The Home Children

This dissertation remembers the Carlisle Indian Industrial School--the flagship of the American Assimilation era's education program. From 1879 to 1918, the United States government operated the Carlisle Indian Industrial School at the military barracks in Carlisle, Pennsylvania. It was the first government-funded, co-educational, secular, non-reservation Indian School to be established, and its design became the template for at least twenty-five additional non-reservation boarding schools during the Assimilation era, 1880-1924. This dissertation revisits the Carlisle Indian Industrial School with three interrelated goals: (i) to understand how the school functioned as a site at which State policies were articulated and employed; (ii) to examine the ways in which those State policies shaped student experiences of school; and (iii) to recall the impact that Carlisle had upon individual student lives after school. Some 8,500 students from at least seventy-five Native

American Nations spent time at Carlisle, learning basic academic skills as well as receiving vocational training. These students were not only learning how to read, write and have a trade, they were also learning how to be Indian. That these lessons were not always voluntary, that their reception was uneven, and that their content shifted over time in no way diminishes their impact. It is these lessons about identity that this dissertation explores.

We Rode the Orphan Trains

“WANTED. YOUNG, SKINNY, WIRY FELLOWS. NOT OVER 18. MUST BE EXPERT RIDERS. WILLING TO RISK DEATH DAILY. ORPHANS PREFERRED.” —California newspaper help-wanted ad, 1860 The Pony Express is one of the most celebrated and enduring chapters in the history of the United States, a story of the all-American traits of bravery, bravado, and entrepreneurial risk that are part of the very fabric of the Old West. No image of the American West in the mid-1800s is more familiar, more beloved, and more powerful than that of the lone rider galloping the mail across hostile Indian territory. No image is more revered. And none is less understood. Orphans Preferred is both a revisionist history of this magnificent and ill-fated adventure and an entertaining look at the often larger-than-life individuals who created and perpetuated the myth of “the Pony,” as it is known along the Pony Express trail that runs from St. Joseph, Missouri, to Sacramento, California. The Pony Express is a story that exists in the annals of Americana where fact and fable collide, a story as heroic as the journey of Lewis and Clark, as complex and revealing as the legacy of Custer’s Last Stand, and as muddled and freighted with yarns as Paul Revere’s midnight ride. Orphans Preferred is a fresh and exuberant reexamination of this great American story.

The Home

The Home for Unwanted Girls meets Orphan Train in this unforgettable novel about a young girl caught in a scheme to rid England's streets of destitute children, and the lengths she will go to find her way home—based on the true story of the British Home Children. 2018 At ninety-seven years old, Winnifred Ellis knows she doesn't have much time left, and it is almost a relief to realize that once she is gone, the truth about her shameful past will die with her. But when her great-grandson Jamie, the spitting image of her dear late husband, asks about his family tree, Winnifred can't lie any longer, even if it means breaking a promise she made so long ago 1936 Fifteen-year-old Winny has never known a real home. After running away from an abusive stepfather, she falls in with Mary, Jack, and their ragtag group of friends roaming the streets of Liverpool. When the children are caught stealing food, Winny and Mary are left in Dr. Barnardo's Barkingside Home for Girls, a local home for orphans and forgotten children found in the city's slums. At Barkingside, Winny learns she will soon join other boys and girls in a faraway place called Canada, where families and better lives await them. But Winny's hopes are dashed when she is separated from her friends and sent to live with a family that has no use for another daughter. Instead, they have paid for an indentured servant to work on their farm. Faced with this harsh new reality, Winny clings to the belief that she will someday find her friends again. Inspired by true events, The Forgotten Home Child is a moving and heartbreaking novel about place, belonging, and family—the one we make for ourselves and its enduring power to draw us home.

The Orphan's Tale

ORPHAN, CLOCK KEEPER, AND THIEF, twelve-year-old Hugo lives in the walls of a busy Paris train station, where his survival depends on secrets and anonymity. But when his world suddenly interlock with an eccentric girl and her grandfather, Hugo's undercover life, and his most precious secret, are put in jeopardy. A cryptic drawing, a treasured notebook, a stolen key, a mechanical man, and a hidden message from Hugo's dead father form the backbone of this intricate, tender, and spellbinding mystery.

Together with God: Stories of Faith

Look out for Pam's new book, *The Lost Girls of Paris*, a story of friendship and courage centered around three women and a ring of female spies during World War II. A New York Times bestseller! "Readers who enjoyed Kristin Hannah's *The Nightingale* and Sara Gruen's *Water for Elephants* will embrace this novel. " —Library Journal "Secrets, lies, treachery, and passion.... I read this novel in a headlong rush." —Christina Baker Kline, #1 New York Times bestselling author of *Orphan Train* A powerful novel of friendship set in a traveling circus during World War II, *The Orphan's Tale* introduces two extraordinary women and their harrowing stories of sacrifice and survival Sixteen-year-old Noa has been cast out in disgrace after becoming pregnant by a Nazi soldier and being forced to give up her baby. She lives above a small rail station, which she cleans in order to earn her keep... When Noa discovers a boxcar containing dozens of Jewish infants bound for a concentration camp, she is reminded of the child that was taken from her. And in a moment that will change the course of her life, she snatches one of the babies and flees into the snowy night. Noa finds refuge with a German circus, but she must learn the flying trapeze act so she can blend in undetected, spurning the resentment of the lead aerialist, Astrid. At first rivals, Noa and Astrid soon forge a powerful bond. But as the facade that protects them proves increasingly tenuous, Noa and Astrid must decide whether their friendship is enough to save one another—or if the secrets that burn between them will destroy everything.

Finding the Right Spot

A combination of therapy and expertise in literature, this book explains the six archetypes derived from 4,000 years of

literature and how they may guide unhappy people seeking meaning in their lives. Holding up the great books as the best way to understand these timeless story elements, the discussion devotes a chapter to each of the six archetypes: the innocent, the orphan, the pilgrim, the warrior-lover, the monarch pair, and the magician. Story structures are shown to be particularly suited to therapy with adolescents, many of whom have never stepped away from television and the shopping mall long enough to understand their unmet spiritual needs.

Family Matters

In 1893 New York, thirteen-year-old Maks, a newsboy, teams up with Willa, a homeless girl, to clear his older sister, Emma, from charges that she stole from the brand new Waldorf Hotel, where she works. Includes historical notes.

Orphans of the Living

Uncovers the true history of American orphanages, revealing what it was like to eat, sleep, study, and play in such institutions, why children were sent to live there in the first place, what happened to them after they left, and more.

Orphans of the Living

In August 2004, Parliamentary senators wept as they presented *Forgotten Australians*, the report from the Senate Inquiry into the treatment of children in care. Half a million children grew up in 'care' in twentieth-century Australia, and most often these children lived with daily brutal physical and emotional abuse in the sterile environment of an institution. In *Orphans of the Living*, drawing from interviews, submissions to the Senate Inquiry, and her own experience, Joanna Penglase describes, for the first time, the experience from the perspective of the survivors. With tenderness, compassion and intellect, Penglase begins to unravel the seemingly inexplicable: how and why did this happen? She looks not only at the profound personal costs to these children, but the huge social and economic costs of these past policies.

Stories for Worship and how to Follow Them Up

The Invention of Hugo Cabret

Telling Stories Out of School

Mary mouse is a skilled thief of useful human items. At the Cherry Street Children's Home, the entire mouse community admires her . . .until a mission goes wrong and an exterminator is called. Suddenly Mary is in grave danger of being exiled. Ten-year-old Caro McKay also resides at Cherry Street. Helpful, likable, and smart, she is a model orphan . . .until her curiosity gets her into trouble. When mouse and orphan meet, they cannot fully communicate with each other, yet they feel an understanding. They will each discover that this unusual friendship is absolutely vital as they try to hold on to the lives they know. Set in 1949 and taking inspiration from E. B. White's Stuart Little, this heartwarming and exciting novel reads like a classic.

The Last Orphans

When we speak of God reaching out to humans, it is called revelation, and the human response to revelation is inspiration.

A Treasury of Jewish Inspirational Stories is meant to move the head and the heart to appreciate, as author Lawrence J. Epstein writes, "the effects that divine influence and guidance have had on Jewish individuals, communities, and history." The stories he has gathered manifest the many forms of this human response. As in his previous best-selling volume, A Treasury of Jewish Anecdotes, Epstein shows us his remarkable skill of gathering tales and his talent for retelling them in a voice that speaks clearly to a contemporary audience. These are not stories of purported miracles. Nor are they always verifiable. Some of the stories are folktales, others are exaggerations. Some are biographical, others are snapshots from history. But all have a singular theme and goal: renewed faith in divine guidance or in the human capacity to do good deeds. Epstein explains in his introduction that an inspirational story can affect its listener in many ways: it can clarify religious ideas, lead to spiritual experiences, reinforce theological notions, provide peace of mind, give birth to motivation for spiritual action, and serve as a model for living. To find such stories for A Treasury of Jewish Inspirational Stories, Epstein searched every corner of Jewish experience, from the Bible to modern times. He combed the classical literature, hasidic lore, and the lives of well-known Jewish personalities - such as Hillel, Rashi, and Maimonides - as well as lesser-known figures and ordinary individuals, looking for tales that provide us with a "shock of insight into eternal mysteries." These stories, Epstein goes on to say, help us "become connected to a divine process we can only dimly comprehend, but one to which we react with awe and reverence." A Treasury of Jewish Inspirational Stories is a fine sourcebook for what the author describes as "a special kind of literature." Epstein has provided us with retellings of such stories as the Exodus from Egypt, Mount Sinai, the receiving of the Ten Commandments, the story of Esther, Judah Maccabee, Herzl and the rebirth of Israel, the fighters of the Warsaw Ghetto - over 125 "stories that move the intellect and the emotions." Epstein remarks that the original idea for writing a book of inspirational stories came after listening to a survivor of the Holocaust. It is his hope that A Treasury of Jewish Inspirational Stories will allow readers to search for the inspirational stories in their own lives.

Before and After

From 1870 to 1930 British Home children, over 1000,00 of them, arrived to work on Canadian farms. Travelling in groups of up to 400, their worldly possessions in small metal trunks, they came from the discipline of British Homes to the land that was believed to offer the best hope for their future. Some of them are still living; their personal stories have been compiled and edited by Phyllis Harrison. From childhood memories, the writers tell of the harsh conditions that separated them from family and friends, of the reality of loneliness, of grinding hard work, discrimination, and disappointment.

Stories We Need to Know (Large Print 16pt)

In this deeply moving and myth-shattering work, Ann Fessler brings out into the open for the first time the astonishing untold history of the million and a half women who surrendered children for adoption due to enormous family and social pressure in the decades before Roe v. Wade. An adoptee who was herself surrendered during those years and recently made contact with her mother, Ann Fessler brilliantly brings to life the voices of more than a hundred women, as well as the spirit of those times, allowing the women to tell their stories in gripping and intimate detail.

Orphans of the Night

History.

The Orphan and the Mouse

From Christina Baker Kline comes a novel about two women: one about to age out of the foster care system, the other 90 years old and carrying both a tremendous secret and a story of a life formed by a part of American history almost entirely forgotten: the Orphan Trains Molly Ayer has one last chance, and she knows it. Close to being kicked out of her foster home -- just months from turning 18 and "aging out" of the system -- Molly should be grateful that her boyfriend found her a community service project: helping an old lady clean out her home. Molly can't help but think that the 50 hours will be tedious, but at least they'll keep her out of juvie, and right now that's all she cares about. Ninety-one-year-old Vivian Daly has lived a quiet life on the coast of Maine for decades. But in her attic, hidden in trunks, are keys to a turbulent past. Molly is about to discover -- as she and Vivian unpack her possessions, and memories -- that Vivian's story is a piece of America's tumultuous history now largely forgotten: the tale of a young Irish immigrant, orphaned in New York City and put on a train to the Midwest with hundreds of other orphaned children whose destiny would be determined by luck and chance. As Molly digs deeper, she finds surprising parallels in her own experience as a Penobscot Indian and Vivian's story -- and Molly realizes that she has the power to help Vivian find answers to mysteries that have haunted her for her entire life. Rich in detail and epic in scope, *THE TRAIN RIDER* is a powerful novel of upheaval and resilience, of second chances, of unexpected friendships, and of the secrets we carry with us that keep us from finding out who we are.

The Mole People

A young girl living with her foster parent describes the emotional ups and downs of being separated from her mother and living in unfamiliar surroundings.

From the Mixed-Up Files of Mrs. Basil E. Frankweiler

The breathtaking fantasy adventure for fans of His Dark Materials that The Times calls 'Unputdownable'. The City was built on a sharp mountain that jutted improbably from the sea, and the sea kept trying to claim it back. That grey morning, once the tide had retreated, a whale was found on a rooftop. When a mysterious boy washes in with the tide, the citizens believe he's the Enemy - the god who drowned the world - come again to cause untold chaos. Only Ellie, a fearless young inventor living in a workshop crammed with curiosities, believes he's innocent. But the Enemy can take possession of any human body and the ruthless Inquisition are determined to destroy it forever. To save the boy, Ellie must prove who he really is - even if that means revealing her own dangerous secret . . . 'Unputdownable' - The Times 'Enthralling' - The Daily Express 'Sumptuously atmospheric . . . tirelessly inventive' - The Daily Telegraph 'Gripping' - The Guardian 'Energetic and inventive' - Sunday Times 'Gripping and original' - The Observer 'Singularly brilliant' - Kiran Millwood Hargrave, author of The Girl of Ink and Stars and The Mercies 'Compellingly inventive and unpredictable' - Piers Torday, author of The Last Wild 'A terrific debut of strange myths and dark secrets' - The Bookseller (Editor's Choice)

Alone in the World

Orphans of the Sky

Explores the underground communities beneath New York City, examining the people that live there, the factors that influenced their decision to move below ground, and the sense of identity individuals find in this alternative world

The Girls Who Went Away

Ancient myths told of a place called Earth, but the modern world knew it was nonsense. Science knew the Ship was all the Universe, and as long as the sacred Converter was fed, lights would glow and air would flow through the miles of metal corridors. Hugh never questioned these truths until a despised mutie showed him the Control Room and he learned the true nature of the Ship and its mission.

Before We Were Yours

The compelling, poignant true stories of victims of a notorious adoption scandal--some of whom learned the truth from Lisa Wingate's bestselling novel *Before We Were Yours* and were reunited with birth family members as a result of its wide reach. From the 1920s to 1950, Georgia Tann ran a black-market baby business at the Tennessee Children's Home Society in Memphis. She offered up more than 5,000 orphans tailored to the wish lists of eager parents--hiding the fact that many weren't orphans at all, but stolen sons and daughters of poor families, desperate single mothers, and women told in maternity wards that their babies had died. The publication of Lisa Wingate's novel *Before We Were Yours* brought new awareness of Tann's lucrative career in child trafficking. Adoptees who knew little about their pasts gained insight into the startling facts behind their family histories. Encouraged by their contact with Wingate and award-winning journalist Judy Christie, who documented the stories of fifteen adoptees in this book, many determined Tann survivors set out to trace their roots and find their birth families. *Before and After* includes moving and sometimes shocking accounts of the ways in which adoptees were separated from their first families. Often raised as only children, many have joyfully reunited with siblings in the final decades of their lives. Christie and Wingate tell of first meetings that are all the sweeter and more intense for time missed and of families from very different social backgrounds reaching out to embrace better-late-than-never brothers, sisters, and cousins. In a poignant culmination of art meeting life, many of the long-silent victims of the tragically corrupt system return to Memphis with the authors to reclaim their stories at a Tennessee Children's Home Society reunion . . . with extraordinary results. Advance praise for *Before and After*: "In *Before and After*, authors Judy Christie and Lisa Wingate tackle the true stories behind Wingate's blockbuster *Before We Were Yours*, of the orphans who survived the Tennessee Children's Home Society. With a journalist's keen eye and a novelist's elegant prose, Christie and Wingate weave together the stories that inspired *Before We Were Yours* with the lives that were changed as a result of reading the novel. Readers will be educated, enlightened, and enraptured by this important and flawlessly executed book."--Pam Jenoff, author of *The Orphan's Tale* and *The Lost Girls of Paris*

The Thief Lord

THE BLOCKBUSTER HIT—Over two million copies sold! A *New York Times*, *USA Today*, *Wall Street Journal*, and *Publishers Weekly* Bestseller. Look for Lisa Wingate's powerful new historical novel, *The Book of Lost Friends*, available now! "Poignant, engrossing."—*People* • "Lisa Wingate takes an almost unthinkable chapter in our nation's history and weaves a tale of enduring power."—Paula McLain *Memphis*, 1939. Twelve-year-old Rill Foss and her four younger siblings live a magical life aboard their family's Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge—until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage, the Foss children are assured that they will soon be returned to their parents—but they quickly realize the dark truth. At the mercy of the facility's cruel director, Rill fights to keep her sisters and brother together in a world of danger and uncertainty. Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford

seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long-hidden history, on a path that will ultimately lead either to devastation or to redemption. Based on one of America's most notorious real-life scandals—in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country—Lisa Wingate's riveting, wrenching, and ultimately uplifting tale reminds us how, even though the paths we take can lead to many places, the heart never forgets where we belong. Publishers Weekly's #3 Longest-Running Bestseller of 2017 • Winner of the Southern Book Prize • If All Arkansas Read the Same Book Selection This edition includes a new essay by the author about shantyboat life.
