The House of the Four Winds

An Overland Journey, from New York to San Francisco, in the Summer of 1859

"The House of the Four Winds" is a 1935 adventure novel by the Scottish novelist John Buchan. It is set in the fictional European country of Evallonia in the early 1930s, and explores the influence of some Scottish visitors in the toppling of a corrupt government - and the reinstatement of a monarchy. This text is a must-read for anyone who has enjoyed its prequel, "Castle Gay", or any of Buchan's writing, and it would make for a worthy addition to any bookshelf. The chapters of this book include: 'The Man with the Elephant', 'The House of the Four Winds', 'Diversions of a Marionette', 'Difficulties as a Revolutionary', 'Surprising Energy of a Convalescent', 'Arrivals at an Inn', 'Splendide Mendax', 'Night in the Woods', etcetera. Many texts such as this are increasingly scarce and expensive, and it is with this in mind that we are republishing this volume now in an affordable, high-quality, modern edition. It comes complete with a specially commissioned biography of the author.

The Summer of Permanent Wants

From the author of Secrets of the Sea House comes the mystery of a runaway bride. Can a century of family secrets be unravelled in time to bring her back? For fans of Kate Morton and Rachel Hore.

Where the Four Winds Dwell

The presence of the Divine is everywhere. That is both a comfort and a challenge. We are consoled to know that God is with us, but being human we need a sign, something to touch, see, hear, taste, smell. We need something of the ordinary to name the non-touchable, invisible, unable-to-be-heard, tasteless, odorless God's presence with us. So, we employ metaphors, figures of speech which literally denote one kind of object in place of another, to suggest a likeness or analogy. In this book, the metaphors used for God come out of the Bible; they are the four

elements of nature for the Greeks: wind, water, earth, and fire. Wind is a metaphor for God's Spirit. Water refers to God as the source of life. Earth, from which we are created, bears God's fingerprints and footprints. And fire reminds us of the God who purifies and draws all creation to himself. This nature spirituality book consists of four chapters--wind, water, earth, fire--each of which contains twenty, four-part exercises of prayer: a few verses from Scripture, a reflection, a journal exercise, and a concluding prayer.

Long Summer Day

Seppie began writing seven years ago- full of angst, confusion and deep thoughts. Inspired throughout the years by a tumultuous life and brought to writing out of influence from such artists of greatness as T.S. Eliot and Walt Whitman to the Grateful Dead and Anti-Flag, she discusses every topic of thought such as politics, religion, the supernatural, nature, the mind and simply writing itself. Seppie has

compiled quite a musing and superlative collection of poetry during her young life. Through depression, happiness, second-hand insanity, poverty, contentment, drug-induced fantasies and much more- the author shows to us the kind of road one must travel to finally reach that place Where the Four Winds Dwell.

The Four Winds

Plymouth

Plymouth, famous as the landing place of the Pilgrims in 1620, conjures images of quaintly clad settlers, the first Thanksgiving, and Plymouth Rock. Known as "America's Hometown," Plymouth is the nation's longest enduring English settlement, still thriving four centuries after its founding. In the 19th century, Plymouth became an industrial center with the largest rope-making factory in the world. Immigrant workers revitalized the old Yankee town, making its modern character as much blue collar as blue blood. A developing Plymouth embraced its past, erecting monuments to the Pilgrims and highlighting sites like Burial Hill and Pilgrim Hall. The town became a major destination in the 20th century, attracting tourists and seasonal residents with its antiquity and scenic beauty. From picturesque to gritty, encounter more than the Pilgrims in this postcard history of Plymouth, featuring early-20th-century souvenir views.

The Four Gospels, as Interpreted by the Early Church

When Kate Garland's father is kidnapped in Mexico, she and her mother are forced to sell everything to meet the ransom demands. From spacious Fairy dell Farm in Southern California's Orange Park Acres, they must move to a small house in Riverside County and hope for Dr. Jim Garland's safe return. After months of anxious waiting, Kate meets mysterious Zane McAlister, the man her mother has hired to rescue her father. Kate thinks he looks like a bandito and doesn't trust him. Is he in cahoots with the kidnappers? And what of Tinkerbelle, her beloved Arabian mare? She is the last of the Garland purebreds. Will Kate have to sacrifice her as well? Desperate for money, Kate finds work at a nearby riding stable that is situated on land once part of a huge Spanish grant owned by the De la Costas. There, her life becomes strangely intertwined with the history of this old California family in ways she couldn't have imagined. Do the De la Costas have the key to securing Dr. Garland's release? Join Kate and her new friends, Maria Leon and Airyn Murdock, as her life takes one strange turn after another. Continuing her "Summer Horse" series, award-winning author, Nancy Sanderson, has added another element to her favorite theme of girls and their horses - California history. In *Horse of the Four Winds*, readers will learn about the "Leather-jacket" Spanish soldiers who settled the Golden State in the 1700s and how their descendants left their mark on the state's history. Return to Fourwinds

The Summer Wind is the second book in Monroe's Lowcountry Summer trilogy, following the New York Times bestselling The Summer Girls. This series is a poignant and heartwarming story of three half-sisters and their grandmother, who is determined to help them rediscover their southern roots and family bonds. It's midsummer and Eudora, nicknamed Dora, is staying at Sea Breeze, the family's ancestral home on Sullivan's Island. For years, Dora has played the role of the perfect wife and mother in a loveless marriage. Now her husband filed for divorce, her child is diagnosed with autism, and her house is on the market. Dora's facade collapses under the weight of her grief and she suffers "broken heart syndrome." Mamaw and the girls rally around Dora—but it's up to Dora to heal herself as she spends the summer prowling the beach, discovering the secrets of the island and her heart. This is a summer of discovery for all the women of Sea Breeze. Carson returns from Florida to face life-changing decisions, Lucille confronts a health scare, and an unexpected visitor has Harper reconsidering her life's direction. When tropical storm winds batter the island, the women must band together and weather the tempest—both the one outside their windows and the raging sea of emotions within each of them. They must learn again what it means to be a sister. It is up to Mamaw to keep the light burning at Sea Breeze to guide the girls

through the lies, the threats, and the rocky waters of indecision to home.

Nature Spirituality

A great read for fans of PBS's Poldark and Downton Abbey—first in the saga of a man returning from battle to an estate in the pre-WWI English countryside. After serving his country in the Boer War, injured Lieutenant Paul Craddock returns to England to resume civilian life. But things have changed since he joined the Imperial Yeomanry three years ago. His father has died, leaving Paul as heir to a scrap metal business he has no intention of continuing. Instead, he purchases an auctioned-off thirteen-hundred-acre estate in a secluded corner of Devon.

Neglected and overgrown, Shallowford becomes the symbol of all that Paul has lost—and a reminder of the gentle place his homeland once was. And here, on this sprawling stretch of land, he will be changed by his love for two women: fiercely independent Grace Lovell, and lovely, demure Claire Derwent. Set in the English countryside in the first part of the previous century—from the long “Edwardian afternoon” following the death of Queen Victoria, to the gathering storm of World War I—Long Summer Day is the story of a man, his family, and a people struggling to adapt to life in a new world. Long Summer Day is the first novel in R. F. Delderfield’s saga A Horseman Riding By, which continues with Post of Honour and The Green Gauntlet.

A Handbook of Summer Camps

From the Four Winds

“If a person commits a crime against another people, and they are someday sorrowful of this crime, they will ask forgiveness from the person; we may or may not be forgiven; if we are not forgiven, either way we need to let it go. They will forgive you in their time, when it is right for them, that is the Creator’s job, not yours. In asking forgiveness from the Creator, you need to let it go. The Creator immediately will forgive us once we ask it of Him. It is our human nature to think, sometimes our crimes are too horrific in nature. The human in us tells us Creator can’t forgive those; it is the human in us that makes us think, it is the human in us we need to turn off. Only then is when we listen to our heart. The Creator does not have a court with a judge, jury or prosecutor; there is only One, Him. He does not have a scale or measure to determine or compare one crime to another, to Him a crime is a crime, if the crime is being an adulterer, a liar, or a murderer, to Him they are all the same, the punishment is the same. What matters is not the crime, but that you were spiritual enough to ask forgiveness from our Creator. Don’t let the human in you think you cannot be forgiven, that is Satan influencing you, Satan will want you to think you are no good and can’t possibly be forgiven. DO NOT listen to that one. Let your heart, your spirit take over with the understanding it is done. The Creator wants you to know you do not repeatedly need to be forgiven for the same crime. You have been forgiven, so you are to go on as He intended. He created us to be happy, so that is what you will do. And you are to be sure you forgive others for their crimes against you. That is just how it works.”
