### Two Years in Oregon

Sometimes a real hero lets you save yourself . . . Sayer Cole and Zeb Fuller couldn't be more different. She's country club and fine-dining, he's cell-block and sawdust. Sayer spends her days in litigation while Zeb spends his working with his hands. But none of that has stopped Zeb from wanting the stunning blonde since the moment he laid eyes on her—even if the reserved lawyer seems determinedly oblivious to his interest. Sayer is certain the rough, hard, hot-as-hell Zeb could never want someone as closed off and restrained as she is, which is a shame because something tells her he might be the guy to finally melt her icy exterior. When he shows up at Sayer's door needing her professional help, she's both disappointed and relieved that she won't get the chance to find out just how good he could be. But as they team up to right a wrong and save a family, the steam created when fire and ice collide cannot be ignored. "Crownover weaves a tale that touches every emotion and keeps the pages turning." —Liliana Hart, New York Times bestselling author

After all, he's the youngest brother and the most laid back one in the family. He's the one known for going with the flow and not making waves, even when things seem to be at their worst. Very few things in life have had the ability to rile Lane up and get under his skin. At the top of that list is his childhood friend Brynn Fox. Brynn Warner. The fact that they share a last name was the one thing that has the power to light him up and spin him out of control like no other. There was no calm, cool and collected when it comes to all the reasons why Brynn had to become part of his family. It's slowly killing him to keep wanting what he can't have, so Lane sees only one way to stop himself from doing something they'll both regret: he has to leave. Everything inside of her is calling out to find him, to follow, to bring him home. Brynn Warner is used to being stuck between a rock and a hard place. After all, she's the daughter of an unrepentant gold-digger who never once blinked at being the cause of her daughter's pain and suffering. Very few things in her life have

She's everything that he wants, wrapped up in a cute little package that is stamped 'hands freakin' off.' She's four years younger than him, in school to be a doctor, and thinks football is stupid. Even more, Linc and Conleigh get along like oil and water. There's not a single second that they're in each other's presence that they're not at each other's throats. But all it takes is hearing that she's in trouble for Linc to drop every single thing—football and MC duties alike—and head to her side. A side that he'll remain at until they either kill each other, or finally give into the heat between them. Either way you look at it, he's well and truly screwed.

### **Built**

A full-length STANDALONE romantic comedy from USA TODAY bestselling author R.S. Grey. Dr. Russell has a bad reputation around our hospital. The scrub techs say he's cold-blooded, the nurses say he's too cocky for his own good, and the residents say he's the best surgeon in the world—really, just a swell guy!—on the off chance he's within earshot. I try to avoid him and his temper at all costs. It's just as easy to admire his sexy, grip-it-while-he's-ravishing-you hair and chiseled jaw from a healthy distance, preferably from the other end of the hallway—half-hidden behind a plant. Unfortunately, my plan crumbles when my trusty ol' boss decides to swap his white coat for a Hawaiian shirt. His retirement leaves me with two terrible options: switch specialties and spend months retraining, or take an open position as Dr. Russell's surgical assistant. That means I have to stand near him in the OR for hours on end and anticipate his every need without letting his biting words and bad attitude intimidate me. Oh, and as if that's not difficult enough, my silly crush on him—the one I've tried to stomp on until it disappears—might just be reciprocated. It's fine. I'm fine. I take my job seriously. There will be no smoldering bedroom eyes across the operating table, no angry almost-kisses in the supply closet. (Well, no more of those.) What's the phrase? An apple a day keeps the doctor away? Maybe I should go for a whole damn bushel. **HOTSHOT DOC** is a full-length romantic comedy. For a limited time, I've also included an excerpt from my #1 bestseller **ANYTHING YOU CAN DO!**

The book not only instructs how to execute the goal of each exercise, but how to build with variations and challenge each exercise, preparing the body for the next exercise to come. The book explains how and why to choose a variation to suit the needs of the student. It includes a comprehensive look at the connection between not only the Prior Exercise and the "Thread" that binds them, but the "Thread" that runs through the link between the Spinal Function of the exercise's predecessor. The book includes the purpose of each exercise, which enables you to "break it down" so the Purpose remains unchanged and the Method preserved. The Red Thread: The Integrated System and Variations of Pilates - The Mat offers Teachers tips on how to spot, what to look for, the Don't, Do's and Major Benefits of the exercise. The 1400 plus photos are taken both from the traditional vantage point and from the Teacher's view. The Pilates Method is also presented in easy to read Charts. The Charts offer a multitude of vantage points to build the work from. These include Spinal Functions and cover a vast range of injuries. "My hope is that The Red Thread: The Integrated System and Variations of Pilates - The Mat will give both the Teacher and the Student insight into the Method we know as Pilates, the tools you need and elicit critical thinking. needed to understand that the Pilates Method is NOT just a list of exercises and why, at each level of the work, one exercise follows another. The Red Thread: The Integrated System and Variations of Pilates - The Mat presents an understanding that this Method is NOT black and white, but a beautiful colorful canvas as unique as the body before you."

### **Talkin' Trash**

New York Times and USA Today bestselling author Jay Crownover returns with a heart-stopping new series... Welcome to the Point. There's a difference between a bad boy and a boy who's bad . . . meet Shane Baxter. Sexy, dark, and dangerous, Bax isn't just from the wrong side of the tracks, he is the wrong side of the tracks. A criminal, a thug, and a brawler, he's the master of bad choices, until one such choice landed him in prison for five years. Now Bax is out and looking for answers, and he doesn't care what he has to do or who he has to hurt to get them. But there's a new player in the game, and she's much too innocent, much too soft...and standing directly in his way. Dovie Pryce knows all about living a hard life and the tough choices that come with it. She's always tried to be good, tried to help others, and tried not to let the darkness pull her down. But the streets are fighting back, things have gone from bad to worse, and the only person who can help her is the scariest, sexiest, most complicated ex-con The Point has ever produced. Bax terrifies her, awakening feelings she never thought she'd have for a guy like him. But it doesn't take Dovie long to realize . . . some boys are just better when they're bad.

Jay Crownover's New York Times and USA Today bestselling Marked Men series continues with the much anticipated story of southern charmer and certified criminal Asa Cross. Starting over in Denver with a whole new circle of friends and family, Asa Cross struggles with being the man he knows everyone wants him to be and the man he knows he really is. A leopard doesn't it change its spots and Asa has always been a predator. He doesn't want to hurt those who love and rely on him, especially one luscious arresting cop who suddenly seems to be interested in him for far more than his penchant for breaking the law. But letting go of old habits is hard, and it's easy to hit bottom when it's the place you know best. Royal Hastings is quickly learning what the bottom looks like after a tragic situation at work threatens not only her career but her partner's life. As a woman who has only ever had a few real friends she's trying to muddle through her confusion and devastation all alone. Except she can't stop thinking about the sexy southern bartender she locked up. Crushing on Asa is the last thing she needs but his allure is too strong to resist. His long criminal record can only hurt her already shaky career and chasing after a guy who has no respect for the law or himself can only end in heartbreak. A longtime criminal and a cop together just seems so wrong . . . but for Asa and Royal, being wrong together is the only right choice to make.
