Astral Projection Made Easy is an attempt to eliminate this fear through approaching the whole concept of life beyond and outside the physical body through Near-Death Experiences(NDEs) Lucid Dreaming and the technique of Out-of-Body experiences(OBEs). In order to support her work she includes historical case studies of other writers and contemporary ones as well as her own. This is why we need practical tools and countermeasures for psychic self-defense, all of which Bruce provides. This is the ultimate guide to combating the influences of earthbound spirits, deranged ghosts, astral snakes and spiders, demonic spirits, and poltergeists. Written after direct personal experience of an occult attack, 'Psychic Self Defence' is Dion Fortune's guide to recognizing and protecting oneself from unwanted esoteric interference. The author treads a fine line between providing useful, practical information on 'spiritual security' (revealing for example, a ritual used by Christian Monks, as well as the magician's 'Lesser Banishing Ritual of the Pentagram') while at the same time keeping potentially dangerous techniques well obscured from the uninitiated. Sprinkled liberally with astonishing anecdotes from Dion Fortune's long and eventful magical career, this is an important work for those venturing along the mystical path, a book that can be read, and re-read, with profit.
