primary focus is on Hindu Temples, and anyone who has been paying attention

### **Animals & Plants | San Diego Zoo**

A zoo (short for zoological garden; also called an animal park or menagerie) is a facility in which animals are housed within enclosures, cared for, displayed to the public, and in some cases bred.. The term "zoological garden" refers to zoology, the study of animals. The term is derived from the Greek ζῷον, 'zoon', "animal," and the suffix -λογία, '-logia', "study of".
