Revista latinoamericana de literatura infantil y juvenil

América Latina es un continente con una rica tradición de cómics. Sin embargo, aún no se ha explorado de manera sistemática cómo los cómics sirven para recordar, olvidar o dar sentido a una

multitud de temáticas, desde la construcción de la identidad nacional hasta las narrativas de resistencia al colonialismo y el imperialismo, pasando por la construcción de tradiciones revolucionarias o el autoritarismo, la violencia política y sus traumáticos legados. Los cómics se erigen como un espacio formal, cultural y social clave para las prácticas de la memoria y los debates acerca de cómo encarar el pasado. El presente libro posiciona el cómic en un lugar central para el análisis y la comprensión de los procesos memorísticos en el contexto latinoamericano.

Revista

The Last Cop Out

From the author of *Toward the Sea of Freedom* comes a novel of the triumphs, tragedies, and courage of two women bravely changing the tide of history. As the nineteenth century draws to a close, the struggle for women's suffrage has finally reached New Zealand. But when the tide of change rolls in, it threatens to engulf two young women from very different backgrounds, who are coming of age amid the tumult. Torn between the two worlds that make up her heritage, Matariki Drury is the daughter of a successful white businesswoman and a descendant of Maori royalty. Scarred by poverty and hoping to make a new life for herself in this strange and forbidding land, Violet Paisley is the middle child of a poor Welsh coal-mining family. Drawn together by their shared

commitment to social change, and tested by traumas that neither of them could foresee, these two independent-minded women will find themselves thrust onto the front lines of the fight for equal rights and racial justice. To win their place in this world, they must learn to rise above their personal pain and choose a path of reconciliation rather than retribution.

Revista de sanidad y asistencia social

Offended by an earl's daughter's rude temperament, wealthy Raphael Locke takes the young woman under his wing to prove to a friend that he can transform her into a good-natured and eligible match for a gentleman.

The Eagle's Throne

La Tierra Larga es la primera obra en la que colaboran Terry Pratchett y Stephen Baxter, dos auténticos iconos de la literatura fantástica. 1916. El soldado Percy Blakeney recibe el impacto de un obús en una trinchera francesa. Despertará envuelto por el canto de los pájaros en un entorno pacífico, donde el barro y la metralla de la guerra han desaparecido. 2015,

Madison, Estados Unidos. La agente de policía Monica Jansson investiga el incendio en la casa de un extravagante científico que ha desaparecido sin dejar rastro. Algunos lo tildan de loco, otros lo consideran muy peligroso. Entre los escombros, Monica descubre un curioso mecanismo compuesto de una caja, unos cables# y una patata. Se trata del prototipo de un invento que cambiará para siempre nuestra manera de ver el mundo. La Tierra Larga es la fascinante y divertidísima historia de un viaje de exploración hacia los confines de nuestro universo, y de un nuevo comienzo para la humanidad. Porque otros mundos nos esperan. Basta con dar un pequeño paso

La crítica ha dicho «Una novela de ciencia ficción accesible, entretenida y reflexiva.» The Independent «La calidez y la humanidad de Pratchett se alían con la imaginación extraordinariamente fértil de Baxter.» The Guardian En los blogs «Una verdadera joyita en el mundo de la ciencia ficción. Es cierto que los dos escritores tienen su propio estilo, pero ambos demuestran que se entienden a las mil maravillas.» Blog Tierra Cero «La novela triunfa en crear un mundo interesante y complejo, con tantas capas como mundos por descubrir [] Uno de los grandes aciertos de este libro es que, pese a su trasfondo especulativo, el aspecto científico nunca llega a eclipsar a la ficción.» Blog La casa de El «Un libro de ciencia ficción muy entretenido y bien construido [] Pasaréis un buen rato, de eso no hay duda.» Blog desdeOtranto

Revista hoy

A dazzling, prize-winning graphic biography of one of the world's most revered writers. Winner of Spain's National Comic Prize and published to acclaim in Ireland, here is an extraordinary graphic biography of James Joyce that offers a fresh take on his tumultuous life. With evocative anecdotes and hundreds of ink-wash drawings, Alfonso Zapico invites the reader to share Joyce's journey, from his earliest days in Dublin to his life with his great love, Nora Barnacle, and their children, and his struggles and triumphs as an artist. Joyce experienced poverty, rejection, censorship, charges of blasphemy and obscenity, war, and crippling ill-health. A rebel and nonconformist in Dublin and a harsh critic of Irish society, he left Ireland in self-imposed exile with Nora, moving to Paris, Pola, Trieste, Rome, London, and finally Zurich. He overcame monumental challenges in creating and publishing *Dubliners*, *Portrait of an Artist as a Young Man*, *Ulysses*, and *Finnegan's Wake*. Along the way, he encountered a colorful cast of characters, from the Irish nationalists Charles Parnell and Michael Collins to literary greats Yeats, Proust, Hemingway, and Beckett, and the likes of Carl Jung and Vladimir Lenin.

Once a Knight

To get what's rightfully his, he'll need to get past her. But this ain't her first rodeo... Pete Wellington's mission: take back his birthright, the All-Stars Rodeo. First, he must earn the trust of Chloe Lawrence, daughter of the city slicker who stole Pete's legacy. But this princess of the rodeo isn't who he imagined. Chloe has beauty, business savvy and spirit, leaving

Pete to wonder...has he been aiming at the wrong prize all along?

Spider Game

A Lady's Choice Only desperation can make strong-willed Lady Alisoun hire Sir David of Radcliffe to protect her castle. He had once been a hero renowned for his brave daring and knightly skills. But few know what he has been doing these past years. A Hero Again At George's Cross estate, Sir David does indeed discover danger afoot. But the danger that surprises him most is how quickly his own well-protected heart is falling to a fiery damsel who brings him to his knees. When put to the test, he must make a sacrifice. But will he lose his heart or his life?

The Pop-up Book of Sex

Gill Burke is the toughest cop in New York, and he gets results. That is, until the mob decide he's too dangerous and pull strings, seeing him dishonourably removed from the force. But Gill is still the only cop who knows how the mob operate, and when their top people start to be put out of business - violently - Gill is persuaded by a DA, who's running scared, to put his

badge back on and find the killer. Gill's investigation has hardly begun when he becomes involved with Helen, who is on the syndicate's payroll, and Helga, a Swedish blonde. But even with these diversions, Gill finds himself trapped in a bloody vendetta, pitted against a faceless assassin whose aim is destruction

My Own Private Hero

Harry Bosch se enfrenta a un juicio interpuesto por la familia de Norman Church. Años atrás, estando de servicio, Bosch mató a Church, a quien creía culpable de una serie de asesinatos. Todos los indicios indicaban que tras éste se ocultaba un asesino

His Enemy's Daughter

With an excerpt from the sequel, Doctor Sleep. Terrible events occur at an isolated hotel in the off season, when a small boy with psychic powers struggles to hold his own against the forces of evil that are driving his father insane.

Cómics y memoria en América Latina

The Cowboy Bible and Other Stories

From the Booker Prize winning author of Amsterdam, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house.

Watching her is Robbie Turner, son of the Tallis's cleaning lady, whose education has been subsidized by Cecilia's and Briony's father, and who, like Cecilia, has recently come down from Cambridge. By day's end, their lives will be changed – irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, *An Atonement* is a profound – and profoundly moving – exploration of shame and forgiveness, of atonement and of the possibility of absolution.

Arrebatos carnales III (Arrebatos carnales 3)

The provocateur and cult sensation Carlos Velazquez has earned comparisons to Hunter S. Thompson, Charles Bukowski and William S. Burroughs, and has been called 'a grand storyteller' (*Diario Jornada*), 'an icon' (*Frente*) and 'one of the most original and

entertaining voices of contemporary Mexican literature' (Revista Gatopardo). His English-language debut, a collection of seven surreal, unrelentingly ironic and unsettling tales, portrays the comedy and brutal tragedies of a region that occupies a unique place in the North American imagination.

James Joyce

Diario oficial

In this delightful conclusion to the Heiress trilogy, Julianne MacLean brings us a fresh twist on classic historical romance—London society as seen through the eyes of a lovely, light-hearted young outsider. Adele Wilson firmly believes life should be calm and entirely without emotional drama. So the first landed gentleman her mother puts in front of her is the one she agrees to marry, and wedding preparations begin as neatly as she hoped. Until, on the way to seal the deal, her carriage is overtaken by ransomers. And then the ransomers are overtaken by someone handsomer, namely Damien Renshaw, Baron Alcester, cousin to her betrothed. Prim, stately Adele finds that she too is being overtaken, by the manliness of this heroic, albeit complicated man. And Damien is not totally unmoved by her challenging nature, which he believes hides a passion and recklessness never before explored. If only he can get her to explore it with him, there is no telling what kind of love—and excitement—the two of them might discover together.

Atonement

In the new GhostWalker novel by the #1 New York Times bestselling author of Viper Game, a trained killer meets his match in a woman whose very kiss can stop a heart. The Cajun dive in the middle of the godforsaken swamps wasn't exactly Trap Dawkins' idea of fun. But the GhostWalker wasn't there for a good time. He was looking for her. Cayenne. It's where she found her victims. Poor suckers. Then again, who wouldn't want to leave a place like this with a woman like her? It's not Cayenne's fault. Locked up, experimented on and never knowing kindness, she was bred this way—with a heart of pure venom. Trap understands her. He survived his own dark past and he shares her desire for getting even. But now Trap's greatest danger is Cayenne herself. Because what's inside her is hard to control—especially when it's aroused by a lover as reckless as Trap. From the Paperback edition.

Revista de la Facultad de Ciencias Veterinarias

Here is a true literary event—the long-awaited new novel by Carlos Fuentes, one of the world's great writers. By turns a tragedy and a farce, an acidic

black comedy and an indictment of modern politics, *The Eagle's Throne* is a seriously entertaining and perceptive story of international intrigue, sexual deception, naked ambition, and treacherous betrayal. In the near future, at a meeting of the United Nations Security Council, Mexico's idealistic president has dared to vote against the U.S. occupation of Colombia and Washington's refusal to pay OPEC prices for oil. Retaliation is swift. Concocting a "glitch" in a Florida satellite, America's president cuts Mexico's communications systems—no phones, faxes, or e-mails—and plunges the country into an administrative nightmare of colossal proportions. Now, despite the motto that "a Mexican politician never puts anything in writing," people have no choice but to communicate through letters, which Fuentes crafts with a keen understanding of man's motives and desires. As the blizzard of activity grows more and more complex, political adversaries come out to prey. The ineffectual president, his scheming cabinet secretary, a thuggish and ruthless police chief, and an unscrupulous, sensual kingmaker are just a few of the fascinating characters maneuvering and jockeying for position to achieve the power they all so desperately crave.

La Tierra Larga (La Tierra Larga 1)

«Con la entrega de *Arrebatos carnales III* [] doy por concluida la trilogía que me permitió ver a contraluz la vida amorosa de algunos personajes de la historia patria.» Con esta obra, Francisco Martín Moreno da por concluida su Trilogía Erótica de México, acogida

con justificado entusiasmo por el público lector. ¿Por qué oscura razón la historia oficial ha subido a los grandes protagonistas de nuestra historia a enormes columnas de mármol blanco como si se tratara de figuras sacralizadas, santificadas, carentes de la menor pasión carnal? ¿Se trataba de proyectar la imagen impoluta de destacados actores de nuestro pasado o más bien observar su comportamiento en su más exquisita intimidad? El autor, un acucioso investigador de los acontecimientos que definieron nuestra actual realidad, descubrió el fuego, el idilio que consumía a Melchor Ocampo, uno de los padres de la Reforma en el siglo xix; a Díaz Ordaz, el jefe del Ejecutivo que padeció los horrores del movimiento del 68; a Venustiano Carranza, uno de los supuestos inspiradores de la Constitución de 1917; a Felipe Carrillo Puerto, el gran líder henequenero, feroz enemigo de la esclavitud yucateca; sin olvidar la configuración psicológica de un influyente inquisidor del siglo xvii en México.

Traveler of the Century

After learning that the father he never knew is Poseidon, God of the Sea, Percy Jackson is sent to Camp Half-Blood, a summer camp for demigods, and becomes involved in a quest to prevent a catastrophic war between the gods.

Silent Hill

In Breakfast of Champions, one of Kurt Vonnegut's most beloved characters, the aging writer Kilgore

Trout, finds to his horror that a Midwest car dealer is taking his fiction as truth. What follows is murderously funny satire, as Vonnegut looks at war, sex, racism, success, politics, and pollution in America and reminds us how to see the truth. From the Trade Paperback edition.

Percy Jackson and the Olympians, Book One: Lightning Thief, The (Movie Tie-In Edition)

Revista de educación nº 363. Enero - Abril 2014

An informative pop-up book on the erotic arts featuring the world's ten best carnal positions brought vividly to life in full-color, three-dimensional paper tableaux. The perfect tongue-in-cheek gift for Valentine's, Weddings and Birthdays, THE POP-UP BOOK OF SEX is a clever and informative tour of the ten best ways to have sex, plus the reasons and tips behind them. The problem with most sex books is they're too long, or they list too many things a partner needs to do and learn. Now, readers will get that in just 10 quick pops, from the ever-reliable "Missionary" and the Kama Sutra's "Lotus" as well as contemporary favorites conceived for specific effects such as G-spot simulation and problem-solving advantages of each position (for example: big penis, small woman, or small penis, big woman). Adding to the fun are at least 2-3 alternate position-illustrations for each 'pop', special tips, and specifically selected

backdrops (which span the world and a variety of sexual settings). The tour de force cover illustration depicts an intricate, fantastical world densely populated with interlinked, ecstatic, and, of course, tastefully rendered people in the throes of delight (with apologies to Heironymous Bosch): **SAMPLE POP:** The Mile-High Club Concept: Necessity is the mother of invention. Make the most of the moment. Some positions are location specific. Content: This spread is first and foremost about sex in exotic places and the great benefit of bringing variety and spontaneity into your sex life - in this case, the thrill of a semi-public encounters (as close to Heaven as possible). No one ever plans to screw a stewardess in an airplane bathroom, but it's a great thing to do. Secondly, this spread is about standing positions, covering the basic methods: man standing, woman on a flat surface; from behind with both standing from behind; standing with girl bent over; creative use of structural support, as in a dark alley. Background research that will inform our tips & text: • Siobahn Kelly, author of *The Wild Guide to Sex and Loving* • Dr. Susan Block, author of *The Mile High Club* • *Good Vibrations Guide to Sex Characters: Airline stewardess in a sexy, short-skirted uniform, garters, fake pearls; handsome, square-jawed businessman in a suit.* Setting: An airplane bathroom. The stewardess is sitting up on the tiny counter, her legs wrapped around a handsome man's hips. We see both characters, though we don't see all the way to the ground. (i.e., from his knees up, or so.) Pop: When the spread opens, we see a closed airplane door; to the right of the door, in a little pocket, is a small pamphlet (which readers can take out), with sex tips illustrated in the

style of airplane emergency cards (see "Extras," below). The reader opens the door—pulling it to the left. As the door opens the red/green "occupied/vacant" sign clicks over to the other position. (In the bathroom, we now see the stewardess perched on the sink/console, her legs wrapped a
