The Traditions of The Owl and the Nightingale

The Owl and the Nightingale is a Middle English poem preserved in two manuscripts. This edition is based on the text of the Cottonian MS. This critical edition that we are submitting to the consideration of our -we hope- kind readers has been prepared according to the principle of accommodating the medieval text to modern usage concerning punctuation and the use of capitals and quotation marks, and transliterating original wynn for "w" to facilitate a convenient textual approach.

An Old English Poem of the Owl and the Nightingale

Poets of every age deal with roughly the same human emotions, and for the experienced reader poetry is interesting or not depending upon the moment-by-moment intensity of its appeal. This skillful rendering by John Gardner of seven Middle English poems into sparkingly modern verse translation—most of them for the first time—represents a selection of poems that, generally, have real artistic value but are so difficult to read in the original that they are not as well known as they deserve to be. The seven poems are: The Alliterative Morte Arthure, Winner and Waster, The Parliament of the Three Ages, Summer Sunday, The Debate of Body and Soul, The Thrush and the Nightingale, and The Owl and the Nightingale. The first four poems represent high points in the alliterative renaissance of the fourteenth century. Morte Arthure, here translated for the first time in its entirety into modern verse, is the only heroic romance in Middle English—a work roughly in the same genre as the French Song of Roland. The other three poems have been included in the anthology as further poetic examples. With his employment of extensive comments and notes on the poems, Gardner provides a wealth of aids to appreciation and understanding of his outstanding translations. The anthology will be of interest to general readers as well as to students.

The Owl and the Nightingale

A Companion to Medieval Poetry

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Owl and the Nightingale

Amid the grandeur of the remote Pacific Northwest stands Kingcome, a village so ancient that, according to Kwakiutl myth, it was founded by the two brothers left on earth after the great flood. The Native Americans who still live there call it Quee, a place of such incredible natural richness that hunting and fishing remain primary food sources. But the old culture of totems and potlatch is being replaced by a new culture of prefab housing and alcoholism. Kingcome's younger generation is disenchanted and alienated from its heritage. And now, coming upriver is a young vicar, Mark Brian, on a journey of discovery that can teach him—and us—about life, death, and the transforming power of love.

The Owl and the Nightingale

The Owl and the Nightingale

Bringing together material in English, French, and Latin, this book analyzes the shrewd perceptions about human life and language that emerge from beast narratives. Works discussed include the *Speculum stultorum* of Nigel of Longchamp, *The Owl and the Nightingale*, Chaucer's *Parliament of Fowls*, *The Fox and the Wolf*, and the *Moral Fabillis* of Robert Henryson.

An Old English Poem of The Owl and the Nightingale

A Companion to Medieval Poetry presents a series of original essays from leading literary scholars that explore English poetry from the Anglo-Saxon period up to the 15th century. Organised into three parts to echo the chronological and stylistic divisions between the Anglo-Saxon, Middle English and Post-Chaucerian periods, each section is introduced with contextual essays, providing a valuable introduction to the society and culture of the time. Combines a general discussion of genres of medieval poetry, with specific consideration of texts and authors, including Beowulf, Sir Gawain and the Green Knight, Chaucer, Gower and Langland. Features original essays by eminent scholars, including Andy Orchard, Carl Schmidt, Douglas Gray, and Barry Windeatt, who present a range of theoretical, historical, and cultural approaches to reading medieval poetry, as well as offering close analysis of individual texts and traditions.

The Owl and the Nightingale: Its Sources and Meaning

The Alliterative Morte Arthure

The Owl and the Nightingale is one of the first long comic poems in the English Language, surviving from the period between the Norman Conquest of England and the age of Chaucer.

The owl and the nightingale

First full-length study of birds and their metamorphoses as treated in a wide range of medieval poetry, from the Anglo-Saxons to Chaucer and Gower.

From Aesop to Reynard

An Old English Poem of the Owl and the Nightingale

Birds in Medieval English Poetry

Katherine Arden's bestselling debut novel spins an irresistible spell as it announces the arrival of a singular talent with a gorgeous voice. "A beautiful deep-winter story, full of magic and monsters and the sharp edges of growing up."—Naomi Novik, bestselling author of *Uprooted* Winter lasts most of the year at the edge of the Russian wilderness, and in the long nights, Vasilisa and her siblings love to gather by the fire to listen to their nurse's fairy tales. Above all, Vasya loves the story of Frost, the blue-eyed winter demon. Wise Russians fear him, for he claims unwary souls, and they honor the spirits that protect their homes from evil. Then Vasya's widowed father brings home a new wife from Moscow. Fiercely devout, Vasya's stepmother forbids her family from honoring their household spirits, but Vasya fears what this may bring. And indeed, misfortune begins to stalk the village. But Vasya's stepmother only grows harsher, determined to remake the village to her liking and to groom her rebellious stepdaughter for marriage or a convent. As the village's defenses weaken and evil from the forest creeps nearer, Vasilisa must call upon dangerous gifts she has long concealed—to protect her family from a threat sprung to life from her nurse's most frightening tales. Praise for *The Bear and the Nightingale* "Arden's debut novel has the cadence of a beautiful fairy tale but is darker and more lyrical."—*The Washington Post* "Vasya [is] a clever, stalwart girl determined to forge her own path in a time when women had few choices."—*The Christian Science Monitor* "Stunning . . . will enchant readers from the first page. . . . with an irresistible heroine who wants only to be free of the bonds placed on her gender and claim her own fate."—*Publishers Weekly* (starred review) "Utterly bewitching . . . a lush narrative . . . an immersive, earthy story of folk magic, faith, and hubris, peopled with vivid, dynamic characters, particularly clever, brave Vasya, who outsmarts men and demons alike to save her family."—*Booklist* (starred review) "An extraordinary retelling of a very old tale . . . *The Bear and the Nightingale* is a wonderfully layered novel of family and the harsh wonders of deep winter magic."—Robin Hobb

The Owl and the Nightingale is clearly one of the few major Middle English poems. Despite the clarity and simplicity of its text, however, the poem has occasioned bitter and still unresolved interpretative controversy. Is the key to its meaning to be found in bird lore? the debate form? Is the poem a political or religious allegory? Despite the radical contradictions in the conclusions of previous critics, most of them have implicitly claimed a unique and exclusive validity. Kathryn Hume's purpose in writing this book is to offer a new account of the poem, one based on a systematic attempt to assess the validity and usefulness of various possible approaches to the work. She shows saneness, balance, and humour both in her criticism of previous interpretations and in her own conclusions. We need, she insists, to understand the nature of the poem before we erect elaborate theories about its meaning. The contradictoriness of the relevant avian traditions, the birds' complete incompetence as debaters, the poem's curiously indeterminate ending, and the critics' inability to agree even on the subject of the controversy, she argues, makes it difficult to see the work as a serious debate about anything. Attempts to find an extrinsic or allegorical meaning have proven radically contradictory and have all neglected large portions of the poem. But since no serious issue is present in the bird's dialogue, the meaning of the poem must indeed be sought elsewhere. Analysis of The Owl and the Nightingale's sequential impact and its manipulation of audience response emphasize the debate's lack of direction, its bitterness, and also – from the reader's point of view – its humour. Kathryn Hume argues that a great deal is clarified and made comprehensible if we regard the poem as a burlesque-satire on human contentiousness. The birds' illogic, the wandering arguments, the unsystematic introduction of various human concerns, and the inconclusive ending are all consistent with the idea that the poem was written as a witty caricature of petty but vicious human quarrelling. Both for its sane reinterpretation of what is widely considered one of the masterpieces of Middle English literature and for the interpretative methodology it employs, *The Owl and the Nightingale: The Poem and Its Critics* should be of lasting value to medievalists.
