The Cuckold's Tale

John and Becca are deeply in love, but they're desperate for a baby. A vacation presents them the perfect opportunity for sun, sandy beaches, and plenty of steamy hot sex. Just before their vacation, though, John's doctor gives him devastating news that threatens their happiness and future plans. When they meet DeShawn, a handsome black man recovering from a military injury, John proposes an erotic solution that thrills his sexy Queen of Spades wife. What follows is an exciting ride of love, unbridled lust, and uncontrollable interracial attraction.

~~~~~ Excerpt ~~~~~ It was a perfect day at the beach. The blue/green water contrasted nicely against the white sand beaches. The sound of the surf filled the air, and it provided the perfect accompaniment to their drinks. It wasn't long before they were talking like old friends. "I'm hot, and the water looks great. Who's with me?" Becca had picked a chair in between the guys, and was on her third margarita. She finished the potent beverage with a flourish, stood, and removed the wrap around her waist. Her micro-bikini left little to the imagination, and almost every male face on the beach turned in her direction. Based on DeShawn's expression, it was clear he also approved of her bikini. "Quit staring, put your tongues back in your mouths, and let's go!" His wife walked through the sand, her hips swaying, and John's mouth suddenly went dry. Becca worked out regularly, and the Brazilian-cut bikini did little to cover her toned assets. DeShawn followed her, but John decided to use the restroom. When he returned, Becca and DeShawn were playing around in the surf and splashing each other. His wife's eyes were devouring DeShawn, and she seemed to fall against him with an erotic regularity. Instead of joining them, though, he ordered another drink and returned to his lounge chair. Becca stumbled in the surf, cried out, and started to fall. DeShawn surged through the water, and managed to catch her before she went under the waves. His arms slid under her, and he carried her out of the water. She slid her arm around DeShawn's neck, and leaned her head against his chest. John took a long sip of his beer, and admitted they looked amazing together. The contrast in their skin tones was beautiful. And strangely erotic. He glanced around, and couldn't help noticing several women seated near them watched DeShawn

and Becca with envious eyes. He shifted on the lounge chair, and embarrassment flooded through him when he realized he was hard as a rock. What the?? DeShawn lowered Becca carefully onto her chair, and his mouth dropped open. John smiled, because he knew DeShawn had just seen how transparent Becca's suit got when it was wet. She'd purchased the suit just for this vacation, and it was made of a light material that turned sheer when it got wet. DeShawn's eyes were also locked on her midsection, specifically the spade tattoo on her hip, and recognition flashed in his eyes. His gaze eventually left the tattoo, traveled up her body, and finally their eyes met. An inviting smile curved her lips. It was a sexy smile that clearly communicated she'd seen him admiring her tattoo, her body, and she was happy to have his attention. "You rescued me, and that makes you my hero." She kissed him. "Consider that a thank you." "You're welcome. Anytime, anytime at all."

## **How to Get Your Wife to Cuckold: a Couples Guide**

The beloved, bestselling classic that became the movie, A CHRISTMAS STORY -- humorous and nostalgic Americana, reissued in a strikingly designed paperback edition. Before Garrison Keillor and Spalding Gray there was Jean Shepherd: a master monologist and writer who spun the materials of his all-American childhood into immensely resonant--and utterly hilarious--works of comic art. In God We Trust: All Others Pay Cash represents one of the peaks of his achievement, a compound of irony, affection, and perfect detail that speaks across generations. In God We Trust, Shepherd's wildly witty reunion with his Indiana hometown, disproves the adage "You can never go back." Bending the ear of Flick, his childhood-buddy-turned-bartender, Shepherd recalls passionately his genuine Red Ryder BB gun, confesses adolescent failure in the arms of Junie Jo Prewitt, and relives a story of man against fish that not even Hemingway could rival. From pop art to the World's Fair, Shepherd's subjects speak with a universal irony and are deeply and unabashedly grounded in American Midwestern life, together rendering a wonderfully nostalgic impression of a more innocent era when life was good, fun was clean, and station wagons roamed the earth. A comic genius who bridged the gap between James Thurber and David Sedaris, Shepherd may have accomplished for Holden, Indiana, what Mark Twain did for Hannibal, Missouri.

We own a successful business together. Behind closed doors however, we have a cuckold or hotwife relationship. We will make a few assumptions about your knowledge of the topic since you found this book. We expect that you at least have a general idea of what cuckolding is.We are writing

this book to help other couples who are interested in the lifestyle. We want to share our experiences with the world. Our relationship didn't start out this way, it evolved over time. We both read a lot about the topic as our relationship evolved. In particular, we enjoyed reading about other couple's experiences to help find our way through this new territory. Hearing about first-hand experiences on any topic you wish to learn about and explore is helpful. Now that we have settled into a comfortable place, we want to help others find their way. The format of this book will be general information to start each chapter, followed by personal thoughts from both Kat and Greg individually. We hope this will give you the basic information plus a more personal spin that you can relate to. It is a well-known fact that men and women think differently about everything. Even if we agree on something, we usually have different reasons for thinking the way we do. ### **Young Bride, Hotwife**

There's nothing wrong with having a fetish; they're just sexual desires that society frowns upon, and that shouldn't stop you if you're happy. This book is written with that in mind, but mainly aimed at those who aren't happy, or those who are curious enough to investigate their psychology and understand themselves. Over the years, researchers in psychology have found success in many methods of changing or removing problematic sexual desires, and these are reviewed in this fully referenced, evidence-based self-help book.  
The distinctive feature of the cuckold

fetish is that it involves being cheated on, right in front of you. The pain of infidelity and the humiliating feeling of inadequacy are what constitute this fetish. 'For some reason', this fetish turns the feeling of inadequacy into sexual pleasure. The possible explanations for this are reviewed in chapter 1, before chapter 2 explores this concept of inadequacy more deeply. The cuckold fetish turns painful deep-rooted fears of inadequacy and a subconscious sense of inadequacy into sexual pleasure. This is linked to the optional interracial element, as well as fetishes for humiliation, chastity, emasculation/feminization, and more. Most importantly of all, it's about the woman enjoying it, loving every second, losing control, and moaning more than ever, because that's what triggers the sense of inadequacy. By understanding these fears and feelings, we understand ourselves, and learn the unconscious drivers for most of our actions in life. Chapter 3 explores the way these deep-rooted fears and feelings can affect your life; causing all sorts of behaviors, like: addictions (alcoholism, drugs, gambling, or porn). Obsessive self-improvement (work, money, dieting/bodybuilding, or knowledge). Escapism (excessive video games, TV, Films, intellectualization). Grandiose fantasies, as well as occasional subhuman perceptions; an unstable sense of self. Underachieving, procrastinating, overachieving, perfectionism. Chapter 4 is all about how this subconscious inadequacy formed in the first place: it's initially formed in early childhood. Many factors affect it, such as not having privacy, attention, control, or security, unemotional fathers, absent fathers, workaholic fathers, alcoholic parents, physical punishment, needy parents, or narcissistic parents. Other factors throughout life can affect it too, such as culture and relationships, and being cheated on in the past. You've probably either attracted 'crazy' girlfriends that you're avoidant to, or distant/cold girlfriends that you're too needy to. Chapter 5 is about taking action. Numerous practical steps are presented to change your fetish, in both the short and the long term, from all angles in psychology including behavioral, psychodynamic, social, physiological, and humanistic. As with the rest of this book, significant statements are referenced and backed up with appropriate sources, which are listed at the end of the book. Debut self-help author and experienced fetish researcher Connor McGonigal guides you through the multi-step process to understand and overcome the causative psychology of the cuckold fantasy, refined by years of coaching men 1-on-1, and his self-help video course of the same name. This book is about using your fetish to understand yourself - the most fundamental aspects of your psychology - and being able to grow as a person, whether you want to change your fetish with it or not. Fetishes can naturally come and go over the course of our lifetimes, because we change and grow as people. Sometimes, the fears and self-image that we had at one point in our lives is completely different from today, and as a result, our sexual fantasies change to match. This book is about speeding up that process - understanding 'subconscious inadequacy', and overcoming it.

## The Uncertain Cuckold

When Tania's first husband tried to coerce her into being a hotwife, she wanted nothing to do with the lifestyle. But over time, the idea of being roughly taken by sexy well-hung black men began to intrigue her. When she mentioned it to her new husband, he was enthralled. Now Tania's about to get more than she bargained for when her devious ex-husband promises her to a vicious outlaw gang! ~~~~~  
Excerpt ~~~~~ Tania was wearing an off-the-shoulder dress. The top of her breasts and her deep cleavage were visible. My wife looked at William's back before pulling her dress up and flashing me William noticed my attention was no longer on him, and as she entered the room, he looked at my wife as if she belonged to him alone. As she walked, her eyes never left his. Tania seemed to be glowing from the inside as William checked out every inch of her, not once seeming to be impressed. 'Well, how do I look?' she asked him. Without looking at me, he answered, 'You'll look better when we get that dress off you.' My wife laughed just a little too loud, 'You think you're going to get me naked, do ya?' 'No,' he said. 'I think you're going to get naked before the night is over.' His overwhelming sense of entitlement was amazing to me. He was talking to my wife, right in front of me, telling her she'd be stripping for him before the night was over. I almost choked on my drink, the gall of the man. As I started to speak, Tania cut me off. 'We'll see, maybe if you're really as good as you think you are.' 'Bye, honey. We'll see you later,' Tania said before kissing me on the cheek and whispering, 'You'd better make up a guest room just in case. Remember, no playing with yourself.' Words failed me. I tried to at least say 'goodbye,' but my mouth was too dry. I watched in dumb silence as my wife left the house on the arm of another man. Not just any man, a man I didn't like and with whom she intended to sleep. We'd been playing around with the idea of Tania allowing herself to be enjoyed by another man, but now that it was actually about to happen, I was struggling with the reality. The last time Tania and William had gone out together, I

had been confident my wife wouldn't fool around with him that night. Now, I knew she intended to do just that. I did all the things husbands do, I suppose. I wandered the house and made up the room next to ours. I even unlocked the connecting door so I could peek in if I wanted to. The view would be good, I'd be able to see our bed from the bottom, looking toward the headboard. I made myself something to eat, then couldn't get it down. I had a drink or three, maybe four, but my mouth was still too dry to eat. Television and books held no interest—all I could think about was my wife in William's arms. The man was insufferable. What if I changed my mind? What if I sent a text to Tania and told her I didn't want her to do it? I even prepared the text, but I couldn't press 'send.' I put my phone down and looked at the text I'd written for a long time. I reread it and corrected the wording. I had it just right. I was calling off the whole deal. I wanted her to come home, alone, to me. Then I deleted the text and poured myself another drink before laying down on the bed in the guest room I'd prepared. When I woke, the room was dark, and I could hear faint noises from next door. I couldn't make out any words, just a giggly female and a low-pitched male. As I crept toward the connecting door the voices stopped, and I froze, afraid I'd been discovered. A beat or two later I took a chance and put my ear to the door. 'William!' It was Tania. She wasn't giggling now, she sounded breathless. I silently cracked the door open.

## Là-bas

There comes a time in every marriage when secret thoughts bring forth tough questions that eventually must be answered - questions that have surfaced in the mind many times before; only to be pushed back down inside where we ignore them out of fear of what our answer would be - if the truth were really told. Afraid of the impact complete honesty could have on our lives and those around us. So instead, we choose to hide these thoughts; only allowing ourselves to ponder them during moments of extreme arousal brought on by sexual fantasies of the most perverse nature. But, once in while, someone in a marriage will break the normal pattern and choose to admit the secret lusts of their heart - and are eager to finally act upon them - no matter the cost. "So you're saying that I just turned my husband into a Cuckold by threatening him with divorce if he didn't agree to abide by all of the rules and conditions that I set forth?" She asked proudly. George masturbated more intensely as he listened to his new guilty pleasure being described so perfectly - as his eyes remained glued on Austin's long pole that was feverishly thrusting into his wife's drenched pussy.
