Provides recommendations for hotels, inns, restaurants, shopping, and activities, offers insights into Belgian culture, and includes sections on Holland, Luxembourg, and the surrounding countryside

Frommer's City Guide to Toronto, 1996-1997

In the mold of our very popular series of state alphabet books, we offer "Z is for Zamboni" to hockey fans young and old across North America. Matt Napier's "breakaway" rhymes and "hard-checking" expository text team up with the "top-shelf" illustrations of Melanie Rose to elucidate this increasingly popular game for every beginning hockey aficionado. Highlighting rules, players, coaches, teams, and the history of the game, it is both fun and educational.

Frommer's Dollarwise Guide to Switzerland & Liechtenstein

From the critically acclaimed author of *Honor Girl*, comes a “sassy, sultry whodunit” (*School Library Journal*) set in an Atlanta boarding school that’s infused with subversive humor and featuring a cast of bizarre and unforgettable characters. It’s better to know the truth. At least sometimes. Halfway through Friday night’s football game, beautiful cheerleader Brittany Montague—dressed as the giant Winship Wildcat mascot—hurls herself off a bridge into Atlanta’s surging

Chattahoochee River. Just like that, she's gone. Eight days later, Benny Flax and Virginia Leeds will be the only ones who know why. Their search for the truth reveals a web of depravity hiding in plain sight at their picture perfect school. When love becomes obsession, how far will someone go to make their twisted fantasies a reality? And who has the power to stop them? A twisty, turny mystery loaded with the perfect punch of satire and heart.

A FARMER and his wife fall on hard times. They haven't lost everything the way others have, but they have lost enough. Their hope for a better future comes under threat when they discover an intruder on their land. A WOMAN from a small town marries an outsider. Her love for him battles with her suspicions that he is the source of the fires ravaging the mountains. A YOUNG BOY, neglected by his parents, sits in the remains of a crashed plane and lovingly tends to two frozen bodies.

Over the years the city of San Francisco has become one of America's premier tourist attractions. And with good reason! It offers an enviable climate, a wealth of cultural institutions, superb dining, and shopping for every taste. Yet it is for the traveler with a limited purse that Connie Emerson writes *The Cheapskate's Guide to San Francisco*. From airline tickets to hotel reservations, Emerson teaches readers how to take the best advantage of "deals". She offers tips on discount shopping as well as restaurants where the food (of every variety) is not overpriced. Readers will be introduced to all major points of interest with an easy-to-understand directional guide. *The Cheapskate's Guide to San Francisco* is a must for anyone who wants to enjoy a vacation without having a financial breakdown.

The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.

Time and Tide

The issue of Native American mascots in sports raises passions but also a raft of often-unasked questions. Which voices get a hearing in an argument? What meanings do we ascribe to mascots? Who do these Indians and warriors really represent? Andrew C. Billings and Jason Edward Black go beyond the media bluster to reassess the mascot controversy. Their multi-dimensional study delves into the textual, visual, and ritualistic and performative aspects of sports mascots. Their original research, meanwhile, surveys sports fans themselves on their thoughts when a specific mascot faces censure. The result is a book that merges critical-cultural analysis with qualitative data to offer an innovative approach to understanding the camps and fault lines on each side of the issue, the stakes in mascot debates, whether common ground can exist and, if so, how we might find it.
