### Stories From My Grandparent

On an island called Puerto Rico, there lived a little boy who wanted only to play baseball. Although he had no money, Roberto Clemente practiced and practiced until--eventually--he made it to the Major Leagues. America! As a right-fielder for the Pittsburgh Pirates, he fought tough opponents--and even tougher racism--but with his unreal catches and swift feet, he earned his nickname, "The Great One." He led the Pirates to two World Series, hit 3,000 hits, and was the first Latino to be inducted into the Hall of Fame. But it wasn't just baseball that made Clemente legendary--he was also a humanitarian dedicated to improving the lives of others.

Our mission: to make math a fun part of kids' everyday lives. We all know it's wonderful to read bedtime stories to kids, but what about doing math? Many generations of Americans are uncomfortable with math and numbers, and too often we hear the phrase, "I'm just not good at math!" For decades, this attitude has trickled down from parents to their kids, and we now have a culture that finds math dry, intimidating, and just not cool. Bedtime Math wants to change all that. Inside this book, families will find fun, mischief-making math problems to tackle—math that isn't just kid-friendly, but actually kid-appealing. With over 100 math riddles on topics from jalapeños and submarines to roller coasters and flamingos, this book bursts with math that looks nothing like school. And with three different levels of challenge (wee ones, little kids, and big kids), there's something for everyone. We can make numbers fun, and change the world, one Bedtime Math puzzle at a time.

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE • A thrilling adventure of danger and deep-sea diving, historic mystery and suspense, by the author of *Shadow Divers* Finding and identifying a pirate ship is the hardest thing to do under the sea. But two men—John Chatterton and John Mattera—are willing to risk everything to find the Golden Fleece, the ship of the infamous pirate Joseph Bannister. At large during the Golden Age of Piracy in the seventeenth century, Bannister should have been immortalized in the lore of the sea—his exploits more notorious than Blackbeard’s, more daring than Kidd’s. But his story, and his ship, have been lost to time. If Chatterton and Mattera succeed, they will make history—it will be just the second time ever that a pirate ship has been discovered and positively identified. Soon, however, they realize that cutting-edge technology and a willingness to lose everything aren’t enough to track down Bannister’s ship. They must travel the globe in search of historic documents and accounts of the great pirate’s exploits, face down dangerous rivals, battle the tides of nations and governments and experts. But it’s only when they learn to think and act like pirates—like Bannister—that they become able to go where no pirate hunters have gone before. Fast-paced and filled with suspense, fascinating characters, history, and adventure, *Pirate Hunters* is an unputdownable story that goes deep to discover truths and souls long believed lost. Praise for *Pirate Hunters* “You won’t want to put [it] down.”—Los Angeles Times “An exceptional adventure . . . Highly recommended to readers who delight in adventure, suspense, and the thrill of discovering history at their fingertips.”—Library Journal (starred review) “A terrific read . . . The book gallops along at a blistering pace, shifting us deftly between the seventeenth century and the present day.”—Diver “Nonfiction with the trademarks of a novel: the plots and subplots, the tension and suspense . . . [Kurson has] found gold.”—The Dallas Morning News “Rollicking . . . a fascinating [story] about the world of pirates, piracy, and priceless treasures.”—The Boston Globe “[Kurson’s] narration is just as engrossing as the subject.”—The Christian Science Monitor “A wild ride [and an] extraordinary adventure . . . Kurson’s own enthusiasm, combined with his copious research and an eye for detail, makes for one of the most mind-blowing pirate stories of recent memory, one that even the staunchest landlubber will have a hard time putting down.”—Publishers Weekly (starred review) “The two contemporary pirate-ship seekers of Mr. Kurson’s narrative are as daring, intrepid, tough and talented as *Blood and Sparrow*—and Bannister. . . . As depicted by the author, they are real-life Hemingway heroes.”—The Wall Street Journal “[Kurson] takes his knowledge of the underwater world and applies it to the ‘Golden Age of Piracy’ . . . thrillingly detailing the highs and lows of chasing not just gold and silver but also history.”—Booklist “A great thriller full of tough guys and long odds . . . and: It’s all true.”—Lee Child From the Hardcover edition.
