Hot Sex Pictures : Autoerotic And Hot Sex Pictuers With Sexy Girls Exposing Everything

Delaney Walker has a secret. The celebrated designer of erotic lingerie is actually too “nice” to wear it. But when her fiancé says “I do” to someone else, Delaney decides to change her image. And she's going to start by going through with the boudoir photos she'd arranged for her groom-to-be. Only, little does she guess that once photographer Sam Martelli sets eyes on her, he'll insist on putting himself in the picture.... Sam has photographed hundreds of beautiful women, but none have affected him like Delaney. Even before she strips down to just a whisper of silk, casting off her inhibitions as well as her clothes, he has to have her. And thanks to a power failure, he does...again and again. But once the lights come back on, can Sam convince her that their one night was more than just a case of indecent exposure...?

Like the popular barroom video game Erotic Photo Hunt, this book presents two nearly identical photos of a stunningly beautiful woman and dares readers to look closely at the details in search of small differences. Some changes may be obvious ? like a repositioned tattoo or missing piece of jewelry ? but others are as subtle as the cut of the bikini or the lay of a lock of hair on her shoulder. With its big photos and interactive fun, this book offers stimulating enjoyment to fans of picture puzzles and beautiful women alike.
