Where do I begin? That's the question we start with when thinking about throwing a party -- and for many of us, that's the question we end with, too. We may like the idea of entertaining friends and family in our home, but the details -- those how to's of planning the party, making the food, and playing hostess -- can quickly overwhelm us, prompting us to tuck away the idea, waiting for another, better time. But it doesn't have to be that way. With *The Art and Craft of Entertaining*, author Kimberly Kennedy provides all

President, A.C.E.; Professional film editor (Network, Grey Gardens, American History X, Alpha Dog) The key to becoming a successful film, TV, or video editor starts with becoming a successful assistant editor. To do so, one must navigate the many unwritten laws and senses of propriety that aren't discussed or taught in film schools or in other books. Based on their own experiences, first as upcoming assistant editors, then as successful Hollywood-based film and TV editors, authors Lori Jane Coleman and Diana Friedberg arm you with the ability to navigate those laws and senses and become a successful assistant editor. Insight is also included on an array of technical issues such as script breakdown, prepping for sound effects, organizing camera and sound reports, comparison timings, assembly footage, and more. The authors also share their sage wisdom on industry protocol, with tips on interviewing, etiquette, career planning, and more, concluding with a chapter featuring Q+A sessions with various established Hollywood editors on what they expect from their assistant editors.

The Art and Craft of Entertaining

The only book for home cooks offering a complete introduction to the craft. CHARCUTERIE—a culinary specialty that originally referred to the creation of pork products such as salami, sausages, and prosciutto—is true food craftsmanship, the art of turning preserved food into items of beauty and taste. Today the term encompasses a vast range of preparations, most of which involve salting, cooking, smoking, and drying. In addition to providing classic recipes for sausages, terrines, and pâtés, Michael Ruhlman and Brian Polcyn expand the definition to include anything preserved or prepared ahead such as Mediterranean olive and vegetable rillettes, duck confit, and pickles and sauerkraut. Ruhlman, coauthor of *The French Laundry Cookbook*, and Polcyn, an expert charcuterie instructor at Schoolcraft College in Livonia, Michigan, present 125 recipes that are both intriguing to professionals and accessible to home

Paper Cutting Old & New

Rediscover Old World Papercrafting! Scherenschnitte, which literally means "scissors cutting," is a lovely old Swiss-German folk art tradition. Pronounced share-enschnit-ta, this venerable technique was introduced to colonial America by the "Pennsylvania Dutch," who applied it in intricate and symmetrical designs on marriage and birth certificates, silhouettes, valentines, and love letters. Now Paper Cutting Old & New makes this ancient craft come alive, with easy step-by-step instructions and complete full-sized patterns for snipping your own framed treasures, holiday ornaments, unique cards, scrapbook pages, and much more. Add a touch of old-fashioned elegance to your art, with easy-to-follow instructions for false-grain painting that will turn even the plainest frame into a conversation piece. "Paper Cutting Old & New is a wonderful addition to the dissemination of the Pennsylvania German culture. This publication successfully introduces in a clear and concise manner an important piece of history to the modern crafter who wishes to be a part of a long running tradition."
