Sewing is the perfect hobby - it is relaxing, creative and extremely useful! But sewing machines can seem complicated. This book has everything you need to know to choose, use and look after your sewing machine with confidence. The first chapters will help you choose a machine, explaining which features to look out for. Once you've got your machine home, the step-by-step instructions will help you get to grips with everything. Learn how to set up your machine and its basic functions including: winding a bobbin, threading up and adjusting tension and stitch size. With plenty of information on basic dressmaking techniques, you will soon be tackling seams and hems, zips and buttonholes, gathers and pleats, binding and trimming. Feeling creative? Try out some decorative techniques - with machine embroidery, appliqué, patchwork and quilting. And if you get stuck, there is an invaluable trouble shooting section along with a jargon busting glossary. So whether you want to use your sewing machine to carry out simple repairs, customize and alter your vintage finds, create a whole new wardrobe from scratch, or make a stylish curtains and cushions for your home, be sure to have this manual by your side at all times!

From Millwrights to Shipwrights to the Twenty-first Century

Sewing is no longer the preserve of grandmothers and aunts. The popularity of vintage clothing and brands such as Cath Kidston have led to a revival of 'make do and mend', and people of all ages are getting creative. This title starts with the basic kit and techniques before introducing fastenings, embellishments, clothing and home furnishings.

How to Use a Sewing Machine

This early work is a fascinating read for sewing enthusiasts and contains much information that is useful and practical today. Its 240 pages are extensively illustrated with diagrams and photographs and 18 full page plates, forming a complete how-to guide to sewing. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
