Trade unions supported the campaign for extending the vote to women, but on the whole, trade unions still tended to represent the interests of their male members. Between the end of WWI in 1918 and the outbreak of WWII in 1939, there was a period of decline in industrial growth in the UK and elsewhere (known as the 'great depression').

### **Trade union - Wikipedia**

Egypt - Egypt - Trade: The value of imports into Egypt is usually equal to about one-third and exports about one-tenth of the GDP. Since World War II exports have tended to fall short of imports. The trade deficit was particularly sizable from 1960 to 1965 as expenditure on development rose, reaching a peak in 1966. After the 1973 war with Israel, there was a decided effort to restrict imports
