The Critical Review of Theological & Philosophical Literature

“Fluent, mordant, authentic, propulsive...wonderfully lit from within” (Lee Child, The New York Times Book Review), this critically acclaimed, stunningly mature literary debut is the darkly comic story of a car thief on the run in the gritty and arid landscape of the 1970s Texas panhandle. In this “stellar debut,” (Publishers Weekly) car thief Troy Falconer returns home after years of wandering to reunite with his younger brother, Harlan. The two set out in search of Harlan’s wife, Bettie, who’s left him cold and run away with the little money he had. When stealing a station wagon for their journey, Troy and Harlan find they’ve accidentally kidnapped a Mennonite girl, Martha Zacharias, sleeping in the back of the car. But Martha turns out to be a stubborn survivor who refuses to be sent home, so together, these unlikely road companions haphazardly attempt to escape across the Mexican border, pursued by the police and Martha’s vengeful father. But this is only one layer of Troy’s story. Through interjecting entries from his journal that span decades of an unraveling life, we learn that Troy has become so estranged from society that he’s shunned the very idea of personal property. Instead of claiming possessions, he works motels, stealing the suitcases and cars of men roughly his size, living with their things until those things feel too much like his own, at which point he finds another motel and vanishes again into another man’s identity. Richly nuanced and complex, “like a nesting doll, [Presidio] continually uncovers stories within stories” (Ian Stansel, author of The Last Cowboys of San Geronimo). With a page-turning plot, prose as gritty and austere as the novel’s Texas panhandle setting, and a determined yet doomed cast of characters ranging from con artists to religious outcasts, this “rich and rare book” (Annie Proulx, author of Barkskins) packs a kick like a shot of whiskey. Perfect for fans of Cormac McCarthy, Denis Johnson,

and Larry McMurtry, who said that Kennedy “captures the funny yet tragic relentlessness of survival in an unforgiving place. Let’s hope he keeps his novelistic cool and brings us much, much more.”

John F. Kennedy

EARLY CHILDHOOD EXPERIENCES IN LANGUAGE ARTS: EARLY LITERACY, Eleventh Edition responds to national legislation, professional standards, and public concern about the development of young children's language and foundational literacy skills by providing current research-based instructional strategies in early language development. Activities throughout emphasize the relationship between listening, speaking, reading, writing (print), and viewing in language arts areas. This text addresses the cultural and ethnic diversity of children and provides techniques and tips for adapting curricula. Theory is followed by how-to suggestions and plentiful examples of classic books and stories, poems, finger plays, flannel board and alphabet experiences, puppetry, language games, drama, and phonemic and phonetic awareness activities. Students will also learn how, as teachers, they can best interact with children to promote appropriate language development, and how they can create a print-rich environment in the classroom. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Early Childhood Experiences in Language Arts: Early Literacy

A portrait of the thirty-fifth president draws on newly released government archive material and the JFK library to offer insights into both his strengths and character flaws.

Southern Literature From 1579-1895

St. Paul’s Conceptions of the Last Things

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The Fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional pedagogical features make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Fifteenth Edition (Chapters 1-42); Volume

1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-42). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Indian Kavya Literature

Time For Kids: John F. Kennedy

Years after the breakup of her idealistically minded parents, 15-year-old Sophie accompanies her father on a backpacking trip through Tasmania in the hopes of establishing their bond before suspicion and overconfidence trigger an unexpected chain of events. Original.

Guide to Literature of Home and Family Life

With Malice Toward None

Draws on archives and interviews with authors, colleagues, and friends to examine Jacqueline Kennedy Onassis' time as an editor, revealing both the serious and the mischievous woman underneath the glamorous public image.

Robert Kennedy

The young president who brought vigor and glamour to the White House while he confronted cold war crises abroad and calls for social change at home John Fitzgerald Kennedy was a new kind of president. He redefined how Americans came to see the nation's chief executive. He was forty-three when he was inaugurated in 1961—the youngest man ever elected to the office—and he personified what he called the "New Frontier" as the United States entered the 1960s. But as Alan Brinkley shows in this incisive and lively assessment, the reality of Kennedy's achievements was much more complex than the legend. His brief presidency encountered significant failures—among them the Bay of Pigs fiasco, which cast its shadow on nearly every national-security decision that followed. But Kennedy also had successes, among them the Cuban Missile Crisis and his belated but powerful stand against segregation. Kennedy seemed to live on a knife's edge, moving from one crisis to another—Cuba, Laos, Berlin, Vietnam, Mississippi, Georgia, and Alabama. His controversial public life mirrored his hidden private life. He took risks that would seem reckless and even foolhardy when they emerged from secrecy years later. Kennedy's life, and his violent and sudden death, reshaped our view of the presidency. Brinkley gives us a full picture

of the man, his times, and his enduring legacy.

The Literary Digest International Book Review

It is multi-volume series work. The main purpose of this work is literary criticism, evaluating a great tradition of literature and to present comprehensive study of Sanskrit literature. So far 6 volumes have been published. Each volume presents literature itself in successive periods of its development. This second volume in the series on Kavya Literature begins the description of the literature itself. The most original feature of the present study, as compared with other books in English on Indian literature, is that the literature is presented and discussed from the point of view of the Indian tradition itself. The author has first presented the literature from within the Indian tradition, then he has given discussions on the kavyas presented, from the old Indian critics, finally cross-references are inserted in square brackets to the relevant paragraphs of Volume I. The discussions of the old critics become more frequent and intensive in the later chapters of this volume (especially Chapter XVI), reflecting their tastes and the gradual establishment of classical standards. Among the classics discussed in this volume are the Ramayana, the great novel Brhatkatha of Gunadhya, the epics of Asvaghosa, the lyric anthology of Satavahana and the plays of Bhasa.

Literature

From the critically lauded, internationally bestselling author of *The Moment* comes a profoundly moving novel that explores how a single brief encounter can change one's life. Laura spends her days looking at other people's potential calamities. She works in the radiography unit of a small hospital on the Maine coast, bearing constant witness to the fears of patient after frightened patient. In a job where finding nothing is always the best possible outcome, she is well versed in the random injustices of life, a truism that has lately been playing out in her marriage as well. Since being downsized, her husband, Dan, has become withdrawn, his emotional distance gradually corroding their relationship. With a son in college and a daughter soon due to leave home, Laura has begun to fear that the marital sounds of silence will only deepen once the nest is truly empty. When an opportunity arises to attend a weekend medical conference in Boston, Laura jumps at this respite from home. While checking in, she meets a man as gray and uninspired as her drab hotel room. Richard is an outwardly dull, fiftysomething insurance salesman. But during a chance second encounter, Laura discovers him to be surprisingly complex and thoughtful, someone who, like herself, is grappling with the same big questions about decisions made and the human capacity for self-entrapment. As their conversation deepens and begins to veer into shared confessions, the overwhelming sense of personal and intimate connection arises. A transformative love affair begins. But can this potential, much-longed-for happiness be married to their own difficult personal circumstances? Can they upend their lives and embrace that most loaded of words: change? A love story as clear-sighted and ruminative as it is affecting,

Five Days will have you reflecting about the choices we all make that shape our destinies. Crafted with Kennedy's trademark evocative prose and pitch-perfect in its depiction of the complex realities of modern life, it is a novel that speaks directly to the many contradictions of the human heart.

Southern Literature from 1579-1895

He was "Good Bobby," who, as his brother Ted eulogized him, "saw wrong and tried to right it . . . saw suffering and tried to heal it." And "Bad Bobby," the ruthless and manipulative bully of countless conspiracy theories. Thomas's unvarnished but sympathetic and fair-minded portrayal is packed with new details about Kennedy's early life and his behind-the-scenes machinations, including new revelations about the 1960 and 1968 presidential campaigns, the Cuban Missile Crisis, and his long struggles with J. Edgar Hoover and Lyndon Johnson.

John F. Kennedy

When his mother has car trouble, Zach is afraid that he will be stranded at his grandfather's new apartment with his younger brother, instead of going to his friend's sleepover birthday party.

Five Days

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"For introductory courses in Literature." "This version of Literature: An Introduction to Fiction, Poetry, Drama, and Writing has been updated to reflect the 8th edition of the MLA Handbook (April 2016)*" Cultivate a Love of Literature X.J. Kennedy & Dana Gioia developed" Literature: An Introduction to Fiction, Poetry, Drama, and Writing, " 13/e with two major goals in mind: to introduce college students to the appreciation and experience of literature in its major forms and to develop the student's ability to think critically and communicate effectively through writing. The book is built on the assumption that great literature can enrich and enlarge the lives it touches. Both editors, literary writers themselves, believe that textbooks should be not only informative and accurate but also lively, accessible, and engaging. "* The 8th edition introduces sweeping changes to the philosophy and details of MLA works cited entries. Responding to the increasing mobility of texts, MLA now encourages writers to focus on the process of crafting the citation, beginning with the same questions for any source. These changes, then, align with current best practices in the teaching of writing which privilege inquiry and critical thinking over rote recall and rule-following." "

Virginia Woolf A Literary Life

Young John F. Kennedy was a mischief maker, but he also had a serious side. He cared about people's problems and, with his words, could easily persuade others to go along with his ideas. As he grew up, Kennedy's family decided that he was meant for great things -- the presidency of the United States. TIME For Kids® Biographies help make a connection between the lives of past heroes and the events of today. Kennedy's desire to help Americans -- and others around the world -- is as important now as it was forty years ago.

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

An Introduction to Poetry

American Reference Books Annual: 2019 Edition

The Life of John Pendleton Kennedy

While embracing the canon, *An Introduction to Poetry, Tenth Edition* includes an impressive collection of contemporary poems for a culturally diverse representation of authorship and a richness in range of style. *Writer's Perspectives* sections give commentary on the craft of writing and revising from authors, which provide insight and a more human perspective on literature and the writing process. *Writing Critically* sections expand coverage of composition with accessible and pragmatic suggestions on writing. *Critical Approaches to Literature* section provides three essays on every major school of criticism with sections on gender criticism and cultural studies. New poems have been added to the Tenth Edition, along with a new Glossary of Literary Terms and an expanded chapter on translations. Casebooks on Emily Dickinson and Langston Hughes present both poets in depth. For anyone interested in poetry.

Reading Jackie

This book tells the story of Virginia Woolf's literary career. It emphasises the importance of her ownership of the Hogarth Press, whereby she gained the freedom to write as she pleased. This made possible a career of extraordinary formal innovations. Each of her books was unlike every other. Her career was a series of different choices, statements and masks. This book attempts to discover why, at each point in her career, she chose to write as she did.

Profiles in Courage

Read professional, fair reviews by practicing academic, public, and school librarians and subject-area specialists that will enable you to make the best choices from among the latest reference resources. • Provides reviews of print and electronic resources, showcasing a wide spectrum for users to consider • Presents unbiased evaluations that allow users to make their own decisions on the suitability of a given resource for their patrons' needs • Gives users access to reviews containing critical, relevant, and timely information from librarians and subject-area specialists

Boswell's Life of Johnson: including their Tour to the Hebrides. By the Right Honourable John Wilson Croker A new edition, thoroughly revised, with much additional matter. With portraits

“Full, fair, and accurate. . . . Certainly the most objective biography of Lincoln ever written.” —Pulitzer Prize-winner David Herbert Donald, New York Times Book Review From preeminent Civil War historian Stephen B. Oates comes the book the Washington Post hails as “the standard one-volume biography of Lincoln.” Oates’ *With Malice Toward None* is recognized as the seminal biography of the Sixteenth President, by one of America’s most prominent historians.

Up Close

"This is a book about the most admirable of human virtues--courage. 'Grace under pressure,' Ernest Hemingway defined it. And these are the stories of the pressures experienced by eight United States Senators and the grace with which they endured them." -- John F. Kennedy During 1954-55, John F. Kennedy, then a U.S. Senator, chose eight of his historical colleagues to profile for their acts of astounding integrity in the face of overwhelming opposition. These heroes include John Quincy Adams, Daniel Webster, Thomas Hart Benson, and Robert A. Taft. Awarded the Pulitzer Prize in 1956, *Profiles in Courage* resounds with timeless lessons on the most cherished of virtues and is a powerful reminder of the strength of the human spirit. It is, as Robert Kennedy states in the foreword, "not just stories of the past but a book of hope and confidence for the future. What happens to the country, to the world, depends on what we do with what others have left us.
