Princess Isabel of Brazil

Growing up in a small Kentucky town, my life was filled with happiness. With a big family and loving parents. as a teenager I started writing poems to show my love to my new bride. Later after the birth of our daughter I was overwhelmed with emotions and found myself writing more and more. it was after the passing of my Dad that I decided to try and get a book together. I felt I owed it to him as much as myself. With a church going family and a mom that loved telling stories it seemed only natural that I would want to write. I love remembering the past, people and places that I've been, it's always been so easy for me to write them down. Sand Mountain Memories, was Thirty Years in the making. I now live in Mt Sterling Kentucky, Six miles from my childhood home and I often visit those wonderful hills that as a child I couldn't get enough of. In November of 2012 I was Diagnosed with Progressive MS and I thought now would be the time to get published Thank You.

For more than 4,500 years, the Great Pyramid at Giza has been shrouded in veils of impenetrable mystery. For nearly as many years, a dedicated and nearly obsessive community of explorers, scholars, and profiteers has sought to uncover the secrets of this ancient and sacred structure. But the Great Pyramid guards its secrets jealously, and the efforts of most have been silently rebuffed. Until now. Is it the will of destiny or God's eternal hand that connects two strangers in tragic circumstances with the Great Pyramid itself? It is only through the determination of one that the truth is revealed—and in that effort, the name of the other is cleared. Despite being relentlessly hunted by the descendants of the elite ancient warriors, he is now on a quest for truth that spans two continents. One of the greatest deceptions in the after-burial of the most powerful and influential pharaoh in all of ancient Egypt's history is about to be revealed. Will what he discovers be his salvation or his extinction?

Adventures of Uncle Billy Possum

The adventures of Unc' Billy Possum and the other animals living in Green Meadows.

Four Ways to Pharaoh Khufu

Earth. Galactic war is prophesied, but John and Susan have their own plans and make destiny unfold as they want it to.

The Galaxy is Ours, A Superhero Epic

When American Gary Stevens decides to explore the immaculate tourism haven of Dubai in the Middle East, he finds much more than he bargained for. Plans for a peaceful and harmless visit to the exotic land of seven-star hotels, international culture, food and shopping, quickly change when Gary attracts the attention of a beautiful, rebellious and enticing Muslim woman. Gary stumbles into a violent labor revolt triggered by the death of a poor immigrant construction worker, who falls from one of Dubai's hundreds of fast-developing buildings. The exploitation of thousands of disposable immigrant laborers emboldens an Egyptian revolutionary to seek vengeance for the greed and inhumane practices of Dubai's business elite Arab Emirates. Meanwhile, the outspoken wife of Dubai's youngest and most successful business leaders inspires an insurgence of young Muslim women---they seek empowerment, education and the freedom to pursue true love and romance. Gary becomes entangled in the uprising when the radicals take hundreds of international tourists hostage at the same hotel where Gary is staying. To make matters worse, these zealots include the older brother of the beautiful Muslim woman who has fallen for Gary. With nonstop action and cultural intrigue, Welcome to Dubai is the first full book in The Traveler series created by New York Times bestselling

Welcome to Dubai

Having specialized in the South American country for most of his academic career, Barman (history, U. of British Columbia) here integrates gender studies into his concerns. He extracts copiously from Isabel's (1846-1921) letters and recollections within the framework of a female life cycle. In addition to showing how women have been shaped by and have lived within cultural, social, and economic structures created by men and predicated on female subordination and exploitation, he uses the princess' life to illuminate the interplay of gender and power in the 19th century.
