The Science of Getting Rich

It is a book about the essence of faith to testify that faith is the martyrdom to deny my existence. This book is based on the basic knowledge of the Bible and some philosophical thoughts, including new religious and philosophical concepts. This book describes in the view of faith about Christianity, and demonstrates that man, who was born as a fleshly existence, is called to be the spiritual essence, which is the existentiality of Jesus.

Money Matters

A Theology of Religious Change asks a simple question with a complicated answer: Why do people change religious faiths? The study invites its readers on a trek through sociological and psychological literature that suggests many causes of religious change. Moving beyond a mere catalogue of motives for conversion, the author explores how a theological account of conversion and the doctrine of election can be broadened, strengthened, and reformulated in light of the complexity of faith's human side. This book seeks to guide pastors, church workers, and theologians in their task of communicating the message of good news effectively by drawing attention to the diverse factors influencing religious change.

A Brief History of the Christian Faith in Alberta and in the Airdrie Pastoral Charge of the United Church of Canada

Written as a response to daunting reports that Christian young people are leaving the church at a staggering rate, Faith That Lasts offers hope and direction to both parents and the local church. Jon Nielson presents much more than a step-by-step formula for parenting. Instead, he offers five gospel-centered principles, including modeling, balance and friendship. Faith That Lasts is essential reading for anyone who seeks to support lasting, authentic relationship between young believers and Jesus Christ.

Jones attacks what he sees as the historical dismissal of mountain religious life, as supported by nineteenth- and twentieth-century missionary movements bent on changing mountain life through better religion. He explores the creation and perpetuation of negative stereotypes as mainline Christians contended that "Upland Christians" had to be saved from themselves.

In His Holy Name: A Collection of Sermons

This book is about phylogenetic diversity as an approach to reduce biodiversity losses in this period of mass extinction. Chapters in the first section deal with questions such as the way we value phylogenetic diversity among other criteria for biodiversity conservation; the choice of measures; the loss of phylogenetic diversity with extinction; the importance of organisms that are deeply branched in the tree of life, and the role of relict species. The second section is composed by contributions exploring methodological aspects, such as how to deal with abundance, sampling effort, or conflicting trees in analysis of phylogenetic diversity. The last section is devoted to applications, showing how phylogenetic diversity can be integrated in systematic conservation planning, in EDGE and HEDGE evaluations. This wide coverage makes the book a reference for academics, policy makers and stakeholders dealing with biodiversity conservation.

A Theology of Religious Change

Critical and Exegetical Hand-book to the New Testament

"Understanding Your Neighbor's Faith: What Christians and Jews Should Know About Each Other was the brainchild of Rabbi Philip Lazowski of Hartford, Connecticut. The idea was born several years back after he invited a group of non-Jewish clergymen to visit the Holy Land with him. Priests, ministers and some members of their congregations who wanted a better understanding of Israel and Judaism enthusiastically accepted his gesture of good will. Rabbi Lazowski's unique perspective as a Holocaust survivor made him ideally poised to teach others about the historical and philosophical context of Judaism as well as its rich tradition of practice. Rabbi Lazowski also learned much from his colleagues of other faith traditions. This unprecedented volume gives Rabbi Lazowski and the other clergy the opportunity to explicate their religion, using their own language and concepts in responding to the questions of people of goodwill outside their faith. Difficult, even uncomfortable, questions are asked--and answered. No question is too simple or too complex. Every chapter, each by an author belonging to a different Christian faith tradition, will prove as informative to the co-religionist as to the outsider. The concise, straightforward question-and-answer style allows the book to be studied in full, read casually, or consulted for reference.

Major changes have occurred in our time as most traditions have revised their sacramental rites and experienced many changes in sacramental practices. This book traces the most significant practices in the past five centuries, explains how they often led to controversies, and examines the faith that was expressed and experienced in the sacraments. James F. White attempts to depict the whole sweep

The Eyes of Faith

Church attendance in the United States and other Western nations is rapidly declining, and the losses are not solely because "young people don't like church." Baby boomers are also leaving, frequently because the church leadership assumes a believer's faith and how it plays out is constant over a lifetime. Boomers are a transition generation, undergoing profound faith journeys as they transition through life's phases. Many churches struggle to connect with people on a journey because the corporate, modernist mindset doesn't have room for changes and journey. Good Faith Hunting is a book of hope for church leaders and major influencers who want to celebrate the faith journeys of baby boomers and others through life, allegiance, and experience, as an opportunity to show the love of Christ as they sojourn alongside people in their community.

The English translation of the three-volume Exegetisches Wrterbuch zum Neuen Testament, this monumental work by an ecumenical group of scholars is first of all a complete English dictionary of New Testament Greek. Going beyond that, however EDNT also serves as a guide to the usage of every New Testament word in its various contexts, and it makes a significant contribution to New Testament

exegesis and theology. EDNT's thorough, lengthy discussions of more significant words and its grouping of words related by root and meaning (with alphabetical cross-references) distinguish it from simpler Greek-English lexicons. Advancing the discussion of the Theological Dictionary of the Old Testament, EDNT summarizes more recent treatments of numerous questions in New Testament study and takes into consideration newer viewpoints of linguistics.

Good Faith Hunting

The Sacraments in Protestant Practice and Faith

"Like newborn babes, long for the pure milk of the word, that by it you may grow in respect to salvation." 1 Peter 2:2 It's a fact of life: our health declines if we don't nourish our bodies every day with food and water. That's true physically. It's true spiritually as well. If we neglect to regularly feed our souls on the Holy Scriptures, our faith becomes weak and we start to lose touch with our Savior. Growth is stifled if it happens at all. Drawing Near, used daily in combination with God's Holy Word, can not only help bring you closer to God but also keep you from spiritual stagnation. This book will guide you in a growing relationship with Him. As Pastor MacArthur says in his Introduction: "Our entertainment-conscious, quick-fix, fast-food society does everything it can to divert us from setting aside time to study God's Word. As you well know from your own efforts, Bible study is not often entertaining—it's hard work. It takes discipline to set aside time each day to reap the benefits such study has to offer. If you reach an impasse when it's time to sit down, open your Bible, and try to decide what to do, you're not alone. Without some plan to follow, it's easy to become frustrated and eventually give up after only one or two days. That's where this book comes in." If you desire greater understanding of the precious Word of God, if you want a daily guide to draw you closer to the Lord, this outstanding collections of 365 devotional readings by one of America's most respected and trusted Bible teachers is for you!
