Resident Evil

The Walkthrough offers a rare peek behind the curtain of the secretive video game

industry from an unlikely perspective, that of a career strategy guide writer. For eighteen years, Doug Walsh was one of the most prolific authors of officially licensed video game strategy guides. One part memoir and one part industry tell-all, *The Walkthrough* takes players on an entertaining march through gaming's recent history, from the dawn of the PlayStation to the Xbox 360 and Nintendo Switch. Follow along as Walsh retraces his career and reveals how the books were made, what it was like writing guides to some of the industry's most celebrated — and derided — titles, and why the biggest publishers of guidebooks are no longer around. Walsh devotes entire chapters to many of gaming's most popular franchises, including Tony Hawk's Pro Skater, Gears of War, and Diablo, among others. From inauspicious beginnings with Daikatana to authoring the books for the entire Bioshock trilogy, with plenty of highs, lows, and Warp Pipes along the way, Walsh delivers a rare treat to twenty-first century gamers. *The Walkthrough* is sure to satisfy the curiosity of anyone who grew up with the works of BradyGames and Prima Games sprawled across their laps. With over one hundred books to his credit, and countless weeks spent at many of the most famous studios in North America, he is uniquely qualified to give an insider's perspective of a little-known niche within the multi-billion-dollar industry.

Resident Evil

BradyGames' Resident Evil Outbreak Official Strategy Guide provides a complete

walkthrough of the game with strategies for solving puzzles and selecting the best weapons. Highly detailed maps, along with expert boss tactics are also included. The exhaustive bestiary reveals the strengths and weaknesses of each foe. There are also highly detailed maps and complete item and weapon rosters. Plus, game secrets and online tactics! This Signature Series guide includes cool bonus content, a special cover treatment, and a premium item! This product is available for sale worldwide, excluding Japan and Asia.

Resident Evil 3 Nemesis: Official Strategy Guide

Gaming expert Anthony Lynch shows players how to make the most of Resident Evil--Director's Cut. The game covers the Japanese version of Resident Evil, the American version (with a few changes, including power ups and camera angles), and a promo version of Resident Evil II.

SaGa Frontier 2 Official Strategy Guide

Players of the horror/survival game can turn to this book for a complete walkthrough, along with strategies for each branching storyline; solutions to every puzzle; secrets of the game; and locations of power-ups and weapons.

Siren

Set between Resident Evil 5 and Resident Evil 6 and six years after the original Resident Evil Revelations, Claire Redfield makes a comeback as one of the protagonists of Resident Evil Revelations 2. Along with Barry Burton, former S.T.A.R.S. member, his daughter Moira Burton and a survivor of the previous game Natalia Korda. Control all 4 characters. 2 pairs of heroes, 2 stories. Follow Claire and Moira who have limited ammo and try to investigate the mysterious Tower while Barry and Natalia approach it in search of them. Does it have any relation to previous Resident Evils? Just who is behind the attack in the island? The guide covers the following: - Detailed walkthrough of all 4 Episodes from start to finish. - Detailed collectible locations (Kafka Drawings, Insect Larvae and Tower Emblems) with pictures showing you the exact location of each one. - Available Trophies/Achievements in each Mission so you don't miss a single one.

Can you survive the horror of Raccoon City? Resident Evil Operation Raccoon City Signature Series Guide will give you your best shot at surviving the zombie plague as the deadly 't-Virus' sweeps through Raccoon City. Game play is split between the USS forces team and United States Special Ops, and every character and team trait is uncovered. You will learn about each of the 6 playable characters in detail, as well as the special skills they possess, helping you fight your way to the finish. Resident Evil Operation Raccoon City Signature Series Guide also features a full guide to both campaigns (playing as either USS or United States Special Operations) and multiplayer functionality, including four-player co-operative gameplay, which pits the two teams against each other - even more reason to know their strengths and weaknesses! The Exhaustive Enemies Encyclopedia details every infected and non-infected in the game, so you can know your enemies. Plus exclusive hand-drawn maps have been created for this BradyGames guide, ensuring you keep your head in the game. For any fan of the Resident Evil franchise, Resident Evil Operation Raccoon City Signature Series Guide is as necessary as a gas-mask in Raccoon City.

Resident Evil 7: Biohazard Document File

This Signature Series guide provides comprehensive walkthroughs to take players through the creepy old mansion that awaits them. Includes area maps of each location to help gamers navigate. Full color.

Resident Evil 2

Resident Evil 7: Biohazard is a survival horror video game developed and published by Capcom. The game was released worldwide in January 2017 for Microsoft Windows, PlayStation 4 - with support for the PlayStation VR headset - and Xbox One. It is the eleventh main entry and 24th entry overall in the Resident Evil franchise. It is the first main series installment to be played from a first-person perspective. The story follows civilian Ethan Winters as he searches for his wife Mia, which leads him to a derelict plantation inhabited by the Baker family. Ethan makes use of weapons and tools in the fight against the Baker family, and the "Molded," a humanoid form of bacteria. Healing items are used in the event of injury and there are puzzles that may be solved to further the story. Instead of being action-oriented like Resident Evil 5 and Resident Evil 6, the survival horror element present in earlier installments and exploration took priority. Thus, the game uses a first-person perspective. It is the first full-length game to be developed in the RE Engine. Get to play this game and get to the end in no time with this strategy guides.
