Meal Journal

RUSH, INC. is a lush playground for adults offering a variety of fantasy settings. Its unique linking system was developed for the purpose of matching two or more individuals--physically, emotionally, and sexually--for optimal compatibility. RACHEL OSLUND has the same hopes for her future most young women have: to fall in love, marry, and have children. But Rachel was brutally attacked as a child, the trauma leaving her unable to tolerate being touched. Now, at the age of twenty-three, she hopes to overcome this crippling disability by working with one of RUSH's foremost instructors, Dalton Cooper--the man with magical hands who weaves a beautiful spell with every adoring caress. MICHAEL VASSEK, easygoing and ready with a smile, is a man with many secrets. He revels in the variety of sexual partners RUSH's linking system provides, but none of them knows the man beneath the charm. No one suspects the demons gnawing at his soul . . . until he meets Rachel Oslund. With pale blonde curls tumbling down to her waist and eyes as blue as a Florida sky, he's enchanted . . . then shaken by the conversation they share. Suddenly wary, he draws back. But he watches her, unable to fight an attraction that ensnares him in a

way nothing else has before, returning time and again until he'll do whatever it takes to make Rachel his. Warning: This book contains explicit sex and strong language.

Fast Green Car

New Adult Paranormal Romance ** Mature Content **
Recommended for ages 16+ due to sexual situations and language This book includes realistic scenes of domestic violence that are not gratuitously graphic, but may be disturbing to sensitive readers. Hearts break. Souls shatter. Love lies in The Space Beyond. As members of the Phoenix, Jeric and Leni are thrust into their new lives, expected to lead Earth's Guardians. But Leni struggles with trusting her own soul, and Jeric is more concerned about keeping Leni

safe than meeting others' demands. When Darkness swarms Lake Haven, they embark on their first mission with little preparation and no idea which soul the Dark hunts. Born and raised in Lake Haven, Bex hopes to escape her small-town life, ideally in the arms of her soul mate. She knows he exists, and her heart aches with the need to find him. When her long-lost mama calls to announce she's knockin' on death's door, Bex reluctantly makes the trip to see the uncaring bitch (bless her heart), only to be knocked off her feet by the sexy and charming Dr. Mason Hayes. Is he really The One? Leni's soul felt an instant connection to Bex, but if Bex found her soul mate, she isn't their mission. So who is, and why does Leni instinctively feel drawn to her? Can Leni even trust her intuition? And will Jeric step up and lead when the time comes or continue to hold them back? If they don't learn to trust themselves and each other quickly, Darkness will claim them all along with the rest of Earth's souls.
