Seductions Exposed

Tomba-la-ca, tomba-la-ca, tomba-la! Come enter into the creepy-crawly, mischievous and mysterious world of Skeletitos, where being on the other side of life is never an excuse for not having a good time! Inspired by the beautiful Mexican calavera art by Jose Guadalupe Posada, Skeletitos is a celebration of the ordinary and the completely extraordinary. Tap your fingers or stomp your feet, no need to sit still. After all, before you know it, our time will be up! Our Day of the Dead themed tales carry a comedic twist for kids, encouraging them to be wary, conscious, funny and self-aware. The first book in the Skeletitos collection features a moveable clock. Little fingers will be tempted to change the hour along with the story, while learning to count and tell time!

The New Finance

Themes of Contemporary Art: Visual Art after 1980 (Fourth Edition) is a unique introduction to eight important themes that have recurred in art over the past few decades-identity, the body, time, memory, place, language, science, and spirituality. Jean Robertson and Craig McDaniel provide an intriguing and accessible guide that will stimulate students, gallery goers, and other readers to think actively and critically about visual art from 1980 to the present. The opening chapter provides a concise overview of the period, analyzing how key changes (the rise of digital media, a growing awareness of globalization, the influence of theory, the use of the Internet, and interactions with everyday culture) have resulted in an art world with dramatically expanded boundaries. Each of the remaining eight chapters features an introduction to one theme; a brief look at historical precedents and influences; a detailed analysis of how contemporary artists have responded to and embodied aspects of the theme in specific works; and two in-depth and fascinating profiles of artists who have extensively explored aspects of the theme in his or her work. Generously illustrated in full color, Themes of Contemporary Art: Visual Art after 1980 (Fourth Edition) covers an international array of artists working with an immense variety of materials, techniques, subjects, and forms. A timeline that situates contemporary art in the context of major events

inworld history, art, and popular culture enhances the engaging, readable text.

Horrible Stories My Dad Told Me

Skeletitos: Make Every Moment Count

The Good Enough Teen

Big Mama blog founder and New York Times bestselling author Melanie Shankle helps us sort through our questions about being true to ourselves in a world gone crazy and what matters the most in the end. These days, so many voices tell us what to do, what to think, and what kind of parent or friend or spouse to be that it's easy to feel overwhelmed and defeated. Somewhere in the midst of online arguments and crazy politics and the ups and downs of life, we've lost sight of the gifts that are all around us: kindness, love, mercy, and joy. In *On the Bright Side*, Melanie Shankle reminds us of the unchanging principles we can count on in a changing world. These are lessons that Melanie has learned along the way about how to find all the joy that life has to offer - and why encouragement is never something to keep to ourselves. Exploring topics such as dealing with comparisons, when life doesn't turn out like we expected, and how to find your people, Melanie invites us to lead with love in all areas of our lives. This delightful memoir highlights the joys of life told in Melanie's down to earth, relatable, and totally enjoyable style. *On the Bright Side* is a how-to guide to knowing - and living - what matters most.

Song of a Prisoner

Julius Chongo is a household name in Zambia, a celebrated Chewa poet and raconteur, renowned for adapting and creating a popular radio drama of oral prose

and poetic narratives known in Chewa or Njanja as 'Poceza M?Madzulo'. The serial ran for ten years between 1966 and 1976 and became a hit amongst both rural and urban Zambians. The stories, which mix realism and illusion, were adapted from the storytelling tradition, and the story theatre performance tradition of the Chewa and Njanja speaking peoples of Northern Mozambique, Malawi and Zambia, as an effort to keep this tradition alive. In the same spirit, the stories have been transcribed and translated into English for a new generation. Although not intended for the written medium, the stories convey much of Chongo's idiom, originality and aesthetic devices. The corpus of stories and their translations are thus a valuable contribution to an understanding of Zambian oral literature in indigenous languages, and as a means of communicating these cultures. Further the work is an important effort to address the underdeveloped area of publishing in indigenous languages and literature in Zambia, a prerequisite for the nurturing of local cultural identity.

I Am Dianna

Feminizing Her Husband

Majibu Ya Mazoezi

ENJOYING THE CHASE is a stand alone companion novel of Nothing Left to Lose. *** due to some heavy language and sexual content, this book is intended for persons aged 18+ *** After more than 20 million reads online, Nate and his pick-up lines are now coming to an E-reader near you! Nate Peters is living the playboy life. He has great friends, a great job, no responsibilities, no girlfriend, and he loves it. Nate, being incredibly skilled with a pick-up line, has never failed to get a girl in his life until one day he meets Rosie York. Rosie is completely uninterested in him. Being unable to stand a dented ego, Nate makes it his mission to win her over. Not used to putting in much effort, Nate is surprisingly enjoying the chase of this off-limits little brunette. Maybe he has finally met his match But Rosie has a few surprises of her own which will make it remarkably more difficult for him to get close to her. A Romance / Humour that will make you laugh, cry and scream in frustration.

An Introduction to Yōkai Culture

Based on the life of the author, this novel tells the story of a crippled Irish author who moves to suburban Connecticut to finish his second book

Uncle's Joke

Why I Assassinated Mahatma Gandhi?

This massive authoritative Swahili dictionary, is the most definitive and comprehensive in existence. It has taken a team of lexicographers and academics

fourteen years to prepare, with the support of the Institute of Kiswahili Research in Dar es Salaam. The last comparable edition was in 1939, and was primarily intended to help the user to comprehend English texts. The dictionary records new words and meanings of words which the language has acquired since 1939; and provides lexicographical information needed by current dictionary users. There are more than 50,000 entries, with an attempt to give every English word an equivalent in Swahili, or otherwise a phrase; and the vocabulary covers both general and specialized language. Guidance is provided on use and connotation, word formation and syntax, and derivatives and compounds of a headword are explicitly shown in each entry. The full information and arrangement given for each entry is: headword, homographs, wordclass, alternative spelling of a headword, cross-reference, gloss, definition, subject label, usage label, regional label, senses separated by numbers, illustrative examples, compounds, derivatives, and adjectival complementation.

Soul Redemption

Is my ordinary, everyday life actually significant? Is it okay to be fulfilled by the simple acts of raising kids, working in an office, and cooking chicken for dinner? It's been said, "Life is not measured by the number of breaths we take, but by the number of moments that take our breath away." The pressure of that can be staggering as we spend our days looking for that big thing that promises to take our breath away. Meanwhile, we lose sight of the small significance of fully living with every breath we take. Melanie Shankle, New York Times bestselling author and writer at The Big Mama Blog tackles these questions head on in her fourth book, Church of the Small Things. Easygoing and relatable, she speaks directly to the heart of women of all ages who are longing to find significance and meaning in the normal, sometimes mundane world of driving carpool to soccer practice, attending class on their college campus, cooking meals for their family, or taking care of a sick loved one. The million little pieces that make a life aren't necessarily glamorous or far-reaching. But God uses some of the smallest, most ordinary acts of faithfulness—and sometimes they look a whole lot like packing lunch. Through humorous stories told in her signature style, full of Frito pie, best friends, the love of her Me-Ma and Pa-Pa, the unexpected grace that comes when we quit trying to measure up, and a little of the best TV has to offer, Melanie helps women embrace what it means to live a simple, yet incredibly meaningful life and how to find all the beauty and laughter that lies right beneath the surface of every moment.

The Poetry of Shaaban Robert

"Since ancient times, the Japanese have lived with superstitions of strange presences and phenomena known as "yōkai," creating a culture by turns infused with unease, fear, and divinity. Tsukimono spirit possessions. Fearsome kappa, oni, and tengu. Yamauba crones. Ghostly yūrei. Otherworldly ijin Where did they come from? Why do they remain so popular? Written by Japan's premier scholar of yōkai and strange tales, this book is both an introduction to the rich imagination and spirituality of Japan's yōkai culture and a history of the authors and writings that have shaped yōkai studies as a field"--Back cover.

The Congo and the Founding of Its Free State;

"Bare Men" portrays the male nude as a human and a work of art, not simply a utilitarian device. It celebrates men who are comfortable in their skin, relaxed, powerful, erect, vulnerable. The images share moments of joy, the power of release, physical angst and ease of masculinity. "Bare Men" offers glimpses into their private moments. The viewer is privy to two relationships: the man and the photographer and the man and himself while in some instances is invited to join in.

Astonish Stories Book

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

On the Bright Side

Eliot, Martin Luther, Friedrich Nietzsche, Lewis Carroll's Alice, Walter Benjamin's 'angel of history', and the biblical woman taken in adultery. This book will fascinate anyone interested in the Victorians or literary theory; it will appeal to both the scholar and the student.

Paw and Order

A supplement for junior/senior and graduate level courses in Investments, Behavioral Finance Theory, and related courses. Teach the concepts that expose the inefficiency of capital markets. The New Finance is a comprehensive and organized collection of evidence and arguments that develop a persuasive case for an inefficient, complex and, at times, nearly chaotic stock market. This brief text also shows students how the complexity and uniqueness of investor interactions have important market pricing consequences. The fourth edition includes two new chapters on the real determinants of expected stock returns and the nature of stock volatility that the Financial Crisis of 2008 has exposed.

Principia Discordia

With this 6x9 inch large print book - Address, email address, telephone and mobile numbers can be efficiently recorded in this alphabetically arranged indexed notebook. Attractive cover, 6x9 inch size - suited to offices, homes, and to carry with you. Look for the matching Large Print Birthdays and Anniversaries book.

A Shadow on Summer

One wants his heart. The other wants his soul. Faced with unthinkable changes, Nolan Bishop seeks to come to grips with his new version of mortality. While his relationship with Charity Sheridan was already rocky, he's now facing a whole new set of challenges as they continue to try to find a balance to the love that has just begun to blossom between them. Meanwhile, her twin Eva has violent vengeance on the mind, and the succubus won't settle for anything less than Nolan's ultimate demise. Heading back to New Orleans at the request of the BSI, Nolan will have to face Joel Reichert, the old vampire whose oldest friend is now dead because of him. But is Joel really an enemy? A new, young friend in the Rebel Riders group gives Nolan a much needed reprieve from the stress of his new way of life. While Archie and the Riders don't really know the full extent of Nolan's new problems, he continues to hide the horrific things he has to do in order to stay alive. Will Nolan come out better than he was before Eva tried to take his soul, or will he crack and break under the pressure once he realizes what the succubus has really done to him? SOUL REDEMPTION is book 2 in the Rebel Riders Series.

Themes of Contemporary Art

A Handbook of the Swahili Language

These are the most fabulous, provocative creatures in the world of fiction, from H. Rider Haggard's She to Edgar Rice Burroughs' Jane, Hedy Lamarr's Tonedeleyo and the modern, bold, daring and dangerous beauties that prowl Silke's imagination. They're all here, the Jungle Goddesses, Queens and Slaves as well as their sisters in that happy madness of exotic femme fatales, Tropic Tramps, Dragon Ladies, Harem Damsels and semi-clad Barbarians. It's not a history, but a celebration of that impossible, loony, glorious nonsense that Silke somehow finds essential.

Kamusi Ya Kiingereza-Kiswahili

If you've ever ended a relationship you knew wasn't God's will for your life, but you can't seem to stop thinking about that person... If your behavior is being influenced in a negative way by people you come into contact with... If you're cursing yourself through forbidden statues, jewelry, and practices It's time for you to break free from the ties on your soul! Dr. Gary Greenwald will explain how the transference of spirits and soul ties can create dominion over your life. Learn how to defeat the deceiving spirits that control many of the things you come into contact with every day. You can be delivered into a life ruled only by the Holy Spirit!

The Constitution of the United Republic of Tanzania, 1977

Victorians in Theory

Follow Her Home

Either they're living their own adolescent adventurous fantasy or witnessing the dawn of a supernatural invasion. Whatever it is, college student Patrick Buchanan and his friends unwittingly fall to the core of a rogue geneticist's plan to reshape the world. Once they're framed for an esteemed philanthropist's murder, they must work together to uncover the man's end game while digging into their own unpleasant pasts. But what's the point of adventure if you don't make friends? Whether human or not.

Addresses and Contact Details

Modern day Manhattan artist Dianna Dubois is experiencing Salem, Massachusetts, of the 1690s in the most bizarre way possible in nightly dreams that have the potential to kill her. She has spent a lifetime futilely seeking answers from the best doctors, the finest hospitals, the latest medicines, and exhausting therapies. With the dreams worsening, Dianna's nights are cursed with visions of death and seemingly endless suffering at the hands of angry captors determined to strip her of all love, belonging, and family, leaving her alone and desperate in the midst of a final confrontation no one sees or believes. The life she's experiencing is that of Margaret Darling, an eighteen-year-old girl living outside of Salem, Massachusetts, in the time just after the hysteria of the witch trials. Margaret must go to town to barter herbs and medicines for goods her family desperately needs a dangerous prospect for a forest girl in tense times, when anyone can be accused of witchcraft. As Dianna frantically grasps for a lifeline with the help of her psychiatrist, Dr. Ray Williams, she wonders if he will be able to help her. Even after she discovers he has the ability to visit her dreams with her, she realizes that if the two of them do not find answers soon, she will most certainly die. In the dark of night, as different times converge as one, Dianna is willing to do anything to find peace even so, as long as Margaret faces mortal danger, so too, does Dianna.

Jazz Chants Old and New

Now Parts One and Two are combined! The complete story! Part One: How Megan Avoided Pregnancy: Megan and Mark can't agree. Mark wants a baby, but Megan does not. When Mark issues an ultimatum to his wife demanding a baby, she counters by demanding that he dress as a woman for nine months before she will

get pregnant. Naturally, she assumes her macho husband will never agree to dress as a woman. Imagine her surprise when he does. What follows is a cat and mouse game as each tries to trick the other into giving up. Part Two: How Megan Got Pregnant: Things are changing fast now as Mark begins to 'grow' into the role of 'Princess.' But Mark isn't the only one changing. Megan is about to undergo a major change as well. Will Mark get the baby he wants? Will Megan let him escape with his masculinity intact?

Bare Men

Respected psychologist Dr. Brad Sachs helps parents to recognize their unrealistic expectations for their teenagers and to love, accept and nurture the family they have to its full potential. His approach frees them to discover acceptance of themselves and of their children. The ages twelve to eighteen are often the most challenging and trying years for adolescents--and their parents. No other phase of life is characterized by so much physical and psychological change happening so quickly. And frequently the child parents had loved and understood becomes a teenager they hardly recognize--the child who loved music grows into a teen who wants to play video games rather than the piano; or the little girl who loved dolls becomes a teen who loves staying out with her older, rebellious boyfriend. The Good Enough Teen, however, shows you how to see your child's evolution as a window of opportunity--for you, for your child, and for your entire family. Rather than having you brace for your offspring's adolescence with your eyes shut and your jaw clenched, this book will help you to understand the invisible transformation teens are experiencing, as well as the ways in which your own adolescence intimately influences this understanding. You will find yourself better able to see even your child's most exasperating behaviours as steps in his or her striving towards maturity, rather than chronic problems or mean-spirited efforts designed to make you miserable. The Good Enough Teen presents a developmental overview of what parents can expect from their children during adolescence, then delineates the five stages in the journey towards accepting a child for who he or she is. With prescriptive tools and strategies for parents, including checklists, quizzes, and exercises, and numerous case studies from the author's own practice, The Good Enough Teen is vital help for any parent with a teenager.

Enjoying the Chase

If you are a dog lover, you will enjoy New York Times bestselling author Melanie Shankle's debut children's book, Piper & Mabel. Melanie shares the adventures of her two very wild but very good dogs, Piper and Mabel, who have an experience of their own when their owners plan a vacation to the beach. The dog duo is shocked to discover they won't be joining their people on the trip. Instead, they're headed to doggie day care at the Happy Trails Ranch, where they create all kinds of mischief when they discover the accommodations are not exactly what they were expecting. And when they decide to take matters into their own paws, they end up on one crazy journey. Humorous story, perfect for children ages 4-8 If your kids loved Secret Life of Pets, they'll enjoy reading about Piper and Mabel Shankle is the author of four books, co-hosts The Big Boo Cast and is the hilarious voice behind the popular Big Mama Blog.

Kuku Hujamjulia Bata Utamuweza?

In the seventh installment in the brilliant New York Times bestselling mystery series, canine narrator Chet and PI Bernie Little journey to Washington, DC, and the dog-eat-dog world of our nation's capital. Stephen King has called Chet "a canine Sam Spade full of joie de vivre." Robert B. Parker dubbed Spencer Quinn's writing "major league prose." Now the beloved team returns in another suspenseful novel that finds Chet sniffing around the capital city and using his street smarts to uncover a devilish plot. Chet and Bernie pay a visit to Bernie's girlfriend, Suzie Sanchez, an ace reporter living in far-off Washington, DC. She's working on a big story she can't talk about, but when her source, a mysterious Brit with possible intelligence connections, runs into trouble of the worst kind, Bernie suddenly finds himself under arrest. Meanwhile Chet gets to know a powerful DC operative who may or may not have the goods on an ambitious politician. Soon Chet and Bernie are sucked into an international conspiracy, battling unfamiliar forces under the blinking red eyes of a strange bird that Chet notices from the get-go but seems to have slipped by everybody else. Most menacing of all is Barnum, a guinea pig with the fate of the nation in his tiny paws. As Harry Truman famously quipped, "If you want a friend in Washington, get a dog." Too bad he didn't get to meet Chet!

Church of the Small Things

Possessing investigative instincts and a long-standing love affair for noir novels, Juniper Song is asked to discover the truth about her friend's father's alleged affair with a young paralegal only to become embroiled in a crime involving a dead body in her trunk, a dangerous family dynamic and deeply hidden secrets from her own life. A first novel. 20,000 first printing.
