Living Sci. WB 8

The comprehensive text builds up a sound base for higher classes. The accurate diagrams, activities and experiments are aimed at developing a scientific temper. Exhaustive exercises are given to test knowledge, understanding and application of concepts learnt. Project work and a glossary of scientific terms are the other distinguishing features along with a Science Virtual Resource Centre on www.science.ratnasagar.co.in

Targeting Science 4

Living Science for Classes 9 and 10 have been prepared on the basis of the syllabus developed by the NCERT and adopted by the CBSE and many other State Education Boards. Best of both, the traditional courses and the recent innovations in the field of basic Chemistry have been incorporated. The books contain a large number of worked-out examples, illustrations, illustrative questions, numerical problems, figures, tables and graphs.

Living Science 3 Silver Jubilee

The silver jubilee edition of Living Science conforms to the vision of the National Curriculum Framework. This edition is enriched with an updated text and new lively, colourful illustrations with GET SET (lead-in activities), Science facts, In-text questions, New activities, Weblinks, yoga, Subject links, Guided answers for children, Technology and You, SCITIONARY, a dictionary of scientific terms and the Science Virtual Resource Centre www.science.ratnasagar.co.in

Living Science 0 Silver Jubilee

Living Science for Classes 9 and 10 have been prepared on the basis of the syllabus developed by the NCERT and adopted by the CBSE and many other State Education Boards. Best of both, the traditional courses and the recent innovations in the field of basic Physics have been incorporated. The books contain a large number of worked-out examples, illustrations, illustrative questions, numerical problems, figures, tables and graphs.

Living Science Physics 10

These workbooks are based on the Living Science textbooks of Physics, Chemistry and Biology. Keeping educational objectives in mind, each chapter is divided into four sections, which have knowledge, understanding, application and skill-based questions. Adequate space is provided for writing answers and drawing diagrams.

Living Sci. WB 7

The workbooks will help the students make a self-assessment of all they have learnt from the main textbooks. A FACTOPAEDIA containing scientific facts has been incorporated to help students in creating awareness about the world of science. The exercises have been divided into Building Up Vocabulary, Reinforcing Concepts, Strengthening Expression and Developing Independent Thinking and application and a Science Virtual Resource Centre on www.science.ratnasagar.co.in

Living Sci. Phy. 8 (Col.Ed.)

Based on the NCF 2005 guidelines, this series provides up-to-date scientific knowledge. The Keywords explain the new words, Beyond the Text features questions which encourage active involvement in the process of learning. Science Around Us includes scientific facts which help in creating awareness about science. My Mini Dictionary is a dictionary of scientific terms. Web support for teachers on Science Virtual Resource Centre www.science.ratnasagar.co.in

Targeting Science 5

Targeting Science 1

The comprehensive text builds up a sound base for higher classes. The accurate diagrams, activities and experiments are

aimed at developing a scientific temper. Exhaustive exercises are given to test knowledge, understanding and application of concepts learnt. Project work and a glossary of scientific terms are the other distinguishing features along with a Science Virtual Resource Centre on www.science.ratnasagar.co.in

Living Science Chemistry 10

Social Science Civics 8

These workbooks are based on the Living Science textbooks of Physics, Chemistry and Biology. Keeping educational objectives in mind, each chapter is divided into four sections, which have knowledge, understanding, application and skill-based questions. Adequate space is provided for writing answers and drawing diagrams.

New Living Science PHYSICS for CLASS 9 With More Numerical Problems

Living Science 6(IT Edition)

These workbooks are based on the Living Science textbooks of Physics, Chemistry and Biology. Keeping educational objectives in mind, each chapter is divided into four sections, which have knowledge, understanding, application and skill-based questions. Adequate space is provided for writing answers and drawing diagrams.

Living Sci. Chem.8 (Col.Ed.)

Based on the NCF 2005 guidelines, this series provides up-to-date scientific knowledge. The Keywords explain the new words, Beyond the Text features questions which encourage active involvement in the process of learning. Science Around Us includes scientific facts which help in creating awareness about science. My Mini Dictionary is a dictionary of scientific terms. Web support for teachers on Science Virtual Resource Centre www.science.ratnasagar.co.in

Biology WB 7

This series, based on the NCF 2005 guidelines provide up-to-date scientific knowledge. The simple text and lucid language, enriched with colourful illustrations and photographs, will motivate learners to study science. Enjoy Science is an eight-page

pull-out section emphasizing experimentation and the practical aspects of science. Web support for the teachers on Science Virtual Resource Centre www.science.ratnasagar.co.in

Living Science Biology 10

Chemistry WB 7

The books have been prepared on the basis of the guidelines of the National Curriculum Framework (NCF) and the syllabus brought out by the NCERT in 2005. They encourage children to read, form their own opinions and learn the cause-and-effect relationship between events. Various sections To sum up , Histictionary , Archaeology Dig & Discover , A story from History , To meet , Elsewhere in the World and Let us surf enhance learning.

Targeting Science 3

A package of well-graded series to hone the language skills of both beginners and middle-school learners. The books will enhance the students aptitude for language and vocabulary and will enrich their repertoire of words. These books introduce genuine works of literature and poetry. They are a rich compilation of text which is popular, informative and multicultural. Wide-ranging themes on environment, nature, history, science, mystery, adventure and humour have been included. Also available Teacher s Handbooks and web support at www.ratnasagar.co.in

Living Sci. WB 6

Living Sci. Bio. 7 (Col.Ed.)

Living Science for Classes 9 and 10 have been prepared on the basis of the syllabus developed by the NCERT and adopted by the CBSE and many other State Education Boards. Best of both, the traditional courses and the recent innovations in the field of basic Chemistry have been incorporated. The books contain a large number of worked-out examples, illustrations, illustrative questions, numerical problems, figures, tables and graphs.

Living Science 2 Silver Jubilee

Targeting is a pioneering series that delves into a variety of themes and promotes learning of other subjects through integration. Every term draws on a variety of themes like Language, Art, Literature, Science, Social Science, Sports, India, World, Environmental Awareness, Computers, Plants and Animals and Life Skills. Pages on values, caring for our elders and our neighbourhood will aid in holistic development of the children.

Social Science; History 8

Gem S Eng. Read. 6

The New Inquisitive Science is a series of eight books for Classes 1 to 8 that conforms to the vision of the National Curriculum Framework. The series has been written with a child-centric approach that arouses curiosity in children and helps to develop analytical and reasoning skills in them.

New Inquisitive Science Book 7

The workbooks will help the students make a self-assessment of all they have learnt from the main textbooks. A FACTOPAEDIA containing scientific facts has been incorporated to help students in creating awareness about the world of science. The exercises have been divided into Building Up Vocabulary, Reinforcing Concepts, Strengthening Expression and Developing Independent Thinking and application and a Science Virtual Resource Centre on www.science.ratnasagar.co.in

New Living Science CHEMISTRY for CLASS 9

Living Science for Classes 9 and 10 have been prepared on the basis of the syllabus developed by the NCERT and adopted by the CBSE and many other State Education Boards. Best of both, the traditional courses and the recent innovations in the field of basic Biology have been incorporated. The books contain a large number of worked-out examples, illustrations, illustrative questions, numerical problems, figures, tables and graphs.

Social Sci. (Civics) 7 (Rev.)

Living Science for Classes 9 and 10 have been prepared on the basis of the syllabus developed by the NCERT and adopted by the CBSE and many other State Education Boards. Best of both, the traditional courses and the recent innovations in the field of basic Biology have been incorporated. The books contain a large number of worked-out examples, illustrations,

illustrative questions, numerical problems, figures, tables and graphs.

Targeting Science 2

Targeting GK 5

Based on the NCF 2005 guidelines, this series provides up-to-date scientific knowledge. The Keywords explain the new words, Beyond the Text features questions which encourage active involvement in the process of learning. Science Around Us includes scientific facts which help in creating awareness about science. My Mini Dictionary is a dictionary of scientific terms. Web support for teachers on Science Virtual Resource Centre www.science.ratnasagar.co.in

Freedom Class 3 Term 1

The silver jubilee edition of Living Science conforms to the vision of the National Curriculum Framework. This edition is enriched with an updated text and new lively, colourful illustrations with GET SET (lead-in activities), Science facts, In-text questions, New activities, Weblinks, yoga, Subject links, Guided answers for children, Technology and You, SCITIONARY, a dictionary of scientific terms and the Science Virtual Resource Centre www.science.ratnasagar.co.in

Physics WB 8

The silver jubilee edition of Living Science conforms to the vision of the National Curriculum Framework. This edition is enriched with an updated text and new lively, colourful illustrations with GET SET (lead-in activities), Science facts, In-text questions, New activities, Weblinks, yoga, Subject links, Guided answers for children, Technology and You, SCITIONARY, a dictionary of scientific terms and the Science Virtual Resource Centre www.science.ratnasagar.co.in

Living Science Physics 9

The workbooks will help the students make a self-assessment of all they have learnt from the main textbooks. A FACTOPAEDIA containing scientific facts has been incorporated to help students in creating awareness about the world of science. The exercises have been divided into Building Up Vocabulary, Reinforcing Concepts, Strengthening Expression and Developing Independent Thinking and application and a Science Virtual Resource Centre on www.science.ratnasagar.co.in

Living Science Chemistry 9

This series, based on the NCF 2005 guidelines provide up-to-date scientific knowledge. The simple text and lucid language, enriched with colourful illustrations and photographs, will motivate learners to study science. Enjoy Science is an eight-page pull-out section emphasizing experimentation and the practical aspects of science. Web support for the teachers on Science Virtual Resource Centre www.science.ratnasagar.co.in

Living Sci. 6 Silver Jubilee

A known-to-unknown approach has been followed in developing the concepts using the experimental method. The new HOTS (Higher Order Thinking Skills) questions section will greatly enhance the development of independent thinking skills. My Virtual Library section lists websites from where children can get more information. In the Laboratory motivates children to work on experiments and projects along with Science Virtual Resource Centre www.science.ratnasagar.co.in

Biology WB 8

These workbooks are based on the Living Science textbooks of Physics, Chemistry and Biology. Keeping educational objectives in mind, each chapter is divided into four sections, which have knowledge, understanding, application and skill-based questions. Adequate space is provided for writing answers and drawing diagrams.

Living Science Biology 9

Living Science for Classes 9 and 10 have been prepared on the basis of the syllabus developed by the NCERT and adopted by the CBSE and many other State Education Boards. Best of both, the traditional courses and the recent innovations in the field of basic Physics have been incorporated. The books contain a large number of worked-out examples, illustrations, illustrative questions, numerical problems, figures, tables and graphs.

Fundamentals of Physics

Biology 10

This series has been written strictly in accordance with the latest syllabus prescribed by the Council for Indian School

Certificate Examinations, New Delhi. The text is comprehensive and clear and accurate diagrams illustrate concepts. Activities and experiments develop scientific skills. Exhaustive exercises test knowledge and understanding of concepts learnt. The questions and numerical problems have been strictly framed in accordance with the ICSE examination pattern.

Social Science

NEW Living Science BIOLOGY for CLASS 9

The comprehensive text builds up a sound base for higher classes. The accurate diagrams, activities and experiments are aimed at developing a scientific temper. Exhaustive exercises are given to test knowledge, understanding and application of concepts learnt. Project work and a glossary of scientific terms are the other distinguishing features along with a Science Virtual Resource Centre on www.science.ratnasagar.co.in

Freedom; Class 5-Term2

This book comes with an interactive CD. A known-to-unknown approach has been followed in developing the concepts using the experimental method. The new HOTS (Higher Order Thinking Skills) questions section will greatly enhance the development of independent thinking skills. My Virtual Library section lists websites from where children can get more information. In the Laboratory motivates children to work on experiments and projects along with Science Virtual Resource Centre www.science.ratnasagar.co.in
