### Poems by Emily Dickinson

#### Deaf Republic

My final poetry book took a sharp turn that was not expected but did happen. An amazing revelation of a mystery unveils while in the middle of compiling the book at hand. The image portrayed here is that of the impact we have on each other. I felt compelled to share this with everyone reading this book. Being an author is not based on the number of books one has written but rather, the impact you have and had on others. The book contains some interesting moments that will give you credit. I must say, there are some moments of pain, especially when some of us remember the shooting that happened a few years ago at Dawson College. I must say that I saw all the good memories that were left by the girl who was short to death. It is through her that I realized the previously stated statement that portrays an author. The most wonderful thing that you will get from reading this book or the previous ones is, you will be spiritually up lifted, encouraged, inspired, motivated and blessed beyond measure. Above all, you will see God's love and grace for you.

## **Purposeful Poetry**

### **I Wouldn't Thank You for a Valentine**

The Great War, The Waste Land and the Modernist Long Poem explores how cultural responses to the trauma of the First World War found expression in the form of the modernist long poem. Beginning with T.S. Eliot's The Waste Land, Oliver Tearle reads that most famous example of the genre in comparison with lesser known long poems, such as Hope Mirrlees's Paris: A Poem, Richard Aldington's A Fool I' the Forest and Nancy Cunard's Parallax. As well as presenting a new history of this neglected genre, the book examines the ways in which the modernist long poem represented the seminal literary form for grappling with the crises of European modernity in the wake of World War I.

### **Reflections in Poetry**

This book of prayer poems is a testimony of how Jesus Christ can save any lost soul. It is my journey to salvation and healing. The prayer poems are inspirational for all people, whether you are feeling sorrowful or joyful, whether you are saved or unsaved. In addition, it should remind all believers in Jesus Christ God Almighty, that we are all his saints and to continue to be his faithful servants. It is our duty to set a good example to all non-believers and to truthfully spread the message of his gospel to all people around the world. Our hearts should ache at the thought of all non-believers perishing in hell. Yes, we all have weaknesses but what separates us from non-believers is we are fortunate to have recognized that you can only obtain salvation through your faith and belief of Jesus Christ and only Jesus can deliver you from these weaknesses. As believers, we should all freely strive to be a soul winner because we know it is pleasing to God. The ultimate goal is to try to live according to his word. We need to show our Lord how much we love him. Not only are we his children, we are his employees. Our working hours are 24 hours a day, 7 days a week. Matthew 28:19 Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: John 10:30 I and my Father are one. Ephesians 3:9 And to make all men see what is the fellowship of the mystery, which from the beginning of the world hath been hid in God, who created all things by Jesus Christ: 1 John 5:7 For there are three that bear record in heaven, the Father, the Word, and the Holy Ghost: and these three are one.

Winner, 2015 National Book Critics Circle Award, poetry category Winner, 2016 Kingsley Tufts Poetry Prize Finalist, 2015 National Book Award, poetry category Finalist, 2015 NAACP Image Awards, poetry category Catalog of Unabashed Gratitude

is a sustained meditation on that which goes away—loved ones, the seasons, the earth as we know it—that tries to find solace in the processes of the garden and the orchard. That is, this is a book that studies the wisdom of the garden and orchard, those places where all—death, sorrow, loss—is converted into what might, with patience, nourish us.

### **Choice of Choices [poems]**

Hello poetry fans!!! Brett Johnson would like to thank you for purchasing his first poetry book called "Beautiful Poetry for a Special Person." This poetry book may seem like it revolves around one person. The interchangeable content in this poetry book can describe and talk about so many people who exemplify honor, integrity, bravery, courage, thoughtfulness, caring, and a sincere commitment to adaptation in every day life. There will always be ups and downs, along with smiles and frowns. Poetry fans, readers in general, will find every single page in this book intriguing, fascinating, and enthusiastic. Brett doesn't want to go into great detail about his book, because he wants his readers to enjoy the sheer mystery and sincere suspense. Poetry is not like reading a novel. This form of literature needs to be read with a clear conscious, open mind, and in a quiet environment if all possible.

### **Poetry from My Heart**

This unique collection of poetry and prose, interlaces. The author through her Christian journey or walk has woven a literary garment which includes three distinct themes: Prescriptions Doses of medicine for mind and spirit Perspectives Insights either experienced, witnessed or imagined Prayers Conversations with God If you are open to reading something exclusively different from the norm; that can lift your spirits, encourage belief in yourself, remind you to have faith in seemingly impossible times, and gives food for thought, than theres a song for you to sing; and a message just for you within the pages of this book.

### **The Best American Poetry 2014**

This is a collection of poems that I wrote during my mid-teenage years to my early twenties. The collection is divided into

three books, each with its own different writing style. In the first book, I was still establishing myself as a poet and had no poetry identity. I was still trying to discover myself. In the second book, I had developed a sense of style and by then I was able to identify myself as a poet. The same can be said about the third book. Another difference that is worth mentioning between the three books is the level of maturity. It varies (and gradually increases) from the first book to the third. One thing that ties all the three books together is the content. My poetry has been inspired by emotion. Hence the name of the collection is Emotions in Motion'

### **The Bride & Groom Thank-You Guide**

Because of You Old Glory Flies is a collection of heartfelt poems and illustrations to say thank you to all who have served, or currently serve in the United States military. In creating this book, Julie Dueker and Ray "Bubba" Sorensen II, a.k.a. The Freedom Rock Painter, have combined their unique talents and passions for God and country to show America's heroes we are forever in their debt. They pray this book touches the hearts and lives of those who open it and share it. "I'm impressed with Julie's work to capture the essence of hero. There are heroes all around us and some we would never know served in our nation's military to defend the rights and privileges that we hold dear. We can never repay them enough for all that they and their families have given to the rest of us. Many are in cemeteries across our land and overseas. Some didn't return at all. Others live quietly in our communities continuing to give of themselves for the good of others. America's greatness lies on the backs of our veterans and those who serve today. They have fought and died for us. I believe Julie's works depict that very well." -Colonel Robert C. King (Ret)

### **American Poetry Magazine**

"Reflections in Poetry" Reflections in Poetry was first thought about when I was working down in the Gulf of Mexico. Twelve hours a day five days a week I use to write during my lunch break or back at the motel. I put together some material in a legal pad and left everything in the Motel under the mattress. When I relocated back to Sumter, SC it was very hard getting started, with so many things on my mind. I asked God to give me the peace of mind that I needed to put my thoughts on paper. I stayed up one night until four in the morning writing. I needed that to get a lot of stuff off my chest and off my mind. I really enjoyed putting Reflections in Poetry together, it reflects on those that have passed on good people whose memories I'll always treasure and will never forget. Friends that I met over the years our paths crossed and we connected platonically. They inspired me in their own unique way to write about them in poetry. Reflections in Poetry are collections of treasured thoughts from my heart to yours. Enjoy Glendell Chatmon

### **Poems by the Red Neck Poet**

"Poetry for the Soul" is an inspirational and motivational piece directed toward enlightening the reader about the power of the soul's ability to reach higher spiritual aspirations. The writings are real; she say's poetry to me is never fictional, because life is not, it is something heard, seen, smelled, tasted, and touched, as we live, so it is. It is as real as the five senses we possess, for some it's six. It is the culmination of the events of a person's spiritual enlightenment, in hopes of bringing joy to the reader's heart and soul. This uniquely designed poetry book is about love, faith, hope, and determination. The peaceful images will allow the reader to pause to see the still beauty of God. The "soul" is the essence of the heart of a person, the inner being of man or woman. Whatever we possess in our heart whether it is beauty or beast will radiate from within our being to the world we see. Life is real and it is better to find the good in the left over's instead of complaining about the food you get. This book is about embracing life, while holding on and not letting go. Inspired by the life of the author as she strived to live beyond the challenges filled with disappointment, joy, despair, triumph, withdrawal, shame, and much more. She never lost hope or her desire to write, always knowing that there had to be something greater, better to life than what she had. She was blessed by God to put her feelings on paper and to share them with the world. Being a spontaneous writer, these writings are very unique, and where written to bless your soul.

## **Poetry of the Soul, Anniversary Edition**

As stated in Brions introduction, these poems were written and intended as a testimonial of one mans life for his children and grandchildren. The poems grew into something bigger; seeing the importance for as Gods words states in II, Timothy 3:16-17 all scripture is given by inspiration of God and is profitable for doctrine, for re-proof, for correction, for instruction in righteousness that the man of God may be perfect thoroughly furnished unto all good works. Brion thanks his God for the inspiration he has given him on several of these poems. He thanks his daughters as workers and inspiration also. It has never been his intention to hurt anyone with his writings. If so, get over it and change your life as well. The last poem of this book is Brions letter to any addict struggling to overcome a hard addictive behavior. Get and seek the help you need. Believe in the true God and please dont victimize your family. Brion hopes these readings have been enjoyable and inspirational, but most of all, this is and was his testimonial throughout time for his children and grandchildren of who their father and grandfather was.

Ilya Kaminsky's astonishing parable in poems asks us, What is silence? Deaf Republic opens in an occupied country in a time of political unrest. When soldiers breaking up a protest kill a deaf boy, Petya, the gunshot becomes the last thing the citizens hear—they all have gone deaf, and their dissent becomes coordinated by sign language. The story follows the private lives of townspeople encircled by public violence: a newly married couple, Alfonso and Sonya, expecting a child; the brash Momma Galya, instigating the insurgency from her puppet theater; and Galya's girls, heroically teaching signing by day and by night luring soldiers one by one to their deaths behind the curtain. At once a love story, an elegy, and an urgent plea, Ilya Kaminsky's long-awaited Deaf Republic confronts our time's vicious atrocities and our collective silence in the face of them.
