Organisational Behaviour

Taking a managerial approach and demonstrating the application of behavioural science within the workplace, this text focuses on the essential topics of organisational behaviour. The Essentials text is a new concise version of the long established market leader Management & Organisational Behaviour which has set standards in pedagogy and authorship that few texts have matched. The accessibility of writing style and clarity of presentation makes unfamiliar theory relevant, easily understood and logically applied to the world of work. In 12 chapters, the Essentials version focuses on the core topics of the discipline in a recognisable sequence, starting from the level of individual, though to the group, and finally the organisation.

Organisational Behaviour

This text emphasizes human resources development as the key to effective administration practice and aims to provide a foundation of theory and knowledge

on organizational behaviour for educational administration.

Essentials of Organizational Behavior

This brief paperback text gives students more depth and breadth of practical tools to practice their management skills than any other textbook. This edition continues its fresh approach to management coverage through current and relevant examples, updated theory, and a new pedagogically sound design. Note: You are purchasing a standalone product; MyManagementLab does not come packaged with this content. Students, if interested in purchasing this title with MyManagementLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. Organizational Behaviour by Pearson 18e

Understanding the Business Environment

Rev. ed. of: Organizational behavior and management in law enforcement / Harry W. More [et al.]. 2nd ed. 2006.

Organizational Behavior, Student Value Edition

Brooks offers readers a succinct, lively and robust introduction to the subject of organisational behaviour. While aiming to encourage and promote the critical examination of the theory of organisational behaviour, this book also seeks to enable students to interpret and deal with real organisational problems. This new edition has major changes to the text to embrace international contexts and the modern realities of OB. It has proved a popular student choice because it combines relative brevity with thorough coverage and plentiful real-world examples. Popular features for today's organisational behaviour course include: ¶ More prominent organisational theory coverage _ this key topic has been moved forward to provide students with an overview of the different ways OB can be looked at early on in the book. ¶ More coverage of modern communications technologies, cross cultural management, generational change and the gig economy. ¶ New and updated case studies and 'Managerial Implications' boxes help to broaden students' knowledge

and understanding of OB in real organisations. ‡ illustration in Filmí boxes illustrate key ideas through famous films such as 12 Angry Men and The Devil Wears Prada.

Management and Organisational Behaviour 11th edn

For undergraduate and graduate courses in Organizational Behavior and Human Relations Skills in schools of hotel management. Organizational Behavior for the Hospitality Industry is the most recent organizational behavior text that focuses on the hospitality industry, delving into the concepts that are relevant to students who plan to enter the hospitality industry. Hospitality organizations today must achieve excellence in human relations, and that success starts with quality organizational behavior. The text is organized into three sections: organizational behavioral essentials, the individual and the organization, and key management tasks. Additionally, each key topic includes detailed exercises, providing students with the hands-on experience they'll need in order to succeed in the industry.

Organisational Behaviour, 1e

Building on the success of the previous edition and the running theme that OB is for Everyone, this new edition presents all the essential topics in Organizational

Behavior in a concise and readable format. Fundamentals of Organizational Behaviour, Fourth Canadian Edition, helps students make the connections between the subject, the world of research that supports OB, and students' everyday lives, both now and in their future careers.

Organizational Theory, Design, and Change

This Online Course Pack consists of Management & Organisational Behaviour, seventh Edition by Laurie Mullins (ISBN: 0273688766), plus access to a Pearson Education Online Course (ISBN: 0273700960). This text helps students of today become effective managers of tomorrow by truly understanding organisational behaviour. For undergraduate and graduate courses in Organisational Behaviour and Management. Taking a managerial approach and demonstrating the application of behavioural science within the workplace, this text emphasises the role of management as a core integrating activity. This long established market leader has set standards that few texts have met in terms of accessibility of writing style and clarity of presentation, by making unfamiliar theory relevant, easily understood and logically applied to the world of work.

Organizational Behavior and Management in Law Enforcement

This custom edition is published for the University of Southern Queensland.

Organisational Behaviour

organisational behaviour in Southern Africa, 2nd edition

People are the primary resources of an organisation. Hence, the first edition of Organisational Behaviour by P. S. James focuses on how to help its readers 'create sustainable competitive advantage through people'. It is a comprehensive text with depth an

Hospitality Management and Organisational Behaviour

Long considered the standard for all organizational behavior textbooks, Organizational Behavior provides the research you want, in the language your students understand. This text continues its tradition of making current, relevant research come alive for students. The Sixteenth Edition has been thoroughly updated to reflect the most current recent research for Organizational Behavior, while maintaining its hallmark features -clear writing style, cutting-edge content, and engaging pedagogy. There's a reason why Robbins textbooks have educated

millions of students and have been translated into twenty languages--and it's because of a commitment that provides the kind of engaging, cutting-edge material that helps students understand and connect with Organizational Behavior. For undergraduate and graduate courses in Organizational Behavior MyManagementLab for Organizational Behavior is a total learning package. MyManagementLab is an online homework, tutorial, and assessment program that truly engages students in learning. This text also includes cutting-edge topics and streamlined pedagogy to allow maximum flexibility in designing and shaping your course. The eleventh edition contains expanded and updated coverage on international issues, as well as new sections on the management of information, safety and emotions at work, risk aversion, self-determination theory, managing information, and downsizing. Accompanied by mymanagementlab! See the hands in the air, hear the roar of discussion—be a rock star in the classroom. mymanagementlab makes it easier for you to rock the classroom by helping you hold students accountable for class preparation, and getting students engaged in the material through an

array of relevant teaching and media resources. Visit mymanagementlab.com for more information.

Management and Organisational Behaviour with Management

"This is a classic text that...is very comprehensive, well-structured and particularly well-designed from a learning perspective." Dr. Jean-Anne Stewart, Associate Professor, Henley Business School. "Management and Organisational Behaviour has provided an excellent source for students over many years...the author go out of their way to include additional research evidence/key frameworks and theories that are not covered in many of the other mainstream OB texts. This is a real benefit for those students who want to achieve beyond the basics." Dr. Nick Jackson, Senior Teaching Fellow, University of Leeds. "The book is well written and presented in a logical sequence that makes comprehension and understanding easier. The chapters consist of a series of small, succinct explanations and discussions around important concepts aided by extensive use of theory...The treatment of key concepts is expressed at a level students will find accessible." Dr. Colin Combe, Senior Lecturer, Glasgow Caledonian University. Now in its 11th edition Laurie Mullins's Management & Organisational Behaviour is the essential guide to OB for students today. Over half a million students have used this engaging and practically focused book as their introduction to the world of management and organisational behaviour, and it continues to evolve and improve

to serve the needs of modern students. Using both theory and practical, real-world examples, the textbook considers how organisational performance can be improved through effective management of people. This unique approach to the subject enables students to relate Organisational Behaviour to Management in the broader social and cultural contexts. This fully updated new edition incorporates new content and a streamlined structure to deliver the best possible learning experience. Key features include: Expanded Personal Skills and Employability sections as well as 5 new end of chapter exercises and an end of book review to help you to develop your social and work-based skills in preparation for life after study. New and revised management and OB in action case studies help to place the theory of management and organisational behaviour in the context of everyday organisational practice. New and revised end of chapter case studies provide a deeper insight into a wide variety of organisations in the UK and around the world. New Academic Viewpoint features in each part links to relevant research for a deeper understanding of the topics discussed. Management and Organisational Behaviour will appeal to students at undergraduate level or on related professional courses, as well as to graduates and professionals aspiring to management positions. This bible of Organisational Behaviour is the perfect resource for students from all backgrounds - Management starts with Mullins!

Management of Organizational Behavior

Cases in Management and Organizational Behavior

The new edition of this successful text provides an overview of organisational behaviour and analysis for students of all levels who are taking their first course in the study of people in organisations. It has been purposefully designed for accessibility and to make teaching and learning both relevant and stimulating. Classic Features *A novel, integrative approach combining both organisational behaviour and organisational analysis. *A deliberate avoidance of the managerialist approach characteristic of many leading textbooks, which better equips students to understand human behaviour in organisations. *Offers a critical framework which encourages students to engage in discussion of the theories and concepts presented in the text. *Comprehensive coverage of major theories and concepts, including crosscultural and international perspectives. *Strong pedagogy, including learning outcomes, short case studies, review and discussion questions and further readings. *Time Out exercises, designed to enable students to draw on their own experiences to apply concepts and theories in personal study or classroom discussion. New Features *Five new sections spread throughout the book, devoted t

Management and Organisational Behaviour

An essential text for HND and first year Hospitality Management degree students which examines the relevance and applications of general management theory and principles to hospitality organisations. Using contemporary material and case studies the book indicates ways in which performance may be improved through better use of human resources. Rigorous academic theory is related to hospitality practice, based on the author's great knowledge of the hospitality industry. The text takes a vocational basis and the illustration of the theory with real-life examples of hospitality management in action provides a solid and stimulating introduction to the subject. Written by two experts in the Hospitality field, Laurie Mullins and Penny Dosser, this book combines an accessible reading style with current and relevant case studies on a variety of hospitality companies from across the globe.

Introduction to Human Resource Management

Robbins: Leading the way in OB Organisational Behaviour shows managers how to apply the concepts and practices of modern organisational behaviour in a competitive, dynamic business world. Written and researched by industry-respected authors, this continues to be Australia's most popular text for introductory courses in organisational behaviour. A new suite of learning and teaching resources that will excite future managers and inspire critical thinking, accompanies the text.

Management and Organisational Behaviour with Business Dictionary

Understanding the Business Environment introduces the nature and environment of organisations to the first-time student of business. Clearly and accessibly, the book examines the external and competitive environment of business, as well as the structure, culture, resources and functions inside organisations. This combination of both the internal and external environment of organisations is unusual, and marks this book out as particularly valuable for courses aiming to give students a rounded introduction to business. It is written for students on undergraduate and postgraduate degree programmes in business, or business-related disciplines. The following online resources support the text: For Students: self-assessment questions, glossary, revision "flashcards" For Instructors: teaching manual, powerpoint slides

Organisational Behaviour

'Organizational Behavior' contains material on responding to global and cultural diversity with discussions of globalization, workforce diversity and ethics. There is an additional chapter on leadership and expanded coverage of interpersonal and behavioral skills.

Essentials of Organisational Behaviour

A Storm Called Katrina

Organizational Behaviour

This refreshing textbook shows how research into human behaviour can be applied in the workplace. It is focussed on helping students to develop the key skills they will need as future managers and employees. It assumes no prior work experience, and instead asks students to draw on their everyday experiences. They are invited to complete a range of innovative activities designed to deepen their understanding of key topics, such as personality, perception, and motivation. The book is an ideal length for one-semester taught courses. It is aimed primarily at first and second year undergraduate students on Business and Management degrees, who are taking OB modules for the first time, though could also be used on postgraduate and MBA courses.

Organizational Behaviour

For undergraduate and graduate courses in Organization Theory, Organizational Change, Macro-Organizational Behavior, Organizational Analysis, and Strategy

Implementation. This text provides the most current, thorough, and contemporary account of the factors affecting the organizational design process.

Organisational Behaviour

Organizational Behavior in Education

New Zealand organisations have undergone many changes over the past decade and are continuing to face many challenges: diversity is increasing; the management role is becoming more complex; workplaces are demanding; and there are unprecedented levels of competition. The people in organisations thus become increasingly important and play a vital role in linking all the elements of an organisation together. The third edition of ORGANISATIONAL BEHAVIOUR IN NEW ZEALAND provides management students with an understanding of the working environment. The book introduces the theory of organisational behaviour and shows how this is applied to the New Zealand environment: whether the organisation is a large corporation or a small to medium-sized enterprise; a New Zealand organisation or an overseas-owned enterprise; service oriented or manufacturing based. This book will also be useful as a reference for managers and employees wishing to continually improve their own performance. By knowing

how to observe, understand, predict and influence behaviour, they will be better equipped to improve the organisation's performance. This edition includes the most recent research in the discipline as well as new references and examples. Current issues and emerging challenges in the field of organisational behaviour are discussed and put into context.

Organizational Behaviour for the Hospitality Industry: Pearson New International Edition

For introductory courses in Organizational Behaviour, Organizational Psychology, Industrial Psychology, and Human Relations in departments of management, public administration, psychology, social work, political science, and education. Building on the success of the previous edition and the running theme that OB is for Everyone, this new edition continues to provide students with a comprehensive and readable text that helps students make the connections between the subject, the world of research that supports OB, and students' everyday lives, both now and in their future careers. Pearson's highly successful and popular MyLabshelp students study efficiently with personalized study plans, varied online learning resources and e-text. We are pleased to now be able to extend the selection of mylabs to now include MyOBLab. MyOBLab is now available packaged with the text at no extra cost.

From Teacher to Manager

The underlying theme of 'Essentials of Management and Organisational Behaviour' is the need for organisational effectiveness and the importance of the role of management as an integrating activity.

Organizational Behaviour

Realistic, intermediate-length cases make up this inexpensive casebook. Based on real events but with all names changed, the cases either illustrate theory or describe a recent real-life dilemma requiring a decision. Cases are long enough to require significant analysis from the reader, but short enough that a wide variety of topics can be covered. Describes the full range of management, systems, group, interpersonal, and individual topics; also highlights international business, globalization, diversity, ethics, communications, and human resource decisions. References each case to several leading management and organizational behavior books. Offers a versatile range of material and organization, making book suitable for a variety of uses. An inexpensive, handy reference for trainers, organizational development consultants, and other Human Resources professionals.

Essentials of Organisational Behaviour

A course aimed at ELT managers (eg. Directors and Assistant Director of Studies) and candidates undertaking the Cambridge ESOL International Diploma in Language Teaching Management (IDLTM).
