Two Kinds of Truth

When an LAPD narcotics officer is found with a fatal bullet wound and a suicide note, Detective Harry Bosch follows a bloody trail of drug murders across the Mexico border. The "New York Times" bestselling author's second novel featuring LAPD Detective Harry Bosch is reissued for the first time in a decade. Harry investigates the case of a missing narcotics officer rumored to have been peddling a new drug called Black Ice. Martin's.

The Black Box

Jacen Manson is a 'well-paid' junior doctor struggling to balance his career with love and a 'normal' life.

Angle of Investigation

Harry Bosch searches for the truth in the new thriller from #1 NYT bestselling author Michael Connelly An NPR Best Book of 2017 A Times Critics' Top Book of 2017 A Barnes & Noble Best Book of 2017 A South Florida Sun-Sentinel Best Mystery of 2017 An Amazon Book of the Month Harry Bosch, exiled from the LAPD, is working cold cases for the San Fernando Police Department when all hands are called out to a local drugstore, where two pharmacists have been murdered in a robbery. Bosch and the tiny town's three-person detective squad sift through the clues, which lead into the dangerous, big-business world of prescription drug abuse. To get to the people at the top, Bosch must risk everything and go undercover in the shadowy world of organized pill mills. Meanwhile, an old case from Bosch's days with the LAPD comes back to haunt him when a long-imprisoned killer claims Harry framed him and seems to have new evidence to prove it. Bosch left the LAPD on bad terms, so his former colleagues are not keen on protecting his reputation. But if this conviction is overturned, every case Bosch ever worked will be called into question. As usual, he must fend for himself as he tries to clear his name and keep a clever killer in prison. The two cases wind around each other like strands of barbed wire. Along the way, Bosch discovers that there are two kinds of truth: the kind that sets you free and the kind that leaves you buried in darkness. Tense, fast-paced, and fueled by this legendary detective's unrelenting sense of mission, Two Kinds of Truth is proof positive that "Connelly writes cops better than anyone else in the business" (New York Post).

The Last Coyote/Trunk Music

LAPD Detective Harry Bosch tackles three tough cases that span a legendary career in this never-before-collected trio of stories. In "Christmas Even," the case of a burglar killed in mid-heist leads Bosch to retrace a link to his past. In "Father's Day," Bosch investigates a young boy's seemingly accidental death and confronts his own fears as a father. In "Angle of Investigation," Bosch delves into one of the first homicides he ever worked back as a uniformed rookie patrolman, a case that was left unsolved for decades. Together, these gripping stories span Bosch's controversial career at the LAPD, and show the evolution of the haunted, legendary investigator he would become. Utterly unputdownable, they are proof that "Connelly never stops doling out the suspense. Once it grabs you in those first few pages, it won't let go of you" (Boston Globe).

The Brass Verdict

In the new thriller from #1 New York Times bestselling author Michael Connelly, Detective Harry Bosch and his rookie partner investigate a cold case that gets very hot very fast. In the LAPD's Open-Unsolved Unit, not many murder victims die a decade after the crime. So when a man succumbs to complications from being shot by a stray bullet ten years earlier, Bosch catches a case in which the body is still fresh, but any other clues are virtually nonexistent. Even a veteran cop would find this one tough going, but Bosch's new partner, Detective Lucia Soto, has no homicide experience. A young star in the department, Soto has been assigned to Bosch so that he can pass on to her his hard-won expertise. Now Bosch and Soto are tasked with solving a murder that turns out to be highly charged and politically sensitive. Beginning with the bullet that has been lodged for years in the victim's spine, they must pull new leads from years-old evidence, and these soon reveal that the shooting was anything but random. As their investigation picks up speed, it leads to another unsolved case with even greater stakes: the deaths of several children in a fire that occurred twenty years ago. But when their work starts to threaten careers and lives, Bosch and Soto must decide whether it is worth risking everything to find the truth, or if it's safer to let some secrets stay buried. In a swiftly-moving novel as relentless and compelling as its hero, Michael Connelly shows once again why Harry Bosch is "one of the most popular and enduring figures in American crime fiction" (Chicago Tribune).

The Black Ice

Cybele Moondragon is an unemployed English graduate student who is disillusioned with her life and tired of being in debt. She decides to resurrect a matriarchal cult based on the pagan goddess Cybele in order to make a lot of money and empower men and women who are stifled in more traditional, patriarchal religions. Cybele is joined in her quest by her best friend Janus Styx, a Psychology graduate student who helps with the funding for the cult but, unknown to Cybele, manipulates vulnerable members of the cult for his own purposes. Gabriel Anderson is an undercover investigative reporter who realizes he can get the inside scoop on the birth of a pagan cult in Winnipeg and its possible links to eco-terrorism. Cybele slowly discovers that while she leads ceremonies in hopes of

showing her followers the path to spiritual enlightenment, Janus is playing a dangerous game of manipulation with his. Will Cybele succeed in resurrecting her life and ushering a new matriarchal religion into the world or will she fall prey to Janus's machinations and become the scapegoat in his quest for power and control? You'll have to read the book to find out.

Trunk Music

A lawyer is found murdered on the eve of a landmark trial at the foot of Angels Flight in the heart of downtown Los Angeles.

The Concrete Blonde

For the first time in one volume, the three novels that introduced Michael Connelly's great LAPD homicide detective, maverick Hieronymous (Harry) Bosch. The Black Echo (Winner of the Edgar Award for Best First Novel) For Harry Bosch-hero, loner, nighthawk-the body stuffed in a drainpipe off Mulholland Drive isn't just another statistic. This one is personal. Billy Meadows was a fellow Vietnam "tunnel rat," fighting the VC and the fear they used to call the Black Echo. Harry let Meadows down once. He won't do it again. The Black Ice The corpse in the hotel room seems to be that of a missing LAPD narcotics officer. Rumors abound that the cop had crossed over-selling a new drug called Black Ice. Now Harry's making some dangerous connections, leading from the cop to a string of bloody murders, and from Hollywood Boulevard's drug bazaar to Mexico's dusty back alleys. In this lethal game, Harry is likely to be the next victim. The Concrete Blonde When Harry Bosch shot and killed Norman Church, the police were convinced it marked the end of the hunt for the Dollmaker-L.A.'s most bizarre serial killer. But now Church's widow is accusing Harry of killing the wrong man-a charge that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. For the second time, Harry must hunt the murderer down, before he strikes again. Together, these three novels are the perfect way to discover, or rediscover, the sleuth the New York Times Book Review called a "wonderful, old-fashioned hero who isn't afraid to walk through the flames."

CRASHING OUT

The Last Coyote: LAPD homicide detective Harry Bosch is suspended from the force for attacking his commanding officer. Unable to remain idle, he investigates the long-unsolved murder of a Hollywood prostitute. Trunk Music: Harry returns to the force to investigate the murder of a movie producer with Mafia ties. Up against both the LAPD's organized crime unit and the mob, Harry follows the money trail to Las Vegas, where the case becomes personal. Angels Flight: The murder of a prominent African-American attorney who made his career suing the police for racism and brutality means that Harry's friends and associates have become suspects; and he must work closely with longtime enemies suspicious of his maverick ways to investigate them. Together for the first time, these three chilling, pulse-pounding novels chart the volatile, breakneck career of the sleuth the New York Post calls "the quintessential mystery book hero" and prove that "Michael Connelly's Harry Bosch novels are the most impressive body of work by any writer

of crime thrillers now active" (Washington Post).

The Overlook

Private investigator Harry Bosch confronts a villain who's long been in hiding - a friend known as the Poet.

The Harry Bosch Mysteries

Near Mulholland Drive, Dr. Stanley Kent is found shot twice in the back of the head. It's the case LAPD detective Harry Bosch has been waiting for, his first since being recruited to the Homicide Special Squad. When he discovers that Kent had access to dangerous radioactive substances, what begins as a routine investigation becomes something darker, more deadly, and frighteningly urgent. Bosch is soon in conflict with not only his superiors but the FBI, which thinks the case is too important for just a cop. Complicating his job even more is the presence of Agent Rachel Walling, his onetime lover. Now guarding one slim advantage, Bosch relentlessly follows his own instincts, hoping they are still sharp enough to find the truth--and a killer who can annihilate an entire city.

Get Back Jack

Defense attorney Mickey Haller and Detective Harry Bosch must either work together or die as they investigate a Hollywood lawyer's murder in this "epic page-turner" (Library Journal). Things are finally looking up for defense attorney Mickey Haller. After two years of wrong turns, Haller is back in the courtroom. When Hollywood lawyer Jerry Vincent is murdered, Haller inherits his biggest case yet: the defense of Walter Elliott, a prominent studio executive accused of murdering his wife and her lover. But as Haller prepares for the case that could launch him into the big time, he learns that Vincent's killer may be coming for him next. Enter Harry Bosch. Determined to find Vincent's killer, he is not opposed to using Haller as bait. But as danger mounts and the stakes rise, these two loners realize their only choice is to work together.

The Reversal

From #1 bestseller Michael Connelly's first career as a prizewinning crime reporter--the gripping, true stories that inspired and informed his novels. Before he became a novelist, Michael Connelly was a crime reporter, covering the detectives who worked the homicide beat in Florida and Los Angeles. In vivid, hard-hitting articles, Connelly leads the reader past the yellow police tape as he follows the investigators, the victims, their families and friends--and, of course, the killers--to tell the real stories of murder and its aftermath. Connelly's firsthand observations would lend inspiration to his novels, from *The Black Echo*, which was drawn from a real-life bank heist, to *Trunk Music*, based on an unsolved case of a man found in the trunk of his Rolls Royce. And the vital details of his best-known characters, both heroes and villains, would be drawn from the cops and killers he reported on: from loner detective Harry Bosch to the manipulative serial killer the Poet. Stranger than fiction and every bit as gripping, these pieces show once again that Michael

Connelly is not only a master of his craft, but also one of the great American writers in any form.

The Burning Room

Jaded attorney Mickey Haller takes on his first high-paying and possibly innocent client in years, but finds the case complicated by an evil perpetrator.

A SHOCKING TWIST ENDING As death and darkness descend on the neighbourhood, only Mick can save his family and expose the horrifying truth about the people next door - a secret already hailed as the most electrifying twist ending in years.

City of Bones

In this "superb" thriller, Detective Harry Bosch links the bullet from a recent crime to the unsolved killing of a young female photographer during the 1992 L.A. riots (Wall Street Journal). In a case that spans 20 years, Harry Bosch links the bullet from a recent crime to a file from 1992, the killing of a young female photographer during the L.A. riots. Harry originally investigated the murder, but it was then handed off to the Riot Crimes Task Force and never solved. Now Bosch's ballistics match indicates that her death was not random violence, but something more personal, and connected to a deeper intrigue. Like an investigator combing through the wreckage after a plane crash, Bosch searches for the "black box," the one piece of evidence that will pull the case together. Riveting and relentlessly paced, *The Black Box* leads Harry Bosch, "one of the greats of crime fiction" (New York Daily News), into one of his most fraught and perilous cases.

The Last Coyote

Suspended from his job with the LAPD, Harry Bosch must face the darkest parts of his past to track down his mother's killer . . . even if it costs him his life. Harry Bosch's life is on the edge. His earthquake-damaged home has been condemned. His girlfriend has left him. He's drinking too much. And after attacking his commanding officer, he's even had to turn in his L.A.P.D. detective's badge. Now, suspended indefinitely pending a psychiatric evaluation, he's spending his time investigating an unsolved crime from 1961: the brutal slaying of a prostitute who happened to be his own mother. Even after three decades, Harry's questions generate heat among L.A.'s top politicians. And as the truth begins to emerge, it becomes more and more apparent that someone wants to keep it buried. Someone very powerful, very cunning and very deadly. Edgar Award-winning author Michael Connelly has created a dark, fast-paced suspense thriller that cuts to the core of Harry Bosch's character. Once you start it, there's no turning back.

McCaleb's first reading of the crime scene leads him to look for a methodical killer with a taste for rituals and revenge. As his quick look accelerates into a full-sprint investigation, the two crimes -- his murdered loner and Bosch's movie director -- begin to overlap strangely. With one unsettling revelation after another, they merge, becoming one impossible, terrifying case, involving almost inconceivable calculation. McCaleb believes he has unmasked the most frightening killer ever to cross his sights. But his investigation tangles with Bosch's lines, and the two men find themselves at odds in the most dangerous investigation of their lives.

Now retired from the L.A.P.D., Bosch is determined to find justice for Angella. Without a badge to open doors and strike fear into the guilty, he's on his own. And even in the face of an opponent more powerful and ruthless than any he's ever encountered, Bosch is not backing down.

Void Moon

In this "tense" thriller and #1 New York Times bestseller, Detective Harry Bosch teams up with Lincoln Lawyer Mickey Haller to track down a killer who just might find them first (Wall Street Journal). Detective Harry Bosch has retired from the

LAPD, but his half-brother, defense attorney Mickey Haller, needs his help. A woman has been brutally murdered in her bed and all evidence points to Haller's client, a former gang member turned family man. Though the murder rap seems ironclad, Mickey is sure it's a setup. Bosch doesn't want anything to do with crossing the aisle to work for the defense. He feels it will undo all the good he's done in his thirty years as a homicide cop. But Mickey promises to let the chips fall where they may. If Harry proves that his client did it, under the rules of discovery, they are obliged to turn over the evidence to the prosecution. Though it goes against all his instincts, Bosch reluctantly takes the case. The prosecution's file just has too many holes and he has to find out for himself: if Haller's client didn't do it, then who did? With the secret help of his former LAPD partner Lucy Soto, Harry starts digging. Soon his investigation leads him inside the police department, where he realizes that the killer he's been tracking has also been tracking him. Thrilling, fast-paced, and impossible to put down, *The Crossing* shows without a shadow of doubt that Connelly is "a master of building suspense" (Wall Street Journal).

A Darkness More Than Night

Now with a single faultless shot, Detective Harry Bosch thinks he has ended the city's nightmare. So for the second time, Harry must hunt down a death-dealer who is very much alive, before he strikes again. It's a blood-tracked quest that will take Harry from the hard edges of the L.A. night to the last place he ever wanted to go-- the darkness of his own heart. With *The Concrete Blonde*, Edgar Award-winning author Michael Connelly has hit a whole new level in his career, creating a breathtaking thriller that thrusts you into a blistering courtroom battle-- and a desperate search for a sadistic killer.

A Killing in the Hills

Back on the job after an involuntary leave of absence, LAPD homicide detective Harry Bosch is ready for a challenge. But his first case is a little more than he bargained for. It starts with the body of a Hollywood producer in the trunk of a Rolls-Royce, shot twice in the head at close range - what looks like "trunk music," a Mafia hit. But the LAPD's organized crime unit is curiously uninterested, and when Harry follows a trail of gambling debts to Las Vegas, the case suddenly becomes more complex - and much more personal. A rekindled romance with an old girlfriend opens new perspectives on the murder, and he begins to glimpse a shocking triangle of corruption and collusion. Yanked off the case, Harry himself is soon the one being investigated. But only a bullet can stop Harry when he's searching for the truth . . .
