The American Journey

In 2014, College Board rolled out a new AP® U.S. History course, which centered less on memorizing content and more on developing skills. Since then, the course has been modified here and there, but very little has changed in AP® textbooks--content is still king. Until now. Fabric of a Nation is the first book to truly embrace this dramatic shift in the AP® course and in how history is taught. Built

That is the idea behind Foundations of Language & Literature, a complete program for 9th Grade Pre-AP® that establishes foundational skills, while challenging bright young minds. The book is driven by the expertise of Renée Shea, John Golden, and Tracy Scholz who know that skills like reading, writing, and working with sources need careful development and constant reinforcement. This genre and mode-based book approaches the course in new ways, investigating nonfiction as well as literature, delving into fascinating argument-driven thematic units, and asking students to write in the genres, to empower them to read like a writer. Innovative, challenging, and nurturing, Foundations of Language & Literature has all the support young minds need to be prepared for AP® success. With the publication of Foundations of Language and Literature, BFW now offers a unified program of Pre-AP® and AP® English textbooks from grades 9 through 12, that guides students from introduction to mastery with a consistent tone and treatment of key AP® topics.

Active Skills for Reading Book 1 2e-Teachers Manual

This beautifully written history recenters the West and rekindles the past in a vivid narrative crafted for beginning students. Grafton and Bell tell the epic story of a West engaged in a continuing search for order across politics, society, and culture, driven by internal tensions and global influences. They deliver the past not as a path to the present but as it was lived at the time, grounded in a balanced, comprehensive, chronological narrative. Combined with rich digital resources to instill practical history skills, The West establishes a dynamic NEW foundation for teaching the Western Civilizations course.

A third grader realizes the importance of her name in this classic story of heritage and self-identity. For María Isabel Salazar López, the hardest thing about being the new girl in school is that the teacher doesn't call her by her real name. "We already have two Marías in this class," says her teacher. "Why don't we call you Mary instead?" But María Isabel has been named for her Papá's mother and for Chabela, her beloved Puerto Rican grandmother. Can she find a way to make her teacher see that if she loses her name, she's lost the most important part of herself?
