Grain and Chaff from an English Manor

A boy (Romeo) and a girl (Juliet) fall in love. But they come from families which hate each other, and know they will not be allowed to marry. They are so much in love they marry in secret instead. However, before their wedding night Romeo kills Juliet's cousin in a duel, and in the morning he is forced to leave her. If he ever returns to the city, he will be put to death. Juliet is then told she must marry Paris, who has been chosen by her parents, who do not know she is already married. She refuses - then agrees because she plans to fake her death and escape to be with Romeo. She takes a sleeping potion and appears to be dead, so her parents lay her in a tomb. However, Romeo does not know about the plan, visits her grave, finds her 'dead', and kills himself. Juliet finally wakes up, finds Romeo dead, and then kills herself. This is just the basic story. There are lots of extra characters and details you can include. However, do not fall into the trap of retelling the story in your work. No GCSE task will ask you to write out the story of Romeo and Juliet, and no marker will expect you just to outline the events in the play.

Romeo and Juliet

Classic light comedy, fully sustained in the spirit of the plays of this genre. As is characteristic of the dramaturgy of this epoch, the obviousness of the incipient intrigue does not spoil the general charm of the play at all, and the onslaught of free irony and elegant juggling with words and meanings delivers true enjoyment. The plot tells about the creation of a union of two pairs, very different from each other. The wedding of the first couple has already been discussed, and preparations are underway. The second couple still does not even realize that a sharp reversal of fate will happen soon.

PRINCE OF CATS is the B side to Shakespeare's Romeo and Juliet, played at an eighties block party in an NY where underground sword dueling blossomed alongside hip-hop, punk, disco, and no wave. It's the story of the minor players with Tybalt at the center. The definitive printing of RONALD WIMBERLY's critically-acclaimed first work, presented as intended for the first time.
