## How to Explore Your Career Choices

American authorities encouraged business practices and industrial policies that have since become sources of contention between Japan and its major trade partners, notably the United States. During the occupation, GHQ/SCAP mostly abolished many of the financial coalitions known as the Zaibatsu, which had previously monopolized industry.

Post-occupation Japan is the period in Japanese history which started after the Allied occupation of Japan that ended in 1952. In that time, Japan has established itself as a global economic and political power. The post-war constitution was enacted on November 3, 1946 and became effective May 3, 1947. It included Article 9 clause, which restricted Japan from having a military force and
