Texas A&M University. With an early introduction to vectors and vector functions, the approach is ideal for engineering students who use vectors early in their curriculum. Stewart begins by introducing vectors in Chapter 1, along with their basic operations, such as addition, scalar multiplication, and dot product. The definition of vector functions and parametric curves is given at the end of Chapter 1 using a two-dimensional trajectory of a projectile as motivation. Limits, derivatives, and integrals of vector functions are interwoven throughout the subsequent chapters. As with the other texts in his Calculus series, in *Early Vectors* Stewart makes us of heuristic examples to reveal calculus to students. His examples stand out because they are not just models for problem solving or a means of demonstrating techniques - they also encourage students to develop an analytic view of the subject. This heuristic or discovery approach in the examples give students an intuitive feeling for analysis.

Mystery Walk

Provides both the apprentice and the journeyman pipefitter with an illustrated guide to producing templates

Booking Passage

A compendium of fascinating, weird, and gross facts about excrement.

Ordinary Injustice

An “impressive” tale of psychic power, Native American mysticism, and an ancient evil in Alabama, from the New York Times–bestselling author of *Swan Song* (Associated Press). Born and raised in rural Alabama, Billy Creekmore was destined to be a psychic. His mother, a Choctaw Indian schooled in her tribe’s ancient mysticism, understands the permeable barrier between life and death—and can cross it. She taught the power to Billy and now he helps the dead rest in peace. Wayne Falconer, son of one of the most fervent tent evangelists in the South, travels the country serving his father’s healing ministry. Using his unique powers to cure the flock, Little Wayne is on his way to becoming one of the popular and successful miracle workers in the country. He helps the living survive. Billy and Wayne share more than a gift. They share a dream—and a common enemy. They are on separate journeys, mystery walks that will lead them toward a crossroad where the evil of their dreams has taken shape. One of them will reject the dark. The other will be consumed by it. But neither imagined just how monstrous and far-reaching the dark was, or that mankind’s fate would rest in their hands during an epic

showdown of good versus evil. From the author of *Gone South*, *Boy's Life*, and the Matthew Corbett series, a master of suspense who has won the World Fantasy and Bram Stoker Awards, *Mystery Walk* offers “creepy, subtle touches throughout [and] splendid Southern-town atmosphere” (Kirkus Reviews).

The Natural Foods Cookbook

A Publishers Weekly Best Book of 2014 This revelatory tour de force by an acclaimed and internationally bestselling science writer upends our understanding of “survival of the fittest”—and invites us all to think and act more altruistically The phrase “survival of the fittest” conjures an image of the most cutthroat individuals rising to the top. But Stefan Klein, author of the #1 international bestseller *The Science of Happiness*, makes the startling assertion that altruism is the key to lasting personal and societal success. In fact, altruism defines us: Natural selection favored those early humans who cooperated in groups, and with survival more assured, our altruistic ancestors were free to devote brainpower to developing intelligence, language, and culture—our very humanity. Klein’s groundbreaking findings lead him to a vexing question: If we’re really hard-wired to act for one another’s benefit, why aren’t we all getting along? He believes we’ve learned to mistrust our instincts because success is so often attributed to selfish ambition, and with an extraordinary array of material—current research on genetics and the brain, economics, social psychology, behavioral and anthropological experiments, history, and modern culture—he makes the case that generosity for its own sake remains the best way to thrive.

The Water Wars

Determined to find cattle rancher Royal Bancroft to honor her father's dying wish and repay him for saving their lives years ago, Antonie Ramirez gets more than she bargained for when desire flares between them as they set out to rescue his brother and sister from ruthless kidnappers. Original.

Skagway in Days Primeval

Austin Randolph Jamison, Ninth Duke of Bradford, met the uncanny beauty at the ball at Bradford Hall. And from that first moment, he was stunned. How could this unsophisticated female, who climbed trees in a ball gown to rescue a kitten, know secrets that could ruin his family and speak of danger that threatened them all? Who was she, this American bluestocking who knew too much, whose innocence shone in her eyes even as her full lips tempted sin? Suddenly the duke knew he could not afford to let her go. Some called it a gift. To Elizabeth Matthews, however, her visions were a responsibility that bound her to protect others from danger, no matter that the gossipmongers whispered she was chasing the duke to the altar. She vowed to use her powers to protect Austin at any cost, reckless of the passions that drove her into his arms, the

need that made her his bride, never expecting her marriage to turn into a love match that would become the ton's most delicious scandal. From the Paperback edition.

Student Solutions Manual for Skoog/West/Holler/Crouch's Fundamentals of Analytical Chemistry, 9th

Based of diaries of J. Bernard Moore, who worked with his father in establishing the townsite of Skagway and building the first and longest wharf in Alaska.

The Biblical Counseling Movement after Adams (Foreword by David Powlison)

"An advanced monograph on Galois representation theory by one of the world's leading algebraists, this volume is directed at mathematics students who have completed a graduate course in introductory algebraic topology. Topics include Abelian and nonabelian cohomology of groups, characteristic classes of forms and algebras, explicit Brauer induction theory, and much more. 1989 edition"--

The New American Cheese

Billionaire Max Hamilton thought he was finally starting to find contentment, more than two years after losing his wife Mia in a tragic drowning accident. He'd been reunited with a sister he hadn't realized existed. Finally he had family again, a reprieve from the pain and loneliness that had haunted him since his devastating loss. Yeahhe was as happy as a man could be, considering he had lost the other half of his soul and most of his heart when fate had torn his wife away from him. Or so he believeduntil the day he rescued a mysterious woman in the park, a female who somehow had managed to reignite a part of him that he thought was long dead Suddenly, Max's protective, dominant, possessive male instincts flare to life, leaving him at a loss as to how lightning could possibly strike twice in one lifetime. Is he truly being given another chance at real happiness, or would it be dangled in front of him, only to be taken away once again? Find out by reading The Billionaire's Salvation, Book 3 in The New York Times Bestselling series, The Billionaire's Obsession. This is a complete contemporary erotic romance novel with no cliffhangers!

Truth about Poop

Covers 5.5hp through 20hp four-stroke engines.

The Woman Who Was God

Welcome to a future where water is more precious than oil or gold. Hundreds of millions of people have already died, and millions more will soon fall-victims of disease, hunger, and dehydration. It is a time of drought and war. The rivers have dried up, the polar caps have melted, and drinkable water is now in the hands of the powerful few. There are fines for wasting it and prison sentences for exceeding the quotas. But Kai didn't seem to care about any of this. He stood in the open road drinking water from a plastic cup, then spilled the remaining drops into the dirt. He didn't go to school, and he traveled with armed guards. Kai claimed he knew a secret-something the government is keeping from us. And then he was gone. Vanished in the middle of the night. Was he kidnapped? Did he flee? Is he alive or dead? There are no clues, only questions. And no one can guess the lengths to which they will go to keep him silent. We have to find him-and the truth-before it is too late for all of us.
