"Whether describing mystical visions or the rhythms of everyday life, Erickson turns the spiritual journey into a series of exciting transformations." —Publishers Weekly (starred review) From her childhood on an Iowa farm, Lori Erickson grew up to travel the world as a writer specializing in holy sitesjournneys that led her on an ever-deepening spiritual quest. In Holy Rover, she weaves her personal narrative with descriptions of a dozen pilgrimages. Along the way, Erickson encounters spiritual leaders who include the chief priest of the Icelandic pagan religion of Asatru, a Trappist monk at Thomas Merton's Gethsemani Abbey, and a Lakota retreat director at South Dakota's Bear Butte. Both irreverent and devout, Holy Rover includes images of holy sites around the world taken by several of the nation's leading travel photographers. Travel writer,

Episcopal deacon, and author of the Holy Rover blog at Patheos, Erickson is an engaging guide for pilgrims eager to take a spiritual journey. Her book describes travels that changed her life and can change yours, too.

Personal Narrative of a Pilgrimage to Al-Madinah and Meccah, Volume One

We all encounter times when our spirit feels dry, when doubt looms. The opportunity to tour Israel came at a good time. For months, my life has been a mindless plodding through necessary routine, as monotonous as an all-night shift on an assembly line. Life gets that way sometimes, when nothing specific is wrong but the world around us seems drained of color. Even my weekly worship experiences and daily quiet times with God have felt as dry and stale as last year's crackers. I'm ashamed to confess the malaise I've felt. I have been given so much. Shouldn't a Christian's life be an abundant one, as exciting as Christmas morning, as joyful as Easter Sunday? With gripping honesty, Lynn Austin pens her struggles with

spiritual dryness in a season of loss and unwanted change. Tracing her travels throughout Israel, Austin seamlessly weaves events and insights from the Word . . . and in doing so finds a renewed passion for prayer and encouragement for her spirit, now full of life and hope.

Pilgrimage

Personal Narrative of a Pilgrimage to Al-Madinah & Meccah

Since the 1950s, millions of American Christians have traveled to the Holy Land to visit places in Israel and the Palestinian territories associated with Jesus's life and death. Why do these pilgrims choose to journey halfway around the world? How do they react to what they encounter, and how do they understand the trip upon return? This book places the answers to these questions into the context of broad historical trends, analyzing how the growth of mass-market evangelical and Catholic pilgrimage relates to changes in American Christian theology and culture over the last sixty years, including shifts in Jewish-Christian relations, the growth of small group spirituality, and the development of a Christian leisure industry. Drawing on five years of research with pilgrims before, during and after their trips, *Walking Where Jesus Walked* offers a lived religion approach that explores the trip's hybrid nature for pilgrims themselves: both ordinary and tied to their everyday role as the family's ritual specialists, and extraordinary since they leave home in a dramatic way, often for the first time. Their experiences illuminate key tensions in contemporary US Christianity between material evidence and transcendent divinity, commoditization and religious authority, domestic relationships and global experience. Hillary Kaell crafts the first in-depth study of the cultural and religious significance of American Holy Land pilgrimage after 1948. The result sheds light on how Christian pilgrims, especially women, make sense of their experience in Israel-Palestine, offering an important complement to top-down approaches in studies of Christian Zionism and foreign policy."

From "the world's greatest tour guide," a deeply-researched, captivating journey through the rich history of Christianity and the winding paths of the French and Italian countryside that will feed mind, body, and soul (New York Times). "What a wondrous work! This beautifully written and totally clear-eyed account of his pilgrimage will have you wondering whether we should all embark on such a journey, either of the body, the soul or, as in Egan's case, both." --Cokie Roberts "Egan draws us in, making us feel frozen in the snow-covered Alps, joyful in valleys of trees with low-hanging fruit, skeptical of the relics of embalmed saints and hopeful for the healing of his encrusted toes, so worn and weathered from their walk."--The Washington Post Moved by his mother's death and his Irish Catholic family's complicated history with the church, Timothy Egan decided to follow in the footsteps of centuries of seekers to force a reckoning with his own beliefs. He embarked on a thousand-mile pilgrimage through the theological cradle of Christianity to explore the religion in the world that it created. Egan sets out along the Via Francigena, once the major medieval trail leading the devout to Rome, and travels overland via the alpine peaks and small mountain towns of France, Switzerland and Italy, accompanied by a quirky cast of fellow pilgrims and by some of the towering figures of the faith--Joan of Arc, Henry VIII, Martin Luther. The goal: walking to St. Peter's Square, in hopes of meeting the galvanizing pope who is struggling to hold together the church through the worst crisis in half a millennium. A thrilling journey, a family story, and a revealing history, A Pilgrimage to Eternity looks for our future in its search for God.
