## Discipleship

Twenty years ago, not one nation on earth had legal same-sex marriage. Now, access to same-sex marriage is increasingly seen as a basic human right. In a matter of less than a generation, western cultures have experienced a moral revolution. Dr. R. Albert Mohler examines how this transformation occurred, revealing the underlying cultural shifts behind this

revolution: the acceptance of divorce culture, liberation of sex from reproduction, the prevalence of heterosexual cohabitation, the normalization of homosexuality, and the rise of the transgender movement. He then offers a deep look at how the Bible and Christian moral tradition provide a comprehensive understanding upon which Christians can build their personal lives, their marriages, church ministry, and cultural engagement. Dr. Mohler helps Christians in their understanding of the underlying issues of this significant cultural shift and how to face the challenge of believing faithfully, living faithfully, and engaging the culture faithfully in light of this massive change.

### **The Size of the Soul**

"The highest that can be said of any creature is that it fulfilled the purpose for which God made it." — A. W. Tozer What is holding you back from being all God wants you to be? Are you still holding on to past sins? Do memories of your spiritual failures haunt you? Or maybe you want to stay in control and not become one of those "fanatical" Christians? Tozer says, "It is one of the devil's oldest tricks to discourage the saints by causing them to look back at what they were." Indeed, Satan has been in the business of intimidating and deceiving the people of God for a very long time. Tozer himself felt attacked by the devil even as he prepared the sermons distilled into this book. But as we press toward maturity in Christ, we are armed with great strength to engage in battle with that great Adversary. We can stand up to the

Reflections on Christ, from a beloved spiritual writer A. W. Tozer was a man of remarkable knowledge, an avid reader of Christian writers and philosophers from throughout the ages. But he meditated on the Bible. He was, like John Wesley, "a man of one Book and a student of many." Combine this with his poignant writing style and you have works like this one, high thoughts of God brought low, yet no less moving. Jesus: The Life and Ministry of God the Son features selections from Tozer's writings on the God-man, Jesus Christ. It follows the chronology of Christ's earthly life and explores classic themes of Christology, helping readers better comprehend and appreciate Jesus' person and work. When you set out to study Christ, you want to behold His splendor the best you can. That's why writers like A. W. Tozer are excellent guides: they love the Lord, know Him well, and yet have a way with the written word. They're able to lay the weight of glory on the human heart as few can. Read Jesus and appreciate anew the Savior of the world and the power of the written word to glorify His name.

### **My Daily Pursuit**

"We are saved to worship God. All that Christ has

done for us in the past and all that He is doing now leads to this one end." — A. W. Tozer Tozer had strong convictions about the subject of worship, as well as its corruption by what he called "the great god Entertainment." The excerpts in this book were carefully selected to give you a clear picture of his thoughts on both topics: Worship: Unacceptable Worship, Spiritual Concentration, The Presence of God, the Power of God, Personal Communion, Adoration, Hymns Entertainment: Evangelical Heresy, Propoganda, An Outward Shift, Modern Evangelism, Religious Activity, Worldliness Also included are Tozer's sermon "The Act and Object of Worship" in its entirety and his controversial essay "The Menace of the Religious Movie," written in the mid-1950s. You might not agree with all that Tozer says, but, as always, he draws a line in the sand and causes us to think critically about what is and isn't worship, and if what we are doing is truly worship.

### **Whatever Happened to Worship?**

A.W. Tozer calls God the "Composer of the Cosmos," the "Chief Musician of the Universe." God signals the birds to chirp their beautiful tune in the coolness and tranquility of a spring morning, simply because that is what He designed them to do. Each note is wonderfully constructed by God, uniquely bringing praise to His name. With this inspiring perspective on worship, Tozer invites readers to take a deep look at the ways in which we worship and why. He reminds us that we were created solely for this purpose and that worshipping the Father and seeking His fellowship is

our primary task. It is also His delight. The newest revised edition now includes "Worship: The Missing Jewel of the Evangelical Church," first published in the Alliance Life magazine in 1965, and still so profound today.

### **The Warfare of the Spirit**

"True and absolute freedom is only found in the presence of God."--A.W. Tozer Deep in the soul of every person on earth is a longing for the presence of God. But how do we get there? Experiencing the Presence of God is a never-before-published collection of teachings from A.W. Tozer on the book of Hebrews that shows us the way. Tozer, the renowned pastor and theologian, challenges our status quo, invites us to explore a fresh understanding of what it means to dwell in God's presence, and leads us to experience the divine fulfillment for which we were created! As Tozer says, "We should come to church not anticipating entertainment but expecting the high and holy manifestation of God's presence. . . . Worship is not some performance we do, but a presence we experience." Come alongside Tozer and enter into God's presence right now.

### **The Waning Authority of Christ in the Churches**

To understand the continued and far-reaching ministry of A. W. Tozer, it is important to know who he was, including his relationship with God. In *The Life of A. W. Tozer*, James Snyder lets us in on the life and

times of a deep thinker who was not afraid to "tell it like it is" and never compromised his beliefs. Tozer's spiritual legacy continues today as his writings challenge readers to a deeper relationship and worship of God in reverence and adoration. Here is Tozer's life story, from boyhood and his conversion at the age of seventeen, to his years of pastoring and writing more than forty books, at least two regarded as Christian classics that continue to appear on bestseller lists. Examining Tozer's life allows the reader to learn from a prophet with much to say against the compromises he observed in contemporary Christian living and the hope he found in his incredible God.

### **The Menace of the Religious Movie**

Spiritual lethargy is one of the greatest dangers to confront a believer in his or her day-to-day walk with God. A. W. Tozer said, "There are only three directions from which danger comes to the Christian life. They are the world through which we journey, the god of this world and our own mortified flesh." In this never-before-published book, the renowned teacher issues a clarion call for all Christians to awaken to the times in which we live and stand boldly against spiritual and moral slumber. Tozer's focus is on those few believers who will heed the call to arouse themselves rise up in the face of the great temptation to malaise that is before us, believing that God always begins with one or two who hear and heed His voice, and refuse to become weary in their pursuit of Him.

## **God's Pursuit of Man**

This book has been described by James L. Snyder as Tozer's valedictory. It was his last message ever given to God's people. Written shortly before his death in 1963, it was published two days after his death. It is a challenging message to all who want to walk with Christ. "HERE IS THE BURDEN of my heart; and while I claim for myself no special inspiration I yet feel that this is also the burden of the Spirit. If I know my own heart it is love alone that moves me to write this. What I write here is not the sour ferment of a mind agitated by contentions with my fellow Christians. There have been no such contentions. I have not been abused, mistreated or attacked by anyone. Nor have these observations grown out of any unpleasant experiences that I have had in my association with others. My relations with my own church as well as with Christians of other denominations have been friendly, courteous and pleasant. My grief is simply the result of a condition which I believe to be almost universally prevalent among the churches."

## **Worship**

The best of A. W. Tozer, on one of his favorite subjects Few subjects invigorated A. W. Tozer like the topic of worship. He saw it—like the church has traditionally—as the sole reason for which creation exists. *Worship: The Reason We Were Created* features collections from the beloved spiritual writer on this important topic. The church's current worship is emaciated; its thoughts of God are too low. Here is

a compilation to raise those thoughts high once more, and provoke the church to true, spiritual worship. Topics include: The act and object of worship The Presence of God Worship throughout the week Feelings and emotion in worship Man as a worshipping creature If it's true that we are made to worship God, that it is the sole reason that we exist, that we are most alive when we live for His glory, then reading Worship is more than time well spent. It is time invested in the very foundation of your life.

### **The Fire of God's Presence**

Salvation is from our side a choice, from the divine side [...] a conquest of the Most High God. – A. W. Tozer With words like these, Tozer shakes the soul. He crumbles the lies we believe and calls us to the more sure way. In these pages, Tozer says what it means to truly be saved. It is not merely to assent to Jesus and go on our same old way, but to be conquered by the Almighty God and invaded by His Spirit. A saved person is a transformed person. Let Tozer upend you in this moving prequel to *The Pursuit of God*. And being upended, may you be found standing upright in an upside-down world.

### **Rut, Rot, or Revival**

Aiden Wilson Tozer (April 21, 1897 - May 12, 1963) was an American Christian pastor, preacher, author, magazine editor, and spiritual mentor. Tozer hailed from a tiny farming community in western La Jose, Pennsylvania. He converted to Christianity as a teenager, in Akron, Ohio; while on his way home from work at a tire company, he overheard a street preacher say, "If you don't know how to be saved just call on God, saying, 'Lord, be merciful to me a sinner.'" Upon returning home, he climbed into the attic and heeded the preacher's advice. In 1919, five years after his conversion and without formal theological training, Tozer accepted an offer to serve as pastor of his first church. That began 44 years of ministry, associated with the Christian and Missionary Alliance (C&MA), a Protestant Evangelical

denomination, 33 served as a pastor in a number of churches. His first pastorate was in a small storefront church in Nutter Fort, West Virginia. Tozer also served as pastor for 30 years at Southside Alliance Church, in Chicago (1928 to 1959), and the final years of his life were spent as pastor of Avenue Road Church, in Toronto, Ontario, Canada. In observing contemporary Christian living, he felt the church was on a dangerous course toward compromising with "worldly" concerns. Born into poverty, Tozer was self-educated, due to his home situation, and he taught himself what he missed in high school and college. In 1950, Tozer received an honorary Doctor of Letters degree from Wheaton College. In May 1950, Tozer was elected editor of the Alliance Weekly magazine, now called Alliance Life, the official publication of the C&MA. From his first editorial, titled Quality vs Quantity dated June 3, 1950, he wrote, "It will cost something to walk slow in the parade of the ages, while excited men of time rush about confusing motion with progress. But it will pay in the long run and the true Christian is not much interested in anything short of that." In 1952, he received an honorary LL.D. degree from Houghton College. Among the more than 60 books that bear his name, most of which were compiled after his death from sermons he preached and articles he wrote, at least two are regarded as Christian classics: *The Pursuit of God* and *The Knowledge of the Holy*. Many of his books impress on the reader the possibility and necessity for a deeper relationship with God. (wikipedia.org)

Dynamic, Never-Before-Published Work on the Holy Spirit from A.W. Tozer What does it mean to have the Holy Spirit in our lives? Many look to extraordinary experiences and manifestations as evidence of the Spirit. But what happens when the event is over? How can we experience the Holy Spirit in the ordinary, everyday world? How can we be filled with the Spirit? In this material taken from Tozer's sermons, he answers these questions and explores life in the Spirit from a balanced perspective. The church needs the gifts of the Spirit--all of them--or it will never be what God intends it to be. But this has to happen in wisdom and humility. Many people talk about being filled with the Holy Spirit, but very few accept the conditions for being filled. Tozer lays down requirements for the Holy Spirit to come into our lives and transform us into Spirit-filled people. Though every Christian has the Holy Spirit, not every Christian is filled with the Holy Spirit. He explains the difference and how it could change the evangelical church of today.

### **The Life of A.W. Tozer**

Refuting the notion that the doctrine of the Trinity may be indispensable for the creed but remote from life and worship, James B. changed how millions pray. Now Bruce Wilkinson wants to change what they do next. Anyone can do a good deed, but some good works can only happen by an act of God. Around the world these acts are called miracles—not that even religious people expect to see one any time soon. But what would happen if millions of ordinary people walked out each morning expecting God to deliver a miracle through them to a person in need? *You Were Born for This* starts with the dramatic premise that everyone at all times is in need of a miracle, and that God is ready to meet those needs supernaturally through ordinary people who are willing to learn the "protocol of heaven." In the straightforward, story-driven, highly motivating style for which he is known, Wilkinson describes how anyone can be a 'Delivery Guy' from heaven in such universally significant arenas of life as finances, practical help, relationships, purpose and spiritual growth. *You Were Born for This* will change how you see your world and show you what you can expect God to do through you to meet real needs. You will master seven simple tools of service, and come to say with confidence, "I want to deliver a supernatural gift from God to someone in need today—and I expect to!" From the Hardcover edition.

Reason to a new understanding of our spiritual birth and human conscience and addresses our enlightened spirit, inner knowledge and the resurrection. IT is these truths that sustain us in our Christian walk. Faith Beyond Reason comes to us with insights of faith and Tozer takes an in depth look and what it stands on. In Tozer's typical fashion and style, he explores the things that are beyond or frail human understanding. Faith Beyond Reason will leave you with a new and empowering sense of the faith while subtly revealing the power of God in our lives. The question every Christian must ask as they prepare to walk with God is, do they really believe that the God they worship will move heaven and earth for them if they truly trust in Him? The whole premise of this book is that with God nothing is impossible especially when it comes to His children. We must act with faith and do what is needed.

### **I Talk Back to the Devil**

The life of a Christian is packed full of conflict. The Warfare of the Spirit discusses the persistent struggle against the evil forces of the world, the flesh, and even the deceiving ways of Satan. Breaking down the spiritual warfare that is going on all around us, in both the physical and spiritual realms, Tozer examines many aspects of the human experience that can potentially damage us spiritually—like concerns about money, social status, conflict with others, or even confusing the meaning Christmas. Tozer also unapologetically states the dangers of adhering to a theology that absolves the unbeliever of any

Rory Noland addresses the challenges of Christian worship head-on, offering practical suggestions gleaned from Scripture on understanding and experiencing vibrant worship. The first half of *Worship on Earth as It Is in Heaven* explores what it means to grow as a private worshiper. The practices of the psalmist David provide insight to help people worship God on their own. Second, Noland discusses corporate worship by exploring the glorious gatherings in heaven, as described in the book of Revelation. He presents immediately applicable ideas for becoming a better corporate worshiper. This book includes:

- Slice-of-church-life scenarios. Every chapter begins with a brief scenario that presents a worship-related issue or a conflict corresponding to the chapter topic.
- Group discussion questions. Based on the opening scenario, these questions help readers think about and discuss worship-related topics from different perspectives.
- Issue-by-issue practical guidance from a biblical perspective.
- “Ponder and Apply” application questions. Each chapter ends with a series of discussion questions and action steps to help readers identify key insights and make personal applications.

Albert Benjamin Simpson was God's man. From inauspicious beginnings in Bayview, Prince Edward Island, Canada, he rose to prominence through Presbyterian pastorages in Hamilton, Ontario, Louisville, Kentucky, and New York City. But God had other plans for Simpson. He resigned from his comfortable pulpit to launch a ministry aimed at reaching the world's lost multitudes. Wingspread is Simpson's story—a story of one of God's chosen leaders, written by another man of God, A. W. Tozer. It will captivate and challenge you, inspiring you to rise up and attempt something great for God.

## **Delighting in God**

Is our Christianity that of the New Testament? "God and men and their relation to each other—this I believe to be all that really matters in the world, and that is what I have written about here." —A. W. Tozer Like a physician running a biopsy on lifeless faith, here A. W. Tozer offers one of the most compelling critiques of feigned spirituality you may ever read. In *Of God and Men*, Tozer exposes false religious notions and lifts up true New-Testament Christianity. A loving and gentle critique of culture and even the church, it reveals lies we unknowingly believe, godless practices we unknowingly do, and treasures of Christ we unknowingly ignore. A manifesto of true religion, *Of God and Men* will set your foot on the narrow path and lift your heart in soaring worship.

## **Alive in the Spirit**

"Some churches now advertise courses on how to pray. How ridiculous! That is like giving a course on how to fall in love." —A. W. Tozer Tozer understood prayer as few do: as a way of life. Now readers can share that same grand vision. Prayer combines the best of Tozer on prayer into one volume. Tozer was captured by the great wonder of God, and he regarded prayer as the primary means of coming into His presence. But if our everyday life is filled with the barrenness of busyness and there is no serious urgency to pray, we forfeit the wonder of being conformed to the image of Christ and knowing our God more intimately—the true Christian life. Prayer is doable. God is accessible. And Tozer provides the wisdom and encouragement to help us encounter Him daily. With commentary and reflection questions provided by compiler W.L. Seaver, Prayer takes our understanding of prayer to new depths and helps us have a life that prays.

### **Voice of a Prophet**

Many people believe in God and believe that God is everywhere, but they have yet to experience his presence. What did it mean for Moses to encounter God at the burning bush? How did it change his life and his perception of God? What is keeping you from experiencing his presence in your life? It was in that burning bush experience that Moses began to understand and appreciate the sacredness of worship. Through this book, Tozer teaches how proper worship has to be equal to the one we are worshiping, so if we are worshiping God, we must do it on his terms. This means having a spirit of reverence and holiness--like Moses taking off his shoes and kneeling before him. The bush's fire did not frighten Moses, but rather it poured the essence of sacredness into his life, giving him an experience he had never had before. Let this book teach you how, like Moses, to kneel and worship before God's holy fire.

### **Success and the Christian**

Many people believe in God and believe that God is everywhere, but they have yet to experience his presence. Delighting in God is the message Tozer intended to be the follow-up to 'The Knowledge of the Holy'. He demonstrates how the attributes of God—those things God has revealed about himself—are a way to understand the Christian life of worship and service. We are here to serve and adore him, but we can only fulfill that role by acknowledging who he is, which is the essence of the Christian life and the source of all our fulfillment, joy, and comfort. To understand who we are, we need to understand who God is. His very character and nature are reflected through us. Unless we fully grasp who we are, we'll never become all God wants us to be.

### **The Dangers of a Shallow Faith**

During his ministry, which included extended pastorates in Chicago and Toronto, Dr. Tozer was often referred to as a prophet. That doesn't mean he predicted future events, but rather he spoke God's truth to believers and the culture, even if it meant disrupting the status quo. Even in the Bible, prophets were much more likely to hold God's people and their leaders accountable to the truth of God's Word than to foretell the future. The encouragement in Voice of a Prophet is that the church today is in desperate need of the kind of prophet Tozer embodied and

### **Eternal Perspectives**

"God has nothing to say to the frivolous man." — A. W. Tozer Tozer states this bluntly in the book's beginning, and he carries the sentiment through the last chapter. In *God Tells the Man Who Cares*, Tozer urges the believer to be vigilant in his pursuit of God's voice in his life. He reminds us that stillness and meditation on the Spirit of God may be more spiritually profitable than the front of religion that is so prevalent in modern society. Stillness is the quality that is so often lost in the business of today's world. To be still and know that He is God is an old truth that is much quoted but rarely lived. Tozer's convicting voice will bring you to a new and humbling place in your relationship with the Lord. He invites you to lay your emotions at God's feet, provides insight into the true nature of a servant's heart, and decries many aspects of institutionalized Christianity, warning against artificial religion with these words: "[It] is a disease of the soul, and can only be healed by the Physician of souls."

The overall purpose of this collection is to "promote the personal heart religion" among God's people, something Tozer consistently emphasized. Knowing God deeply and intimately brings purpose and meaning to life and should be the Christian's highest goal. So what holds us back from authentic spiritual success? A.W. Tozer contends that it is the excess baggage that most Christians carry that prevents them from going further with God. In this insightful and prophetic book, Tozer shows how we can recognize and clear away the stumbling blocks that keep us from a dynamic relationship with our Savior.

### **We Cannot Be Silent**

What Does it Mean to Be "Crucified With Christ?" During his lifetime, renowned teacher A.W. Tozer was often invited to speak at seminaries, churches, and Bible conferences on the topic of the cross and its meaning for the Christian life. Now, in this never-before-published distillation of his best teaching on the subject, you will gain a fresh understanding of the cross's centrality to your walk of faith in Christ. The apostle Paul declared in his letter to the Galatians that he had been "crucified with Christ." But what does this mean? Is this a claim every believer can and should make? *The Crucified Life* is a comprehensive examination of these questions, answered with the deep, biblical thinking for which Tozer was revered. "God is ingenious in developing crosses for His followers," Tozer was fond of saying. At the heart of this book, you will find a call to follow Christ to the cross and be raised to new life--a call to live the

"Within the last few years a new method has been invented for imparting spiritual knowledge; or, to be more accurate, it is not new at all, but is an adaptation of a gadget of some years standing, one which by its origin and background belongs not to the Church but to the world. Some within the fold of the Church have thrown their mantle over it, have "blessed it with a text" and are now trying to show that it is the very gift of God for our day. But, however eloquent the sales talk, it is an unauthorized addition nevertheless, and was never a part of the pattern shown us on the mount. I refer, of course, to the religious movie."A. W. Tozer

## **Jesus**

True religion confronts earth with heaven and brings eternity to bear upon time. The messenger of Christ, though he speaks from God, must also, as the Quakers used to say, "speak to the condition" of his hearers; otherwise he will speak a language known only to himself. His message must be not only timeless but timely. He must speak to his own generation. This book is packed with truth, giving the insight on how the Holy Spirit is the power behind the Church, the Christian life, and the sustainability needed to follow Jesus.

'I fear we shall never see another Tozer. Men like him are not college-bred but Spirit-taught.' Leonard Ravenhill, 20th century British evangelist. Pastor A. W. Tozer, author of the Christian classics *The Pursuit of God* and *The Knowledge of the Holy*, was a complex, intensely private, deeply spiritual man, and a gifted preacher whose impact for the kingdom of God is immeasurable. In this thoughtful biography, bestselling author Lyle Dorsett traces Tozer's life from his humble beginnings as a Pennsylvania farm boy to his heyday as a Chicago pastor- when hundreds of college students would travel to his South Side church to hear him preach and thousands more heard his Sunday broadcasts on WMBI- to his final pastorate in Toronto. From his conversion as a teen to his death in 1963, Tozer remained true to one passion: to know the Father and make Him known, no matter what the cost. The price he paid was loneliness, censure from other, more secular-minded ministers of the times, and even a degree of estrangement from his family. Read the life story of a flawed but gifted saint, whose works are still impacting the world today.

"If the messages in this book were read and acted upon by every pastor and church member, we would have the revival for which Dr. Tozer fervently prayed, and for which many of us are praying today." —

Warren Wiersbe "The church should be a healthy, fruitful vineyard that will bring honor to Christ," says A. W. Tozer. But to do so, we as individuals must stop accepting the status quo and get out of our spiritual ruts. In *Rut, Rot, or Revival*, Tozer describes the signs of being in a spiritual rut, the reasons we get into them, how to get out, and, most importantly, why we need to get out now.

### **Worship on Earth as It Is in Heaven**

The one great obsession of A.W. Tozer's life was worship. Many have written about worship, but Tozer surpassed them all in simple passion and supreme purpose. Compiled from material never before published, this book presents A.W. Tozer's systematic teaching on worship. His thoughts on the subject were deeply rooted in biblical doctrine and historic writings, blending Scripture with some of the great devotional writers throughout history. Be inspired to not only understand worship but also experience it in your own heart. This will be the best teaching in my ministry. I want to deliver my soul as a prophet of God to the people, and to explain why we were created and why we are here, not to the satisfaction of the needed appetite only but to something bigger, grander and more eternal, that we might worship God and enjoy Him forever.

### **Experiencing the Presence of God**

Often quoted by Chuck Swindoll, Charles Stanley, Billy Graham and other great preachers, A. W. Tozer's

If he didn't know it before, then He didn't know everything, He wouldn't be perfect, and if He isn't perfect then He isn't God."
