RUBY FINDS A FRIEND Ruby is a careful duckling who likes to take things slowly, in her own time. But her new friend Errol is bustling and bold! Together they make the perfect team. Ruby's careful thinking sees them through a maze of reeds, but when faced with a steep and dangerous waterfall, will Ruby have time to stop and think, or will she just have to GO FOR IT? A third, charming story featuring everyone's favourite duckling. 'Go For It, Ruby!' is the third of three 'Ruby the Duckling' books. Discover Ruby's other adventures in 'Ruby Flew Too!' and 'This Way, Ruby!'. -An important message conveyed in a simple style that children will understand beautifully illustrated in gentle blurred watercolour, this is a charming and engaging story book.- Louise Ellis-Barrett, WRITE AWAY

The Tipping Point

Put the fun back in small group Bible study! Ideal for newly formed Women's Bible studies or existing groups, this light, fun, 8 week Bible Study encourages group discussion of biblical perspectives on everyday topics. Each weekly lesson begins with an "Ice Breaker" section to get the conversation flowing, then moves on to a "Promise from God" section to provide group focus. This is then followed by a "Scripture References" section to guide the conversation through God's word. Next, a "Commentary" section provides food-for-thought to stimulate the discussion. The next section, "Discussion Questions", leads the group into deeper analysis and self-examination. Then, the "Opt. Weekly Challenges" section provides

suggestions for ways to translate thoughts into action during the upcoming week. Finally, there is a "Closing Prayer" section to wrap up the session. Unique in its approach, this Bible study focuses on forming strong group bonds and providing an opportunity for women to really get to know and support each other as sisters in Christ. Be sure to check out Group Hug IV, Holidays, and Marriage. Also, watch for Group Hug V thru VII and Hot Topics to be released throughout 2015 as part of this ten book series!

The No-Homework Women's Bible Study

The 64th adventure of Lucky Luke, and the Old West at its funniest!

Motherhood, Mental Illness and Recovery

Love Me Gently

The 70th adventure of Lucky Luke, and the Old West at its funniest!

Lucky Luke - The Complete Collection

Three founding volumes in which Luke loses his cartoon character appearance to become a true Western hero.

Lucky Luke Vol. 43 the Bluefeet Are Coming!

Daisy Leduc was forgotten and alone. That was just how she wanted it. But when she is discovered stabbed to death in a dusty little Texas town, it plunges Del Honeycutt and bestselling mystery author Sabrina Spencer into a 30-year-old mystery involving murder, hidden identities, dangerous family secrets, political intrigue, and a long-forgotten serial killer. Daisy's estranged daughter, who hasn't seen her mother in years, receives a package sent shortly before her mother's death. A note instructs her to immediately contact Sabrina and give her the package if Daisy is killed. But why Sabrina? The temptation to uncover the answer leads Del and Sabrina on a dangerous quest to find Daisy's killer. When they discover that Daisy, under a different name, supposedly died 30 years earlier, they find themselves squarely in the crosshairs of killers whose deadly secrets lie in Daisy's mysterious past. By the author of the Amazon bestseller, WISDOM SPRING

Lucky Luke -

The man who shoots faster than his own shadow.

Orphan Train

The alternative life raft in a sea of similarity, VideoHound competes on content, categories, and indexing, but the dramatic difference is the attitude. Irreverent, slightly tongue-in-cheek, the Hound never takes himself too seriously. The 1997 edition, fully expanded and updated with 1,000 new entries, provides information and opinions on 22,000-plus videos--more than any other guide on the market--including documentaries, made-for-TV movies, and animated features. Includes Web site entertainment directory.

French books in print

Bowker's Complete Video Directory 1996

We all know Lucky Luke, the man who shoots faster than his own shadow. But even he was once a child, and back then he was already having grand adventures in the Old West! The young boy is travelling with an old, grumpy, alcoholic prospector in search of gold, when a conflict with the local Indian tribe leads to kidnapping – and he now finds himself the adopted son of a nagging native mother!

Lucky Luke Vol. 70: O. K. Corral

Prologue -- Individualism or totalitarianism -- Succession or failure -- Integration or empire -- Novelty or eternity -- Truth or lies -- Equality or oligarchy -- Epilogue

Lucky Luke Vol. 71

The #1 New York Times Bestseller Now featuring a sneak peek at Christina's forthcoming novel *The Exiles*, coming September 2020. "A lovely novel about the search for family that also happens to illuminate a fascinating and forgotten chapter of America's history. Beautiful."—Ann Packer Between 1854 and 1929, so-called orphan trains ran regularly from the cities of the East Coast to the farmlands of the Midwest, carrying thousands of abandoned children whose fates would be determined by pure luck. Would they be adopted by a kind and loving family, or would they face a childhood and

adolescence of hard labor and servitude? As a young Irish immigrant, Vivian Daly was one such child, sent by rail from New York City to an uncertain future a world away. Returning east later in life, Vivian leads a quiet, peaceful existence on the coast of Maine, the memories of her upbringing rendered a hazy blur. But in her attic, hidden in trunks, are vestiges of a turbulent past. Seventeen-year-old Molly Ayer knows that a community service position helping an elderly woman clean out her home is the only thing keeping her out of juvenile hall. But as Molly helps Vivian sort through her keepsakes and possessions, she discovers that she and Vivian aren't as different as they appear. A Penobscot Indian who has spent her youth in and out of foster homes, Molly is also an outsider being raised by strangers, and she, too, has unanswered questions about the past. Moving between contemporary Maine and Depression-era Minnesota, *Orphan Train* is a powerful novel of upheaval and resilience, of second chances, and unexpected friendship.

The Lodger

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Nursery Rhymes of England

Discover Malcolm Gladwell's breakthrough debut and explore the science behind viral trends in business, marketing, and human behavior. The tipping point is that magic moment when an idea, trend, or social behavior crosses a threshold, tips, and spreads like wildfire. Just as a single sick person can start an epidemic of the flu, so too can a small but precisely targeted push cause a fashion trend, the popularity of a new product, or a drop in the crime rate. This widely acclaimed bestseller, in which Malcolm Gladwell explores and brilliantly illuminates the tipping point phenomenon, is already changing the way people throughout the world think about selling products and disseminating ideas.

Katy Keene

What happens when Cooper, a newly adopted puppy, takes up residence in Henry's home? The little pooch sure is adorable, but who knew he had so much to learn! *Love Me Gently* is a kid's guide to man's best friend. It captures the everyday challenges of raising a pup through a child's eye. But who is teaching who? Henry may be coaching Cooper, but he is also discovering valuable lessons about responsibility, unconditional love, patience, and kindness along the way!

Doc Holliday

Escorting a French artist across the Old West, sure - but all the way to Paris? New experience for Lucky Luke! The 71st adventure of Lucky Luke, and the Old West at its funniest!

Go for It, Ruby!

Relates the story of a U.S. airman who survived when his bomber crashed into the sea during World War II, spent forty-seven days adrift in the ocean before being rescued by the Japanese Navy, and was held as a prisoner until the end of the war.

The American Short-horn Herd Book

A cowboy who shoots faster than his own shadow, his sarcastic horse, a quartet of incredibly stupid bandits - this is the Old West at its funniest. The 76th adventure of the Lonesome Cowboy!

Lucky Luke -

Billboard

When the Bluefeet attack the town of Rattlesnake, Lucky Luke teams up with the Sheriff to hold them back until the cavalry arrives.

Rodeo

Oklahoma Jim

Lucky Luke has run afoul of a desperado. Fortunately, this ain't his first rodeo! Lucky Luke arrives at Navajo City just in time to sign up for the town's big rodeo. But the prize money promised to the winner is attracting some unsavoury types, and among the participating cowboys is one Cactus Kid, an unrepentant bully and outlaw. The clash is inevitable, both in and outside the arena, and Luke will have to fight with his customary aplomb and humour before riding off to new adventures."

Kid Lucky

Everyone's heard of the Gunfight at the O.K. Corral: the most famous shootout of the Old West, between the Earp brothers and Doc Holliday on the side of law and order, and the Clanton brothers and their gang. A legend told many times in books and films, in sometimes contradictory versions. Fortunately, here is the definitive version at last, restoring the unvarnished truth of what is another triumph of Lucky Luke!

A Cure for the Daltons

Vols. - include the Shorthorn Society's Grading register for beef Shorthorn cattle; v. - include the society's Herd book of poll shorthorns.

Sierra Hotel : flying Air Force fighters in the decade after Vietnam

When European psychiatrist Otto Von Bratwurst travels to the Old West, he decides to put his theories to the ultimate test by attempting to reform the imprisoned Dalton brothers, with the reluctant assistance of Lucky Luke.

Fatal Lies

Despite the importance of regaining social roles during recovery from mental illness, the intersection between motherhood and serious mental illness is often overlooked. This book aims to rectify that neglect. A series of introductory chapters describing current research and services available to mothers with serious mental illness are followed by personal accounts of clients reflecting on their parenting experiences. One goal of the book is to provide clinicians with information that they can use to help patients struggling with questions and barriers in their attempts to parent. The inclusion of personal accounts of mothers on issues such as stigma, fears and discrimination in the context of parenting with a mental illness is intended to promote the message of mental illness recovery to a larger audience as well. Finally, it is hoped that this handbook will help inspire more research on mothers with mental illness and the creation of more services tailored to their needs.

They Aren't, Until I Call Them

Welcome to Bottle Bay, a little town where anything can happen, especially should you choose to visit the old curiosity shop on the corner of Second and Main. Come on in, if you dare. Open the door, wipe your feet on the mat, and have a look around. The proprietor, Mr. Blank, is looking forward to meeting you. Be prepared for stories that hurtle you through space; send you back in time; or bring you true love or even a curse or two. So many possibilities - something for everyone!

Unbroken

Golden Age Humor Now you can re-live (or, enjoy for the first time) these great adventures from generations past. The comic reprints from Escamilla Comics are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available.

The Wedding Crashers

"You can't beat this story for drama. . . . An omnibus of everything ever known, spoken, or written about Doc Holliday."
-Publishers Weekly "An engagingly written, persuasively argued, solidly documented work of scholarship that will surely take its place in the literature of the Old West." -Booklist In Doc Holliday: The Life and Legend, the historian Gary Roberts takes aim at the most complex, perplexing, and paradoxical gunfighter of the Old West, drawing on more than twenty years of research-including new primary sources-in his quest to separate the life from the legend. Doc Holliday was a study in contrasts: the legendary gunslinger who made his living as a dentist; the emaciated consumptive whose very name struck fear in the hearts of his enemies; the degenerate gambler and alcoholic whose fierce loyalty to his friends compelled him, more than once, to risk his own life; and the sidekick whose near-mythic status rivals that of the West's greatest heroes.

With lively details of Holliday's spirited exploits, his relationships with such Western icons as Wyatt Earp and Bat Masterson, and the gunfight at the O.K. Corral, this book sheds new light on one of the most mysterious figures of frontier history.

The Road to Unfreedom

More than thirty years have passed since Al Capp's death, and he may no longer be a household name. But at the height of his career, his groundbreaking comic strip, Li'l Abner, reached ninety million readers. The strip ran for forty-three years, spawned two movies and a Broadway musical, and originated such expressions as "hogwash" and "double-whammy." Capp himself was a familiar personality on TV and radio; as a satirist, he was frequently compared to Mark Twain. Though Li'l Abner brought millions joy, the man behind the strip was a complicated and often unpleasant person. A childhood accident cost him a leg-leading him to art as a means of distinguishing himself. His apprenticeship with Ham Fisher, creator of Joe Palooka, started a twenty-year feud that ended in Fisher's suicide. Capp enjoyed outsized publicity for a cartoonist, but his status abetted sexual misconduct and protected him from the severest repercussions. Late in life, his politics became extremely conservative; he counted Richard Nixon as a friend, and his gift for satire was redirected at targets like John Lennon, Joan Baez, and anti-war protesters on campuses across the country. With unprecedented access to Capp's archives and a wealth of new material, Michael Schumacher and Denis Kitchen have written a probing biography. Capp's story is one of incredible highs and lows, of popularity and villainy, of success and failure-told here with authority and heart.

Structures

Juliet Lawler has got a score to settle against the drug dealers of Denver. Vance Crowe has made it his mission that Jules won't get dead while dishing out vigilante justice. Jules doesn't have time for romance; she's too busy saving the world. She enlists Zip (the gunstore owner), Heavy (an ex-PI) and Frank (a mysterious recluse) to help. The Rock Chicks get involved to provide advice and guidance. The Hot Bunch adopt Jules as one of their own. Even though Jules tries to hang on to her inner Head-Crackin' Mamma Jamma, the Rock Chicks, Hot Bunch, Jules's long-suffering Uncle Nick and Jules's friend, the rotund, African American, Jackie-O wannabe, May, will stop at nothing to wear her down. But Jules makes some bad guys pretty angry, and one will stop at nothing to take her out.

If you want to improve your understanding of Icelandic verbs, this is your guide. Learn some of the most commonly used verbs Icelandic. It is the most comprehensive resource available for learning and mastering Icelandic verbs. The verbs are arranged in tabular format in alphabetical order, which makes navigating through the book a breeze. Each verb is conjugated and presented in most common forms. The book features sample sentences to demonstrate verb usage in context, as well as a grammar review. This indispensable guide will help you conjugate verbs with ease, enabling you to use Icelandic verbs with confidence.

Lucky Luke Vol. 72

For anyone who has ever wondered why suspension bridges don't collapse under eight lanes of traffic, how dams hold back or give way under-thousands of gallons of water, or what principles guide the design of a skyscraper or a kangaroo, this book will ease your anxiety and answer your questions. J. E. Gordon strips engineering of its confusing technical terms, communicating its founding principles in accessible, witty prose.
