Encyclopaedia of Religion and Ethics: A-Art

Find Faith is a complete Bible with easy-to-find highlighted passages that tell of the acts and attitudes of people of faith, as well as of God's faithfulness to us. Featuring the text of the New International Version (NIV)—the world's most popular modern-English Bible—discover the verses that will inspire, uplift, and encourage you. Whether you need inspiration and comfort or simply want to read about God's comfort and care for his people, there is an NIV VerseLight Bible for you. NIV ©2011. The New International Version (NIV) translation of the Bible is the world's most popular modern-English Bible—easy to understand, yet rich with the detail found in the original languages.

Not a Tame Lion

British Fantasy and Science-fiction Writers, 1918-1960

"The Encyclopaedia of Religion and Ethics is a 12-volume work (plus an index volume) edited by James Hastings, written between 1908 and 1927 and composed of entries by many contributors. It covers not only religious matters but thousands of ancillary topics as well, including folklore, myth, ritual, anthropology, psychology, etc. It was originally published by T&T Clark in Edinburgh, and Charles Scribner's Sons in the United States."--Wikipedia.

A literary and biographical account of the man and the children's book series he is known for best.

The mystery of God finished; or, The times of the restitution of all things

A New Abridgment of the Law

The Salisbury Review

Essays on British writers of fantasy and science fiction, including dark fantasy and supernatural horror. Includes lesser-known authors who made their own small but

significant contributions to this field. Discusses the impact of pulp magazines and other new magazines that focused on subgenres such as romance fiction, adventure fiction, Western fiction, and eventually fantasy and science fiction, and utopian literature, a predecessor and close cousin of science fiction.

The restitution of all things, an essay

The Age to Come; Or, Glorious Restitution of All Things Spoken of by the Mouth of All the Holy Prophets Since the World Began

The Second Death and the Restitution of all things A letter to a friend. Second edition

Public Life in the Shadowlands

In this work Henry Smith explains, verse by verse, Daniel 4:29-34 concerning the life and actions of king Nebuchadnezzar of Babylon. Though this work is insightful into the manner of kings and magistrates, as Nebuchadnezzar was, it is also extremely helpful on the sin of pride, which every Christian struggles to overcome. Nebuchadnezzar boasts, and demonstrates his pride over the "city he built" and then is brought low like a beast until God graciously delivers him. His deliverance is marked with looking up to heaven while spending time in the wilderness among the animals as a beast, and acknowledges that God is the one true Most high above all men. A classic work that will humble the Christian, and should not be missed. This is not a scan or facsimile, has been updated in modern English for easy reading and has an active table of contents for electronic versions.

The College Board Review

C.S. Lewis

Literary scholar, novelist, and Christian apologist, C. S. Lewis was a remarkable and enigmatic man. He is perhaps best known today for his popular series of children's books, the Chronicles of Narnia, which continue to sell more than a million copies a year. He also wrote science fiction in the form of interplanetary fantasies - a series of three novels known as the Ransom Trilogy. This book offers the first full-length critical assessment of that trilogy, placing the three volumes in the context of Lewis's life and work. David C. Downing reveals the autobiographical and theological subtexts of *Out of the Silent Planet*, *Perelandra*, and *That Hideous Strength*, showing as well how much Lewis the classical and medieval scholar influenced the work of Lewis the creator of interplanetary fantasies. Downing also examines the chief imaginative and intellectual sources of the trilogy and addresses persistent issues raised by reviewers and critics: Was Lewis's lifelong devotion to fantasy a mark of intellectual independence or a case of "arrested emotional development"? Were his views on women sexist, even misogynist? How much of his critique of modern science and technology was well informed and how much the result of prejudice or habitual suspicion of all things modern? A brief appendix on "The Dark Tower" fragment provides what background is known about this mysterious document, summarizes the story as far as Lewis developed it, and comments on how this unfinished work fits in with the Ransom books published during Lewis's lifetime.
