Case Study: Privatization and Bolivia's Water Crisis. In 2000, Bolivians in the city of Cochabamba took to the streets to protest the exploitative practices of a transnational company that had won the right to provide water services in the city. [18] Anti-globalization activists celebrated this victory of mostly poor mestizo and indigenous people over capitalist giants, but the situation on

The culture of Canada embodies the artistic, culinary, literary, humour, musical, political and social elements that are representative of Canada and Canadians. Throughout Canada's history, its culture has been influenced by European culture and traditions, mostly by the British and French, and by its own indigenous cultures. Over time, elements of the cultures of Canada's immigrant
